Judy,
I will not say "we made it" because everyone else has said it! Besides, I think you are intelligent enough to know that we made it. Agree? It has been great knowing you all these years — even though we had our differences in the 10th grade, I'm sorry about all that! I hope you have fun at Memphis State!

Love ya, Jill

Judy;
I can't tell
you how much
I like & appreciated your
nice smiles and words
of encouragement this year!
You really are one of the
nicest persons I know! I hope
I hope you have a great

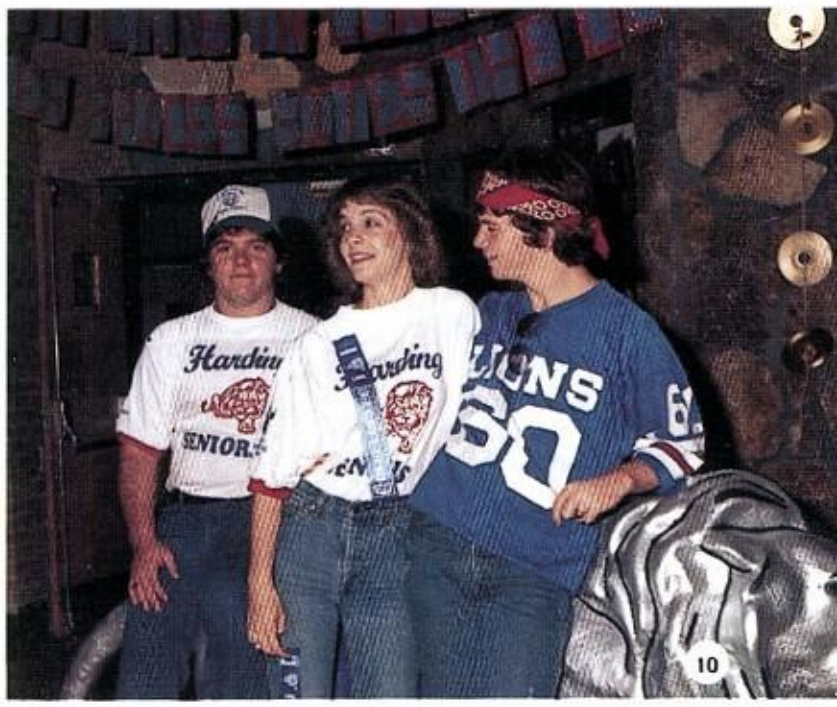
HARDING ADDS LIFE . . .

Harding adds life. What does that really mean? Our school is special in our lives, in our community and in our world. It adds variety and spice to ordinary days. Each of the clubs that students participate in has a storehouse of events and activities. Harding's athletic department has hard working and talented coaches and teams. Harding's wonderful facilities certainly add life to its name. A large and well equipped auditorium is valuable to the whole school, especially the drama department. Three fine gymnasiums suit our fine athletes well. Through this introduction we will show you a few more of the ways in which Harding adds life to our lives!



1. **SENIORS** diligently work towards the ultimate victory of Homecoming. 2. **PAINTED** Picts join the triumphant class of "83" after the pep rally. 3. **WHILE** the rest of the guys look at the sophomore cheerleaders, Russ and Nick stare in awe at the camera. 4. **CAROL** attempts a hand of black jack. 5. **HARDING** Cheerleaders have got the spirit! 6. **MR. HARDING ADDS LIFE . . .

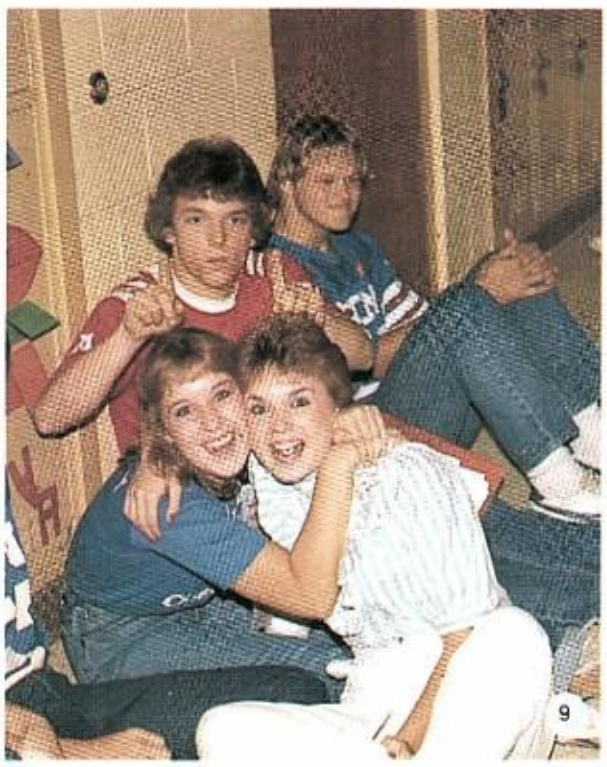
to Activities

A school year at Harding is packed full of fun filled and exciting activities. School involvement is high and many enjoy the fun provided.

Homecoming is a favorite activity of the students. Class and school spirit peaks during this week. Everyone seems to grow closer during this week. Teachers and students have fun together and get to know each other in a way other than scholastically. Students grow closer working long hours on floats and halls. During this year even classes have grown closer together.

Weekly games, school picnics, banquets and class parties are other activities popular and well attended at Harding.



1. **INNOCENT** smiles aren't to be trusted in this picture! 2. **BALLOONS**, caps, blue and white are all a part of the spirit shown at Harding. 3. **TAKING** a walk during lunch is a nice form of relaxation. 4. **SHERRY**, Carol and Doug kept busy making their halls the best! 5. **HAMMING** it up, as usual! 6. **WHO** are those masked men? 7. **EVERYONE** wants to get in the picture. 8. **VALERIE** and her best guy. 9. **RESTING** after a rough pep rally, these people really have the spirit! 10. **THESE** guys look dangerous. 11. **SOPHOMORES** put on a great show. 12. **TALKING** is a favorite with these girls.

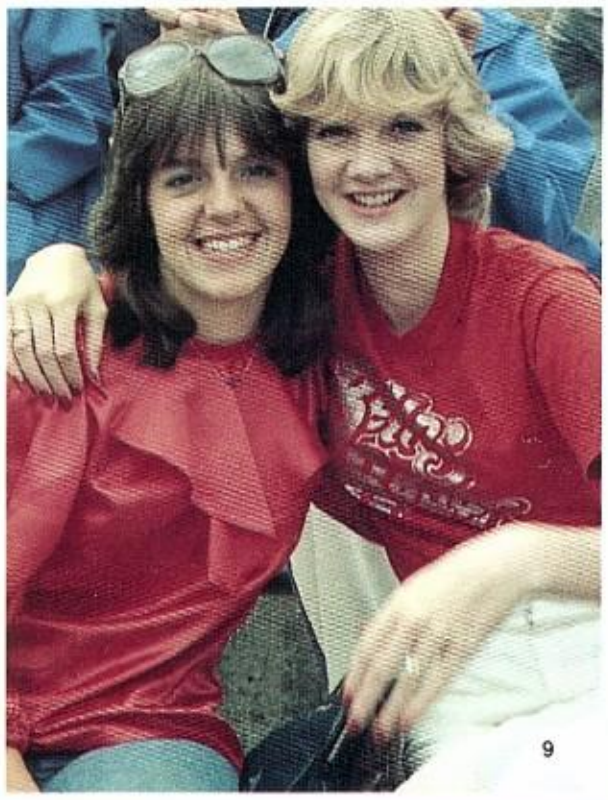
HARDING ADDS LIFE . . .

to Friendships

Friends are the special people with whom we share our juiciest secrets. We can tell them most anything. Harding friendships are different from any others. Not only do we share the same school, but there is a common bond among the students. Some friends at Harding have grown up together yet others have become friends in recent years. Some of these friendships will last and others may not but we will always look back on them as fond memories. Walking down the hall people smile and wave. That's friendship. That's love. That's Harding!



1. **FRIENDS** gathered together to feast at the school picnic. 2. **BUDDIES** forever are these gals. 3. **LYNN,** Cheron, Becky and Sherry are always ready for a picture! 4. **KINDNESS** spreads across Steve's face as he helps Yang and Russ hog tie Anne Marie. 5. **A GROUP** of smiling faces! 6. **SEE** even teachers and students can be friends. 7. **PRETTY** faces for a pretty picture. 8. **AN** intelligent group of Harding students. 9. **BUFFY** and Shelley are friends forever. 10. **A** perfect pyramid. 11. **JUNIOR HIGH** students are really showing their spirit!

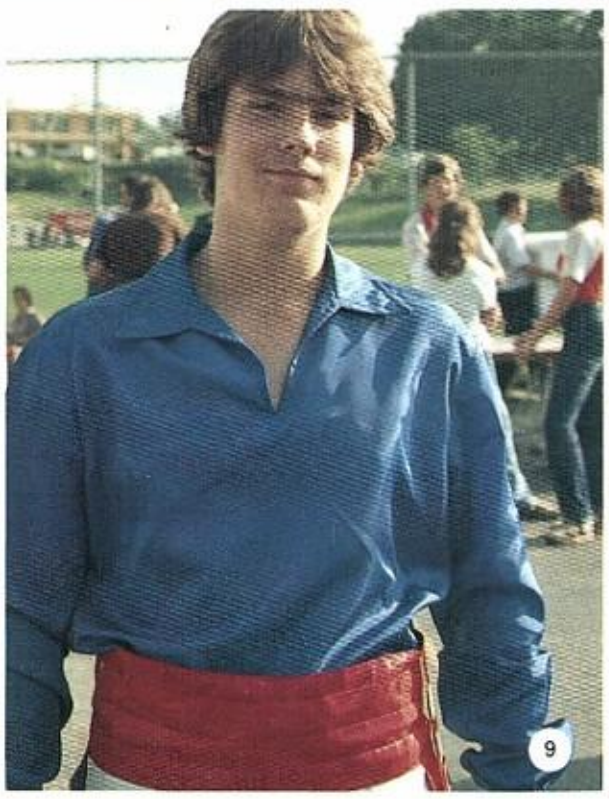
PEOPLE ADD LIFE . . .

to Harding

Harding's people certainly add life to the name Harding Academy. Harding's faculty tops the list of great people. Not only are these people well able to do top jobs of teaching, they want to teach and they care about the students they teach. There are other members of the faculty that don't teach in a classroom situation but these people do teach us great lessons by their everyday lives. Any student will tell you that Harding has a most caring faculty.

Students at Harding also add life to the school. Every student is special. We each have our own talents and abilities and even though some aren't recognized they are all equally important!



1. **BRIGHT** days make bright people. 2. **MEMPHIS** is full of the music of happiness! 3. **TOUGH** guys aren't they? 4. **SHIRLEY** and Laura are proud to be seniors! 5. **VALERIE** reflects back on the memorable night. 6. **WHO** else but Johnny? 7. **PURPLE** must be the thing. 8. **SUSAN** leads all in cheers. 9. **ALWAYS** up to something, Todd's probably chasing the girls. 10. **BAND** members stick together! 11. **PEP RALLY** spirit rides high. 12. **MORE** clowning around!

CHRISTIANITY ADDS LIFE . . .

to Harding

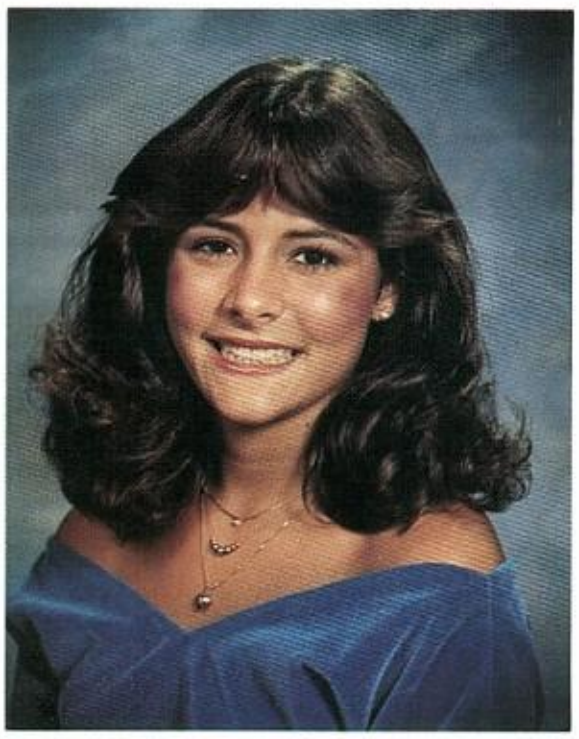
Christianity is the backbone of Harding Academy. The idea of Harding was conceived by Christian men because of their desire for Christian education available to young people. Harding has grown in size and number over the years because of the high standards set by Christianity.

Chapel services every morning help students to start out the school day with the Lord in their minds. Bible classes also increase help students spiritually by increasing their Bible knowledge.

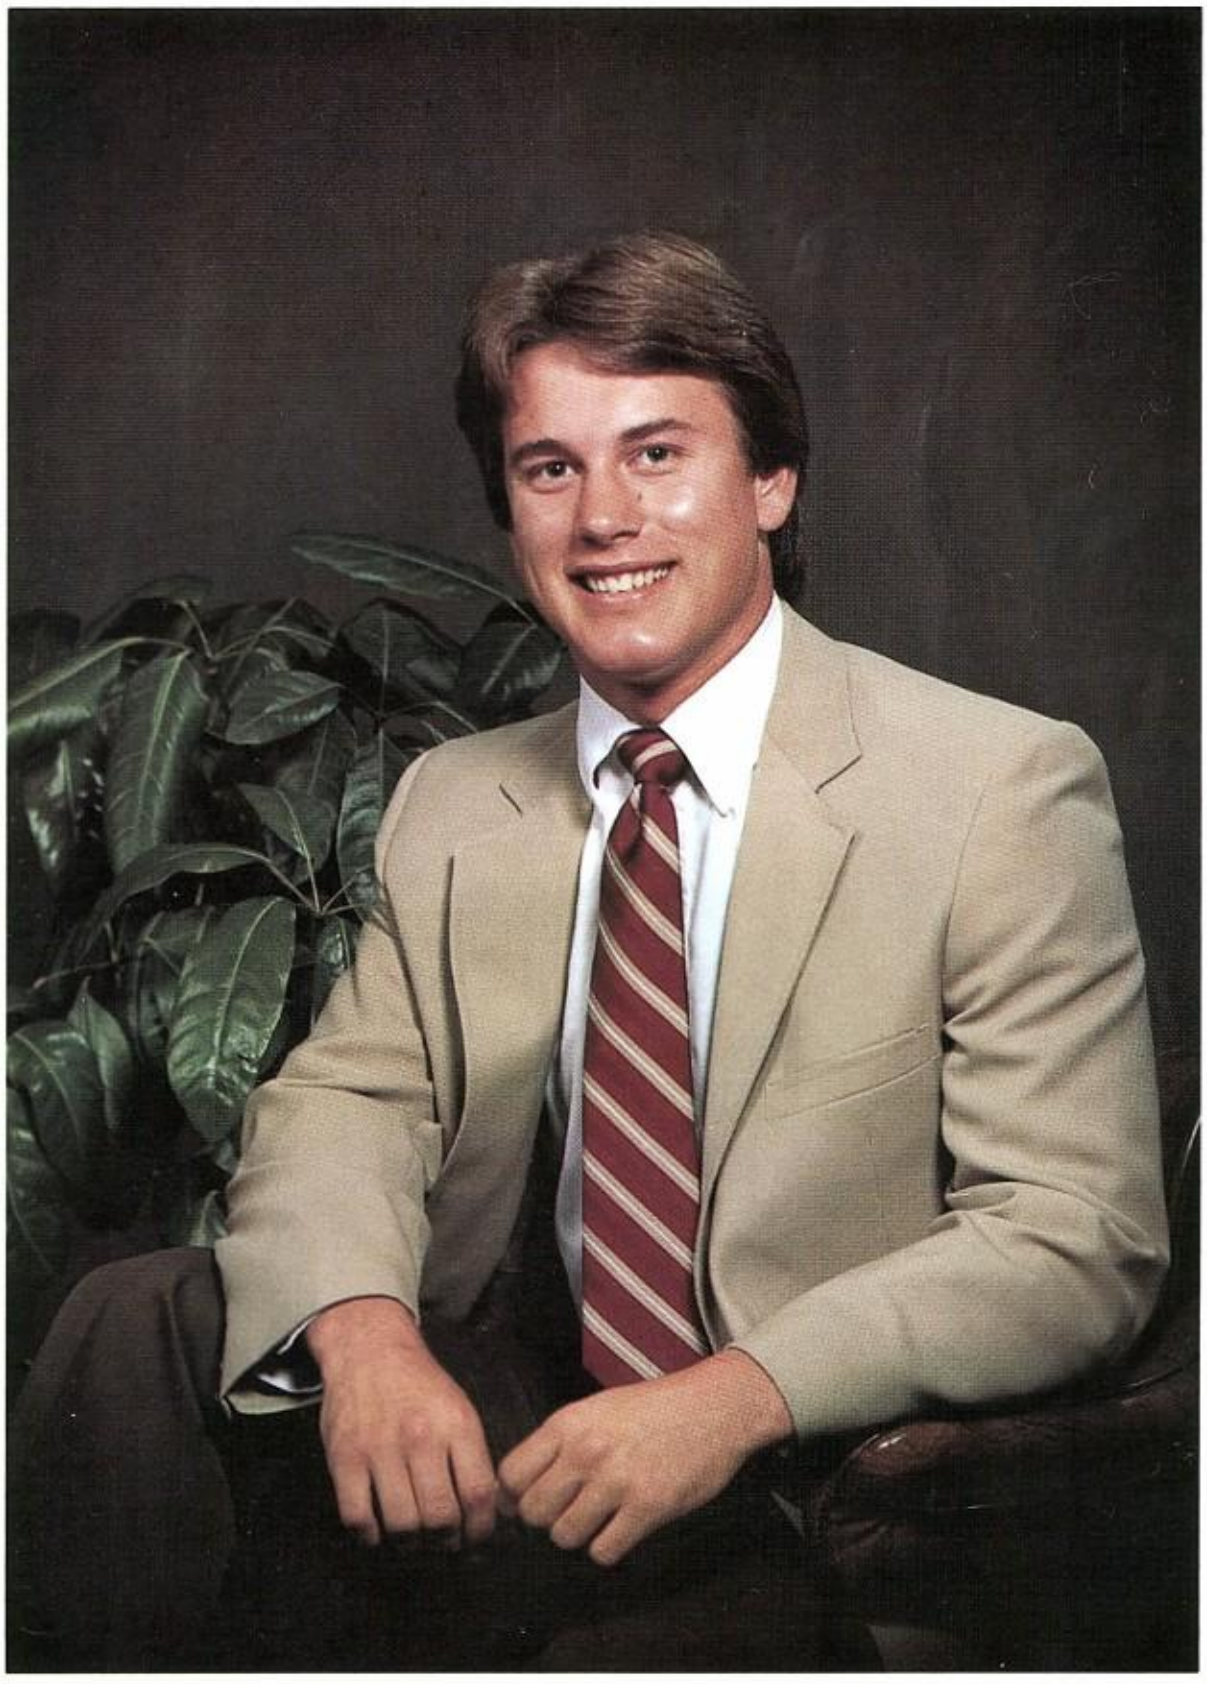
1. **TAKING** it easy! 2. **YOU'RE** right, Beth, tangerine sales aren't profitable. 3. **MR. COX** should be a cover model. 4. **PROFESSIONAL** photographers couldn't do better! 5. **THIS** group looks friendly! 6. **JILL** and Angela relax before the deafening pep rally. 7. **LET'S** all get in the picture! 8. **ALL** tied up and set to march! 9. **READY** with time to pose. 10. **JOINING** the onlookers Mrs. Holloway and Mrs. Bates look over just as the camera snaps. 11. **MIKE** reflects on a days work. 12. **MRS. BRYSON** is a favorite of all students.

Valerie Adds Life

Valerie certainly represents Harding perfectly. Full of energy and zeal she has cheered our teams on as a cheerleader, improved student affairs as a member of the Student Council and worked actively with several clubs and groups. What makes Valerie even more special is her way of molding all of her energy into a sweet, quiet and friendly spirit. Harding couldn't be represented by a more suited person!



Miss Harding
Valerie Fister



Brett Adds Life

Brett is also a person Harding is proud to be represented by. Brett has served the school as president of the Student Council, a job which he took very seriously. He has been a talented member of both the football team and the baseball team. More importantly Brett has always been a smiling encouragement to both students and teachers in everyday life. This year's Mr. Harding is an outstanding young man!

SPRING FEVER

Nearing the middle of March of last year, a change came over Harding Academy students. Some ignored their studies and were content to gaze out of classroom windows. Others became quite talkative, about matters other than school subjects, of course. When the three o'clock bell rang, the hall became alive with shouts and shuffling feet. All of the above are not characteristics of the usual winter "blahs." Something was different; there was a buzz in the air. Alas, it was the disease all teachers dread: Spring Fever.

As temperatures soared into the 60's and 70's during the day, wool sweaters were exchanged for light jackets. The tradition of escaping from the gym-cafeteria was once again revived. Daily during lunch period, students swarmed to the great outdoors to soak up some sun and breathe a little fresh air. Radios blared-temporarily, of course (we all know why). Teachers were constantly plagued with "Please let us go outside" and "Skip the lesson just for today, please." All of these requests were overruled and students remained trapped inside.

The seniors were given parole on May 17. After graduation, a large number of ex-seniors headed for the white sands of Ft. Walton Beach, Florida. The rest of the school, from juniors on down, hung around for two weeks longer, taking exciting and mentally challenging semester exams, always a favorite of the entire student body. Semester exams signify the end of the school year and the beginning of summer vacation.

There are many ways one may spend his vacation. Here are a few:

1. Working (always a favorite) is a well-chosen pastime for the summer. Saving for that new Z-28 is a worthwhile goal.
2. Hanging around is what a majority of Harding students do. Catching up on the soaps, getting some rays, and hanging out at McDonald's are some of the favorites.
3. Some of the students are quite industrious. They spend their summers in eager anticipation of the coming school year. They stock up on their pencils and notebook paper when on sale at Fred's. These students also enjoy studying the complex process of photosynthesis.

All good things must come to an end. One receives a copy of his schedule in the mail, a tell-tale sign of that dreaded day: the day of speeches, alias the first day of school. Sears begins its back-to-school sale and K-mart overstocks its shelves with lunch boxes and the fat first-grader pencils. Believe it or not, school has rolled around again. Oh, where has the summer gone?

1. **SOME** students go on vacation during the summer. This picture was taken while a student was on vacation in the Smokey Mountains, near Gatlinburg. 2. **KEN MILLER** gazes intently at his fellow classmates at the banquet last year. 3. **LARRY SISSON** struggles to throw the shot put.

The Drama Department presented the Toby Show on May 7 and 8, 1982. Three Acts were presented. "Pigeons" was one of the acts and Julie Wage and Keith Mosher both put on an excellent performance. Junior high students presented the "Brementown Musicians" in a very professional manner. Lastly, the Act ' Tweety" was presented. Tharen Haley, Karen Haley, and Keith Mosher worked to make this a very entertaining act. Between each of the Acts, the clowns entertained and kept everything running smoothly. The play was a success and it proved fun for all involved.

TENNIS

Tennis Team Excels

Excellence would have to be the word that best describes tennis at Harding. With the superb coaching abilities of Lynn Alsup, it is easy to see why. Coach Alsup has established a 93-28 record in his five years of coaching at Harding. In the past two years the girls have been district champions, and last year ('81), they were regional runner-up. Finishing the '82 season, the boys placed second in the district, while the girls were district champions for the third straight year.

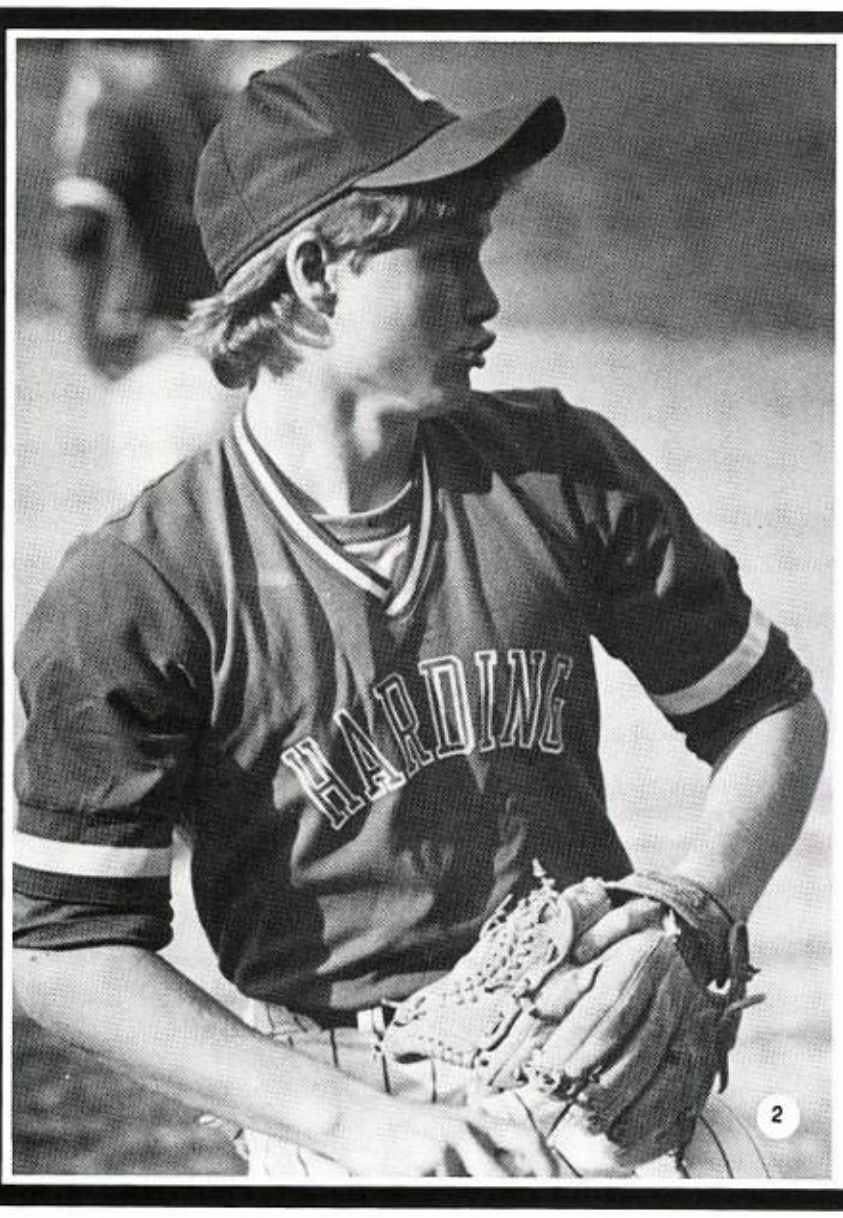
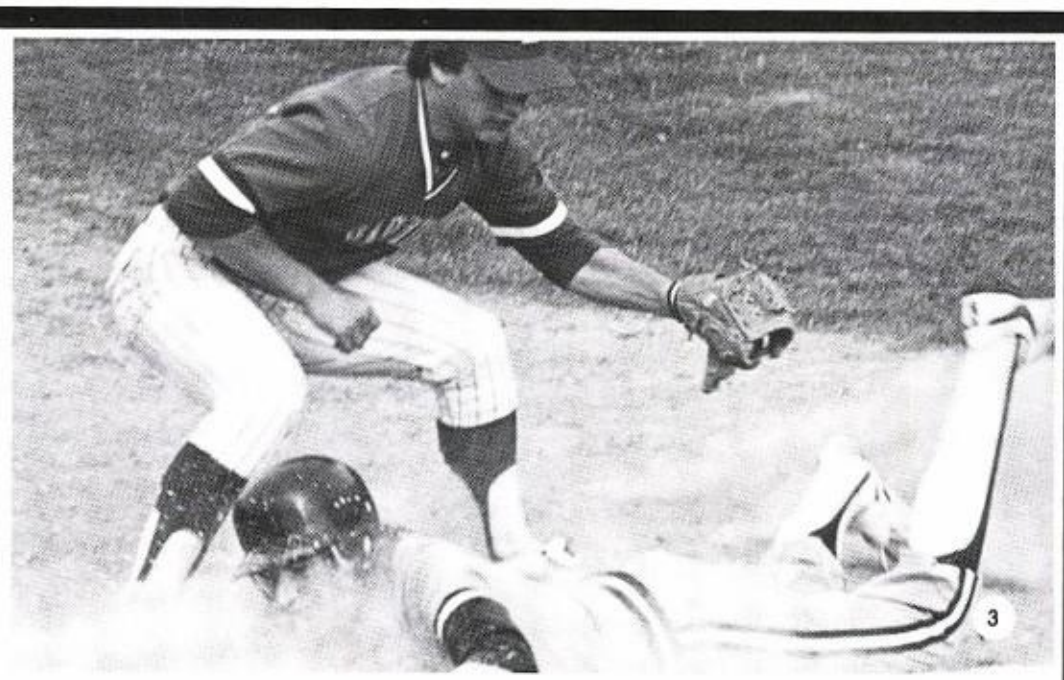
BASEBALL





State Runner-Up

As a rule, one of the highest honors any team ever hopes for is the chance to go to the "State," and the 1982 baseball team was no exception. Early in the season they discussed the probability of going and the work began. The baseball team blew past everyone in their district, and then had to go the quarter finals, where they defeated defending state champion White Station. Then they advanced and defeated Obion County 9-3 to qualify for the state. Although they lost to Beech High School, they still had established 18 wins in a row. Congratulations to the 1982 baseball team: District 13AA champions, Regional 7AA champions, and State runner-up.

The Rain, It Doth Pour

One of the girls' toughest competitors in the spring of '82 was the weather. The girls were all excited about their new uniforms, but due to the weather they did not get to wear them much. But when the rains did stop, the girls got their act together and performed very well. At the end of the season Valerie Fister received MVP.

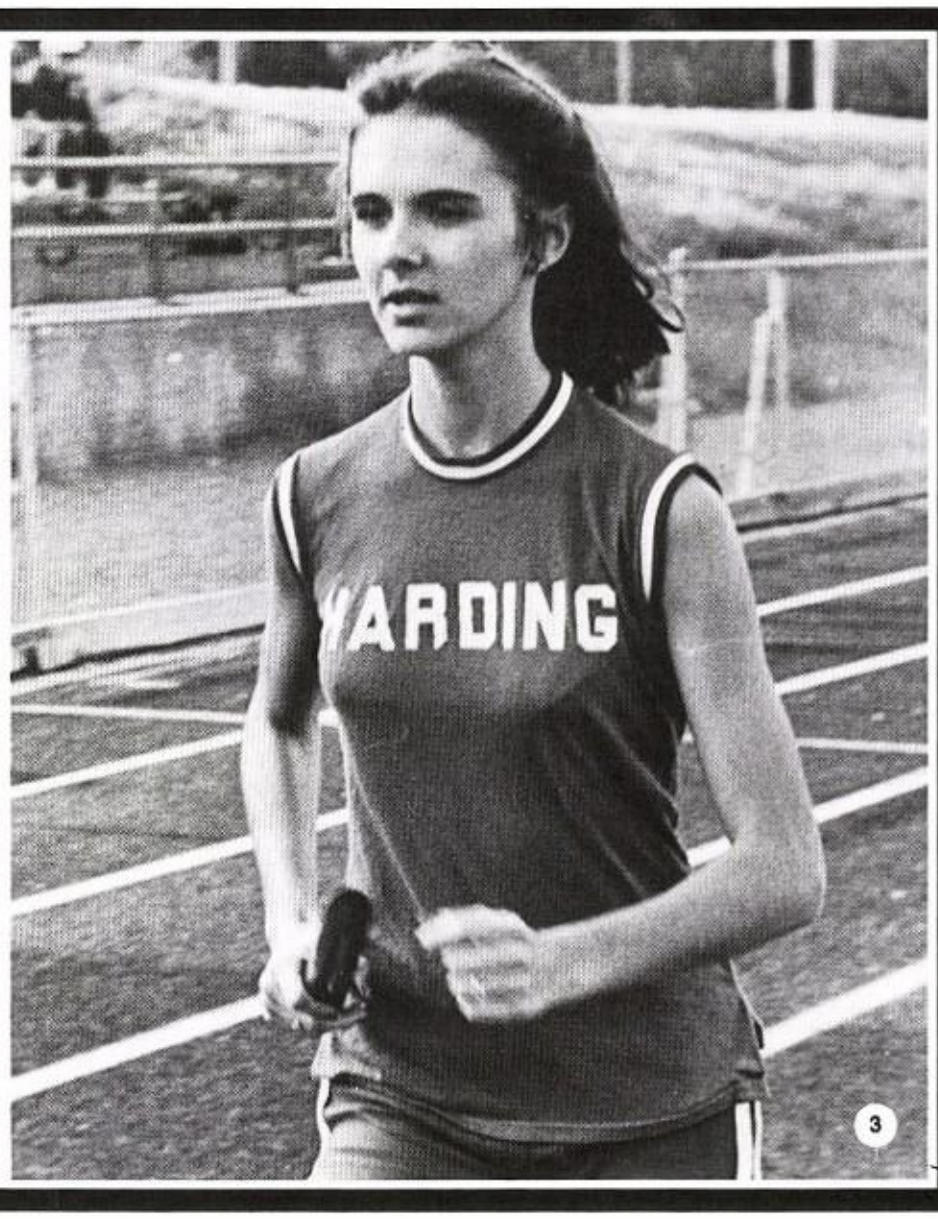
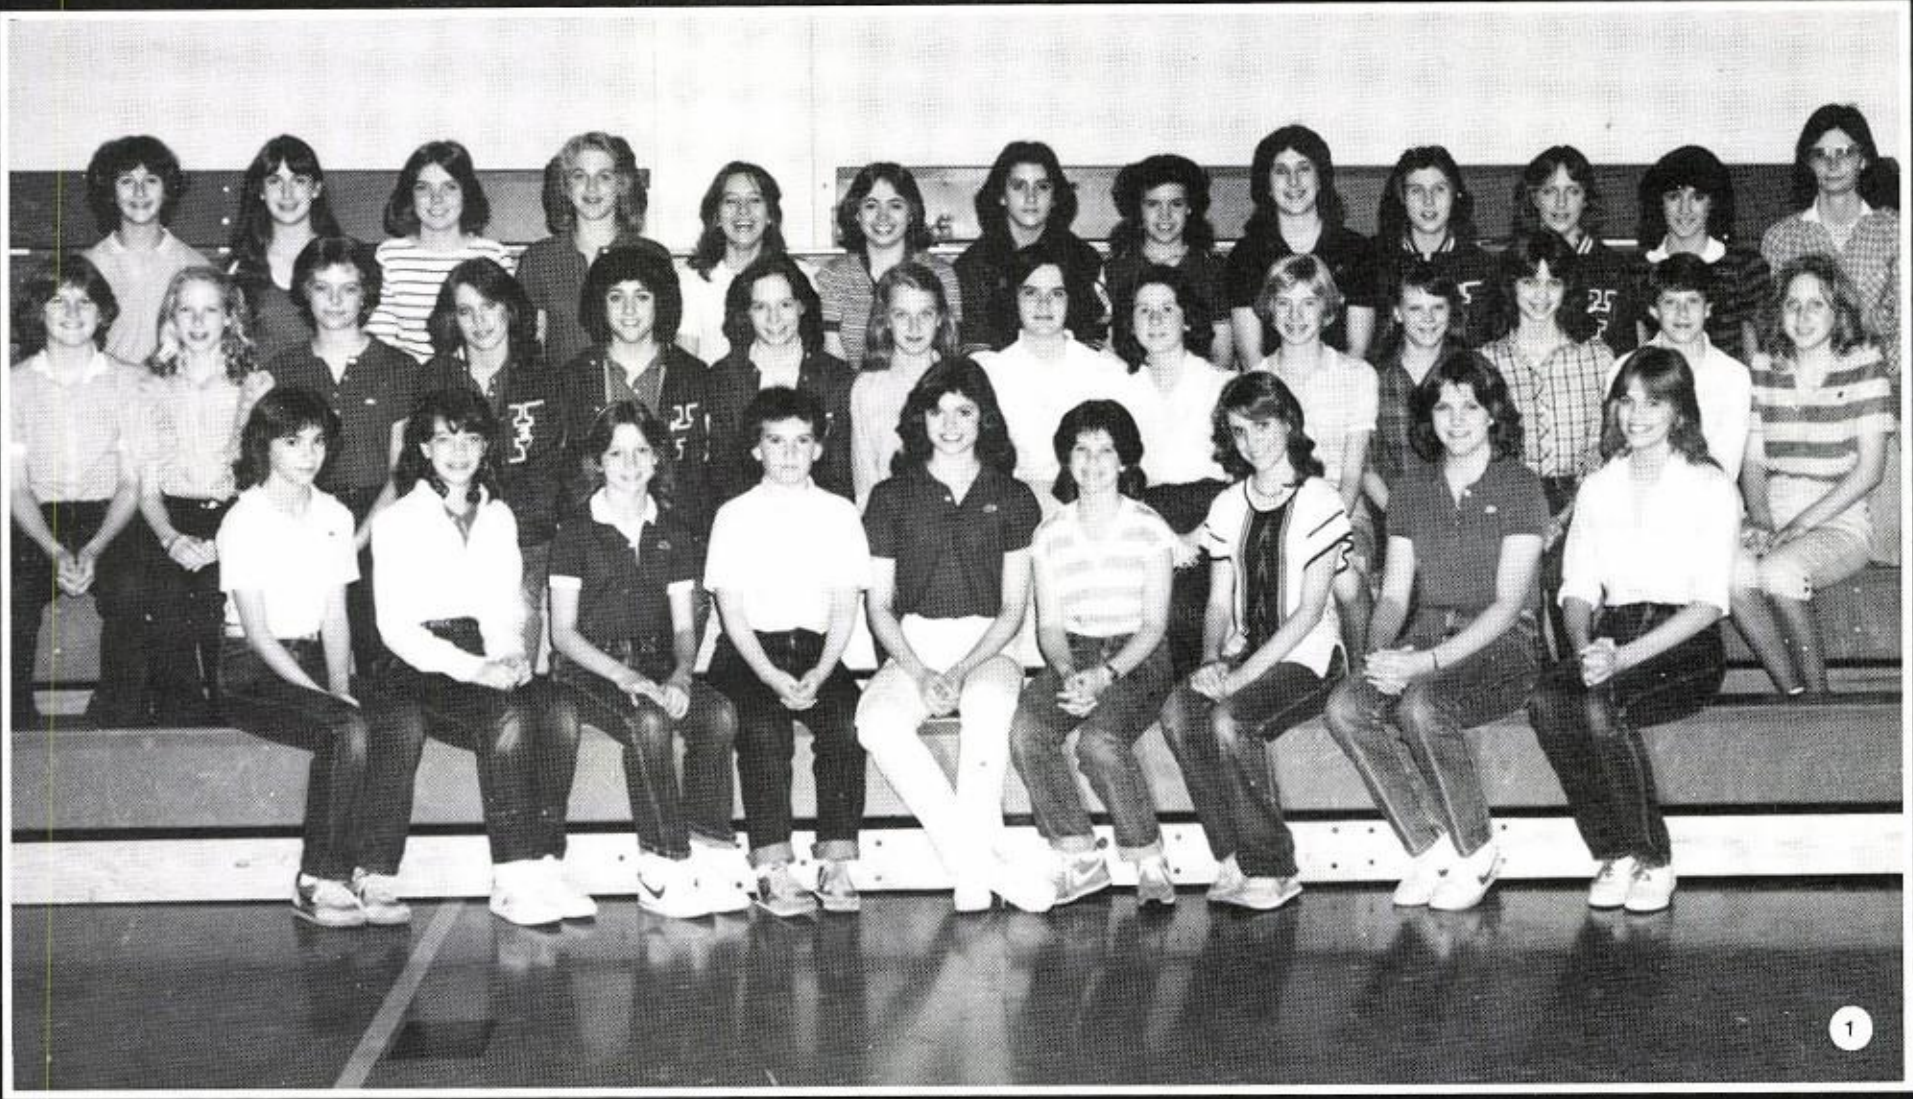
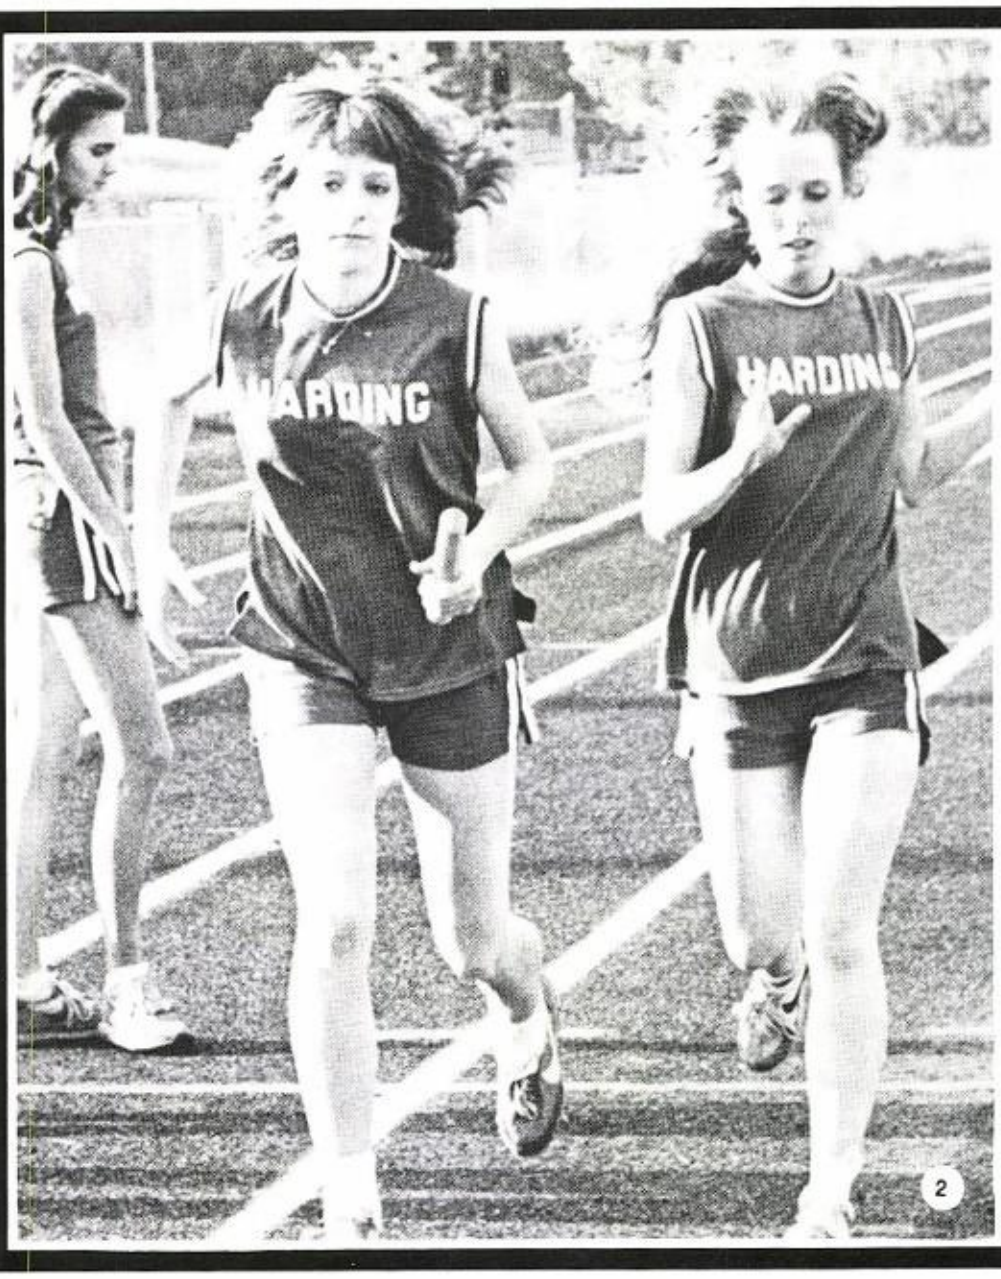
Like most of the other spring sports the track team got to compete against the extreme weather conditions as well as other schools. Whatever the conditions were, the boys track team excelled. The dual meet record at the end of the season was a 4-1 record, losing only to Briarcrest by one point! In the regional meet Danny Austin qualified for the state in the high hurdles. Coach Rubio said that he was pleased with the season.

TRACK







Year of Hard Work

In her fifth year of coaching, Peggy Matthews, along with the help of Karen Ijams, helped the girls finish with a 4-1 record. Many of the meets were very close and they were decided by the winning of the last event, the mile relay. As a whole the team of twenty girls put forth a good effort, and they reaped the reward of an outstanding season. Coach Matthews and Coach Ijams said for each girl to reach her potential by the end of the season she had to work hard and give what she could do better the team, not to be selfish with her talents, and to encourage others on the team.

Tradition Lives On . . .

A tradition at Harding Academy is the all-school picnic at the beginning of the school year. This much anticipated activity took place on Friday, September 3rd of this year. Students attended classes the first part of the day and were dismissed at the end of fourth period to get their lunches. They could eat in the cafeteria or outdoors. The weather was perfect: clear blue skies and mild temperatures. After eating, an all-school pep rally took place outside. The site was on the football stands. All four squads of cheerleaders were introduced and each performed a few cheers for the crowd. The band played a selection of songs, while everyone in the crowd clapped in time to the music. The pep rally ended with the Seniors' winning the spirit stick. All-in-all the picnic was a huge success.

MAGAZINE DRIVE

This year at Harding we did something new. Instead of each student paying class dues and each club selling something different, we tried our hand at a magazine drive. At first mention, this sounds like another one of those terrible sales where you have go door-to-door to push your goods. Not this time though! A magazine drive is really fairly easy. One just goes up to family, relatives, and maybe a few friends who he knows already take magazines and just asks them to renew through the school. A magazine drive has good money-making potential.

The school's goal was $100,000. This goal was set by the drive sponsors, Miss Peggy Matthews and Coach Jerry Escue. Miss Matthews and Coach Escue were very enthusiastic about the drive and felt this was a reachable goal.

The students were encouraged by the sponsors to put their all into it. Prizes were also awarded to the students for different achievements. The top daily salesman from each class received a steak dinner at school and the second top received a $4 gift certificate from Bonanza. The top twenty salesmen were invited to go to the Summit Club compliments of Dr. Bowie. There were ten special prizes for the top ten salesmen of the school, consisting of televisions, stereos, and radios.

A special event for the outstanding salesmen was the money scramble. The sponsors put a variety of coins in a large circle on the stage floor and the top salesmen from the first couple of days of the drive "scrambled" to pick up the most money they could carry in their hands. The scramble was very exciting and many students walked away with about $5. To add to the encouragement small prizes were awarded with different subscriptions, such as a box of M&M's with a **READER'S DIGEST** subscription and a poster with a **SPORTS ILLUSTRATED** subscription.

A skit portraying Harding students selling magazines in different situations was put on by Mr. Billy Pullen and his forensics class. Some of the situations were "valley girls," "Chris Fleming," and "Eunice and Momma." The skit added to the fun of the drive.

All together the ten-day-long drive was a success. Almost everyone got into it with full force. The school didn't quite meet the goal set but did raise a total of $35,792. The top salesmen of the school were:

1. Kelly Taylor
2. Shelby Ward
3. Tara Markart
4. Sherry Hewitt
5. Larry Sisson
6. Kelly Brown
7. Noel Troxel
8. Kathy Hays
9. Lewis Drash
10. Keith Foust
11. Mark Abington

We plan to have another drive next year and do even better.

JUNIOR MISS

The Junior Miss pageant sponsored by the senior class of 1983 was held on October 14, 1982. It was a night of entertainment for the audience and a night of extreme nervousness for the 13 contestants.

Each contestant did a wonderful job and all gained from the experience. The contestants were Dani Bingham, Delores Gard, Lisa Gillespie, Delayne Marcum, Raquel Rosenau, Julie Wage, Melanie Ward, Stephanie Werne, Lynn White, Laura Wileman, Leslie Willingham, Laura Word and Stephanie Worden.

Mrs. Evelyn Osborn and Mrs. Deb Holloway organized the contest. The physical fitness routine was created by Gayle Brown. Mr. Barry Lumpkin entertained the audience during breaks in the pageant and Mr. Leon Sanderson did a wonderful job announcing and presenting the contestants.

As the evening reached the climatic ending Melanie Ward was crowned the 1982 Harding's Junior Miss Stephanie Worden was chosen as first alternate and Julie Wage was chosen as second alternate. Delores Gard and Delayne Marcum were fourth and fifth alternates respectively.

BOOSTER'S CARNIVAL

The annual Booster's Club Carnival, held on Saturday, October 30, 1982, was a fun and exciting day for everyone. Classes, clubs, and other school organizations set up booths of various types to raise money for their yearly projects. The food booths were one of the main attractions, but the moon bounce, hayride, go-carts, and dunking booth added extra fun to the day. The carnival succeeded in raising money and producing fun for all involved. The Booster's Club did a great job again this year!

HOMECOMING COURT

On October 8, 1982 Valerie Fister was crowned as Harding's Homecoming Queen. She was one of three candidates chosen by the football team and voted on by the student body. Valerie has always been an active student, being involved in several clubs and serving as a varsity cheerleader.

Lynn Gilliland and Patti Childers were the chosen alternates. Both of these girls add a lot to the school. Lynn serves as a varsity cheerleader and participates in several clubs. Patti also participates in several clubs and has been an active member of the student council.

A representative was chosen by each class to serve on the court. Mandy Baker was the senior representative, Angie Baker was the junior representative and Jennifer Reid was chosen as the sophomore representative.

Homecoming With Memphis Music

Homecoming 1982 was a very exciting week for those who participated in the various activities. Keeping with the theme Memphis Music, the dress-up days consisted of Riverboat day, 20's day, 50's day and the traditional red, white, and blue day. A lot of work was put into the halls, skits, and especially the floats. The floats this year were bigger and better than the floats of the past because they were built on top of vehicles. The best part of the week was the pep rally. The Seniors with their cowbells, pots and pans, hats, pompoms, and their new jerseys gave it their all. During half time of the game, it was announced that the Seniors had won the overall competition between classes. The night brought much joy and many tears to the Senior class. All in all, Homecoming was a great success that resulted in bringing everybody closer to their friends as well as to their class.

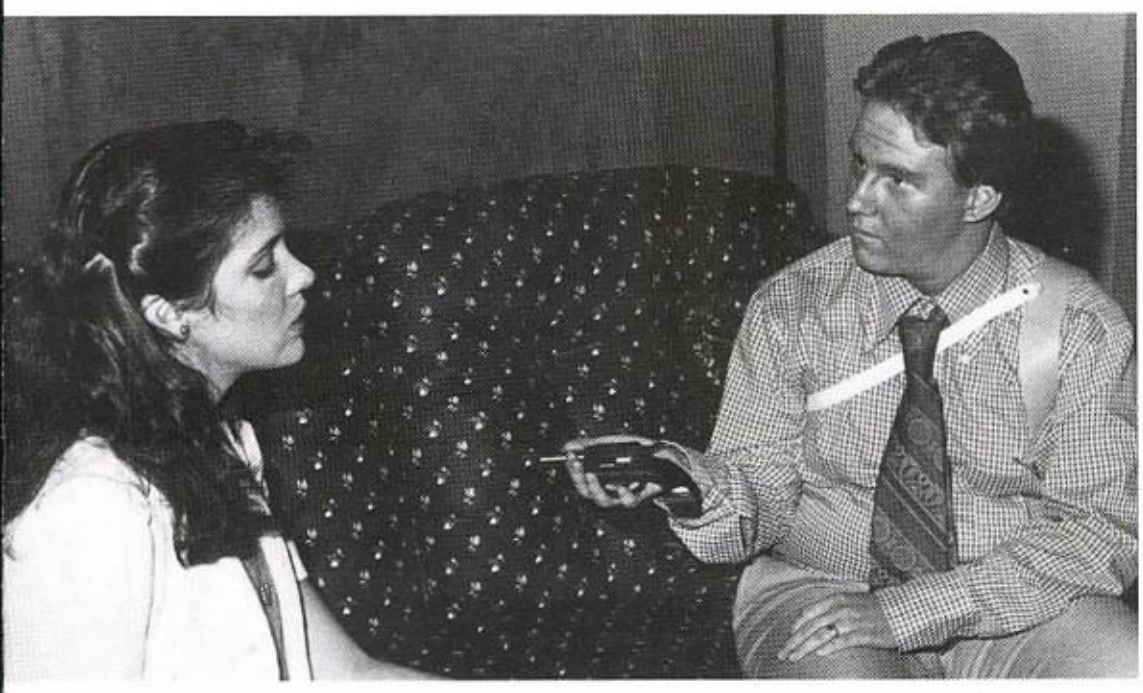
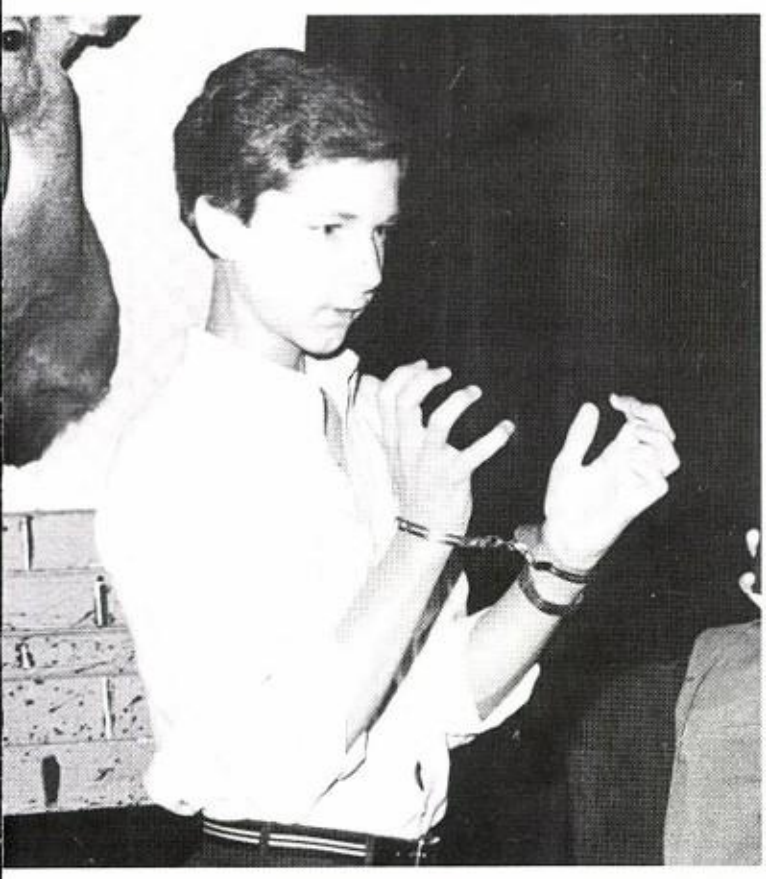
Catch Me If You Can

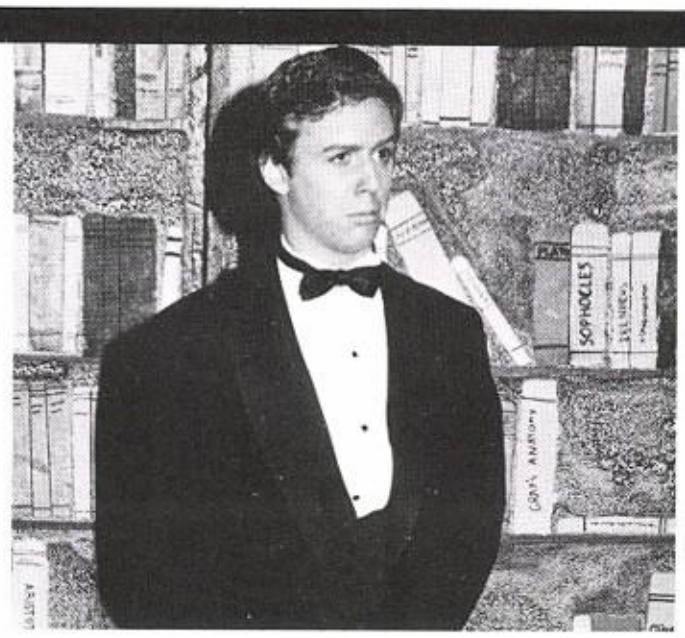


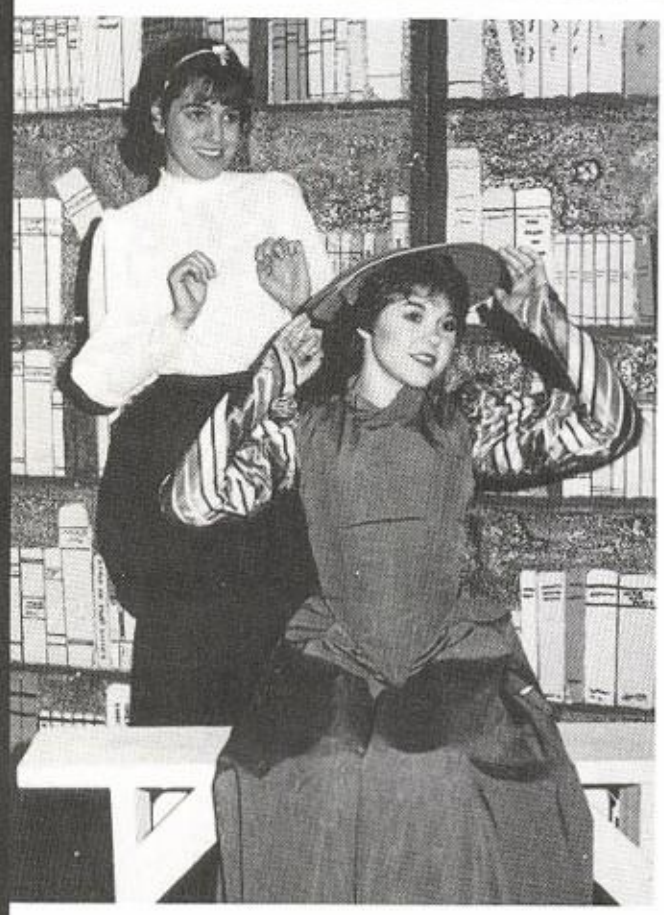
CATCH ME IF YOU CAN came from Jack Weinstock and Willie Gilbert's French play entitled *Trapped for a Single Man.* It was the second mystery produced at Harding Academy. It opened an exciting year of family theatre.

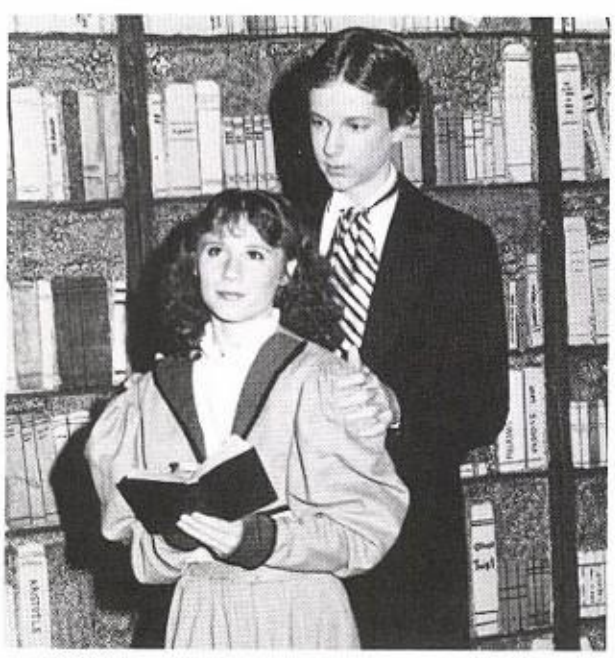
Under Mrs. Deb Rogers Holloway's excellent direction, Andy Olree played an anxious newlywed victimized by an imposter. Julie Wage's magnificent performance as Elizabeth Corban convinced the audience that she was the merciless imposter tormenting Daniel Corban. Adding amusement to the story, Dan Shill distinguished himself as the cynical Inspector Levine. Other outstanding characters were performed by Lisa Gillespie, Anne Marie Akin, Melissa Miller, and Wayne Houk.

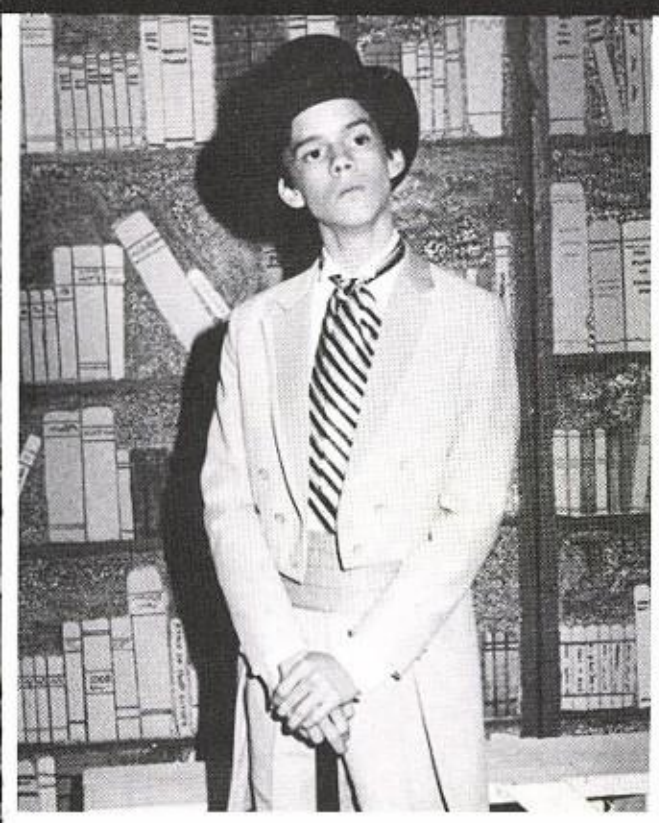


Ernest









The brilliance of the wit in Oscar Wilde's classic "The Importance of Being Earnest" continued to shine in Harding's musical version, "Ernest in Love." Director Mr. Billy Pullen and his cast provided full-house audiences with five nights of enchanting style — arid, satirical, egotistical, and marvelously enjoyable. Also, serving as choreographer and musical director, Mr. Pullen approached "Ernest" as artificial comedy. Nothing in this charming musical was seriously intended except the manner of comedy.

By the uniformity of the style in direction, choreography, and acting, "Ernest in Love" played as a superb musical comedy. As John Worthing, the inventor of a dissolute brother, Chris Hanson played with an ascetic arrogance that was enormously witty. As the overbearing Lady Bracknell, Anne-Marie Akin was tremendously skillful — the speaking and the walking gathered up into one impression of insufferability. Playing with the same icy condescension and excellent timing, Lisa Gillespie distinguished herself in the role of Gwendolyn. As the more rustic Cecily, Carol Winter was full of merriment. Beth Nohsey played the spinster governess with a sweet and nervous virtue. Andy Olree's Algernon was an excellent foil to Chris Hanson's John Worthing. Without rubbing the edge off the style, Olree maintained a dash of well-bred revelry into his acting. As the bachelor's servant, Russ Caughron was immensely entertaining; and Mark Williams was delightfully fatuous as the rector.

SOCCER

A Year Of Rebuilding

The Varsity soccer team underwent a classic year of rebuilding. Losing most of their seasoned players, this year's team had to search for some experience. However, the Seniors were determined to overcome this handicap, and they did. Under captain Pal Duke and co-captain Steve Hodges, the team was able to pull together and play well as a unit. Gaining experience in every game, the team gradually progresses, and at the end of their season they won their last regularly scheduled league game. This was a feat that none of the previous Harding teams have accomplished.

The year was altogether different for the Junior Varsity team. Every position was manned by an experienced player and they were able to produce a winning season. This team displays much promise for the coming years.

They've Got the Beat!

For spirit, let's hear it for the cheerleaders of Harding Academy. We have some of the best Varsity and Junior Varsity cheerleaders in the state. They have competed in competitions all over the state, and in most cases, they have placed first or second place.

The cheerleaders have very long hours of practice and prove it to us at the games and the pep rallys. They work very hard to cheer the Harding Lions on for a V-I-C-T-O-R-Y!

Lions Roar to the Finish

On November 5, 1982 the Lions ended their season with the sweet taste of victory. Through much hard work and skill they were able to compile a 5-5 record. Coach Escue was very impressed with the amount of determination the team displayed. In spite of being out weighed every game-sometimes as much as twenty to thirty pounds- they were still competitive in every game. Coach Escue was also pleased with the amount of closeness the team displayed, and they did their best in most cases. "I can't ask for anything more, it was my pleasure to be associated with them."

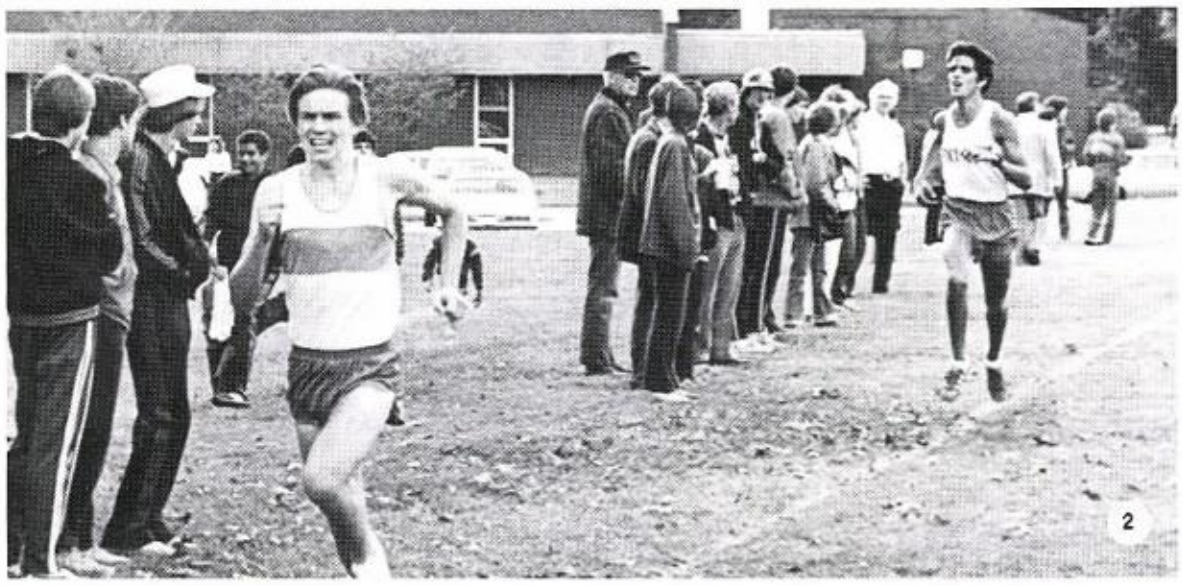
CROSS COUNTRY

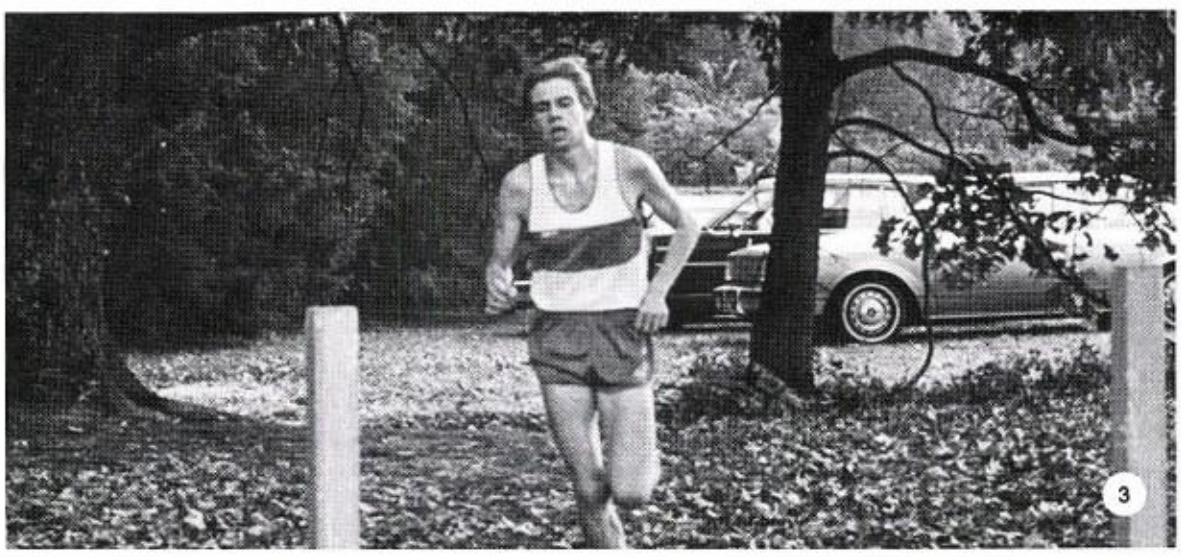
A Goal Is Set

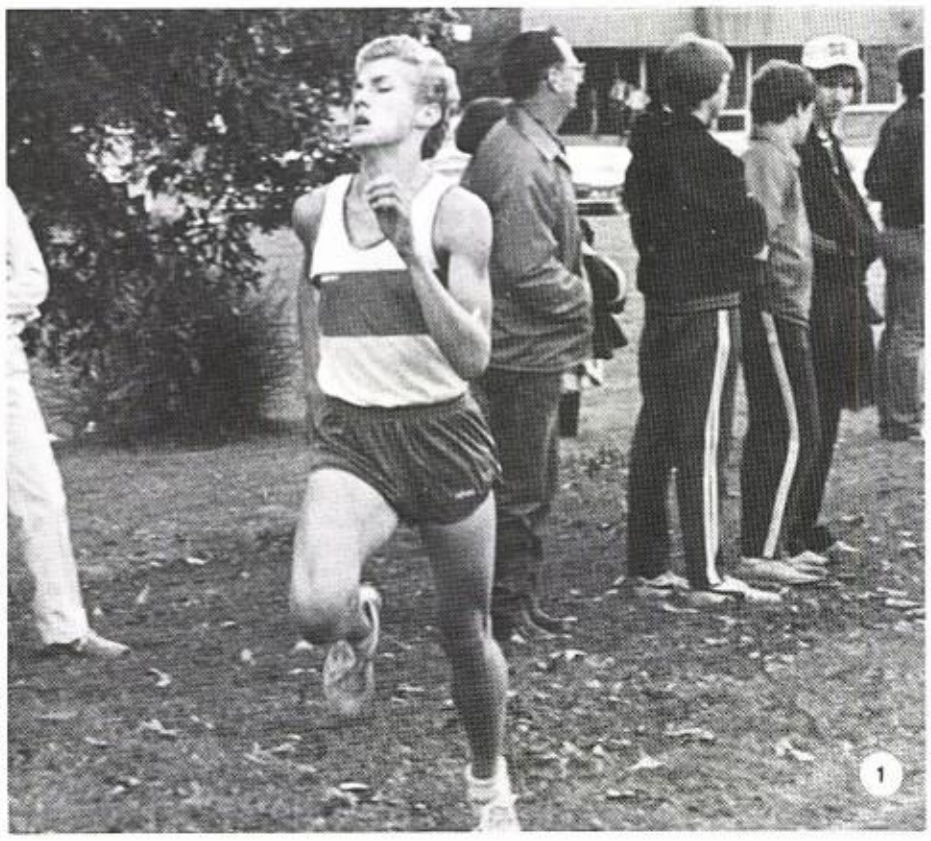
Cross Country's considered by many one of the most demanding, grueling sports around. Yet, it is probably one of the most unpopular as far as spectators go. Large numbers of fans do not come out to see one run, cheerleaders and bands aren't there to encourage you to finish the exhausting race. The few number of viewers, mostly parents, are greatly appreciated for their enthusiasm. But the true battle lies within the runner himself. The mind has to be just as strong as the body. Constantly in the runner's mind he tells himself and his fatigued body, just one more mile to go! Why do they do it? Because of the great feeling we have just conqured something few people even dare to start.

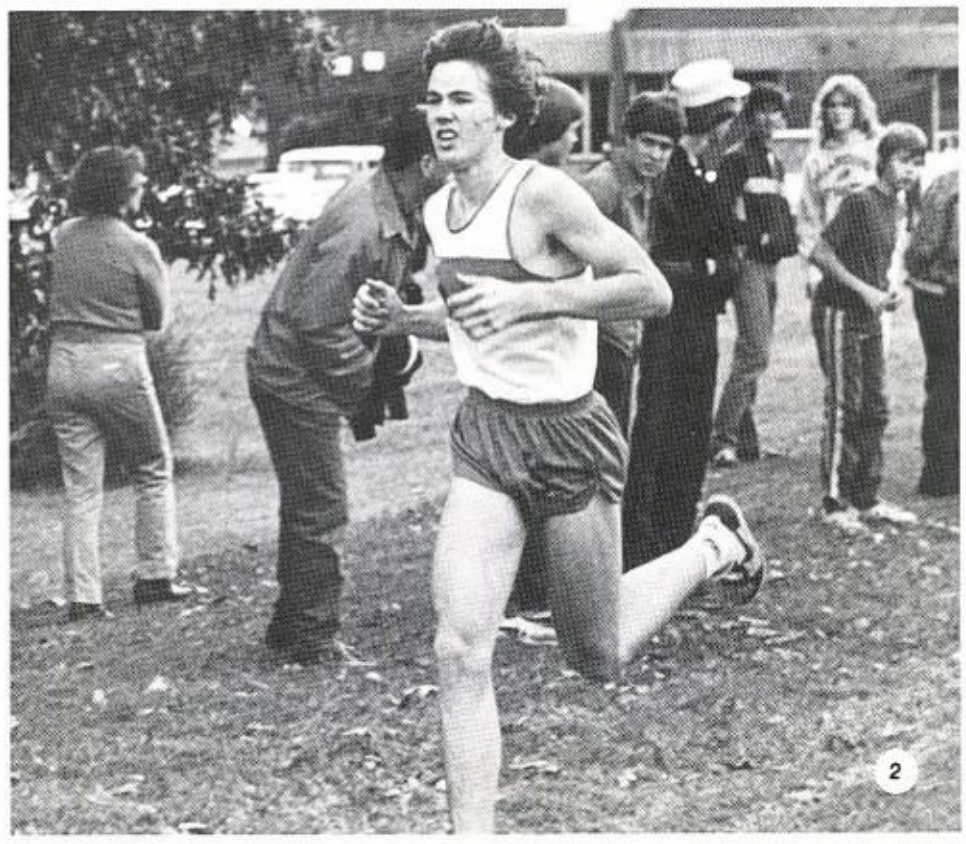
At the beginning of the season, the Harriers set a goal. This goal was to go to the State meet. They knew the road would not be an easy one; in fact it would prove to be a very long and hard one. They had the privilege of competing with some of the best runners in the state.

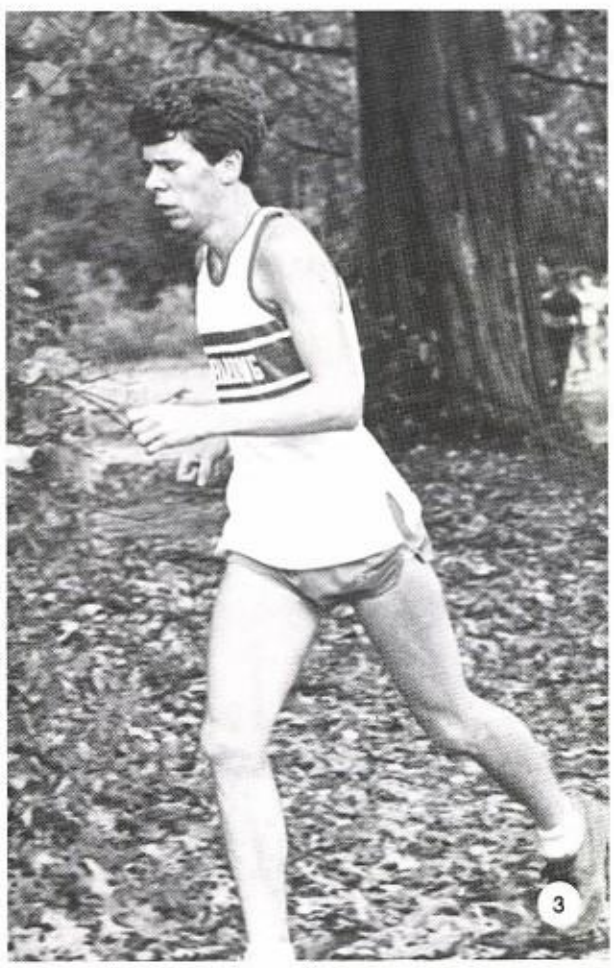
However, they were determined to reach our goal and under the superb coaching abilities of Ronn Rubio, they would. Each day every runner would work harder and always keep their goal in mind. Finally, their first dual meet of the season came, and it opened in victory. In fact, every dual meet ended in victory! This was a first at Harding and something few teams across the state could claim. Invitationally, they usually finished in the top

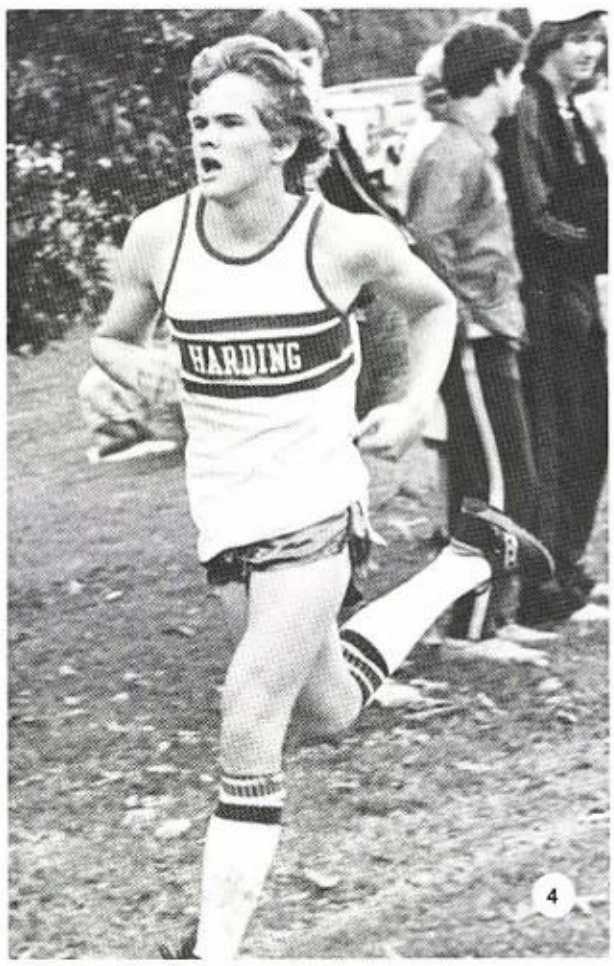


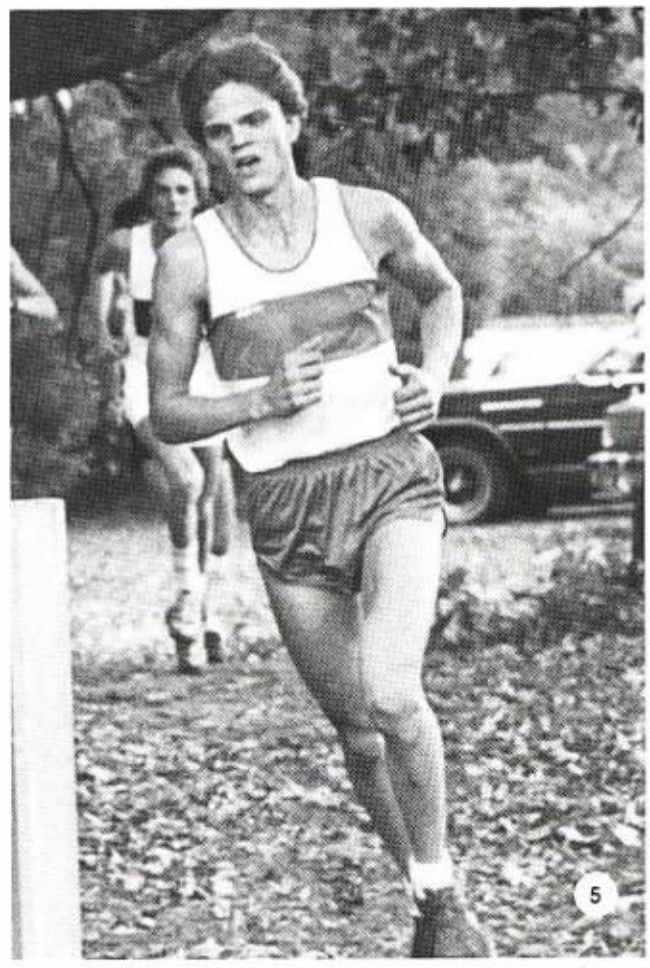












two, always loosing to CBHS, but Catholic was not far behind. When the regionals came they again finished second and they earned their way to the state meet.

Struggling against tall, frozen grass and sub-freezing temperatures, the Harriers lined up to run the race. For some this would be their last race. The race began; competition was good and in a few brief moments, the exhausting task was completed. Now came the waiting to see how they did. Finally, the places were announced. Every Harrier had given his best effort and they earned a very respectable eighth place, out of sixteen schools. A goal was set and, through determination, hard work, and the will of God, it was reached!

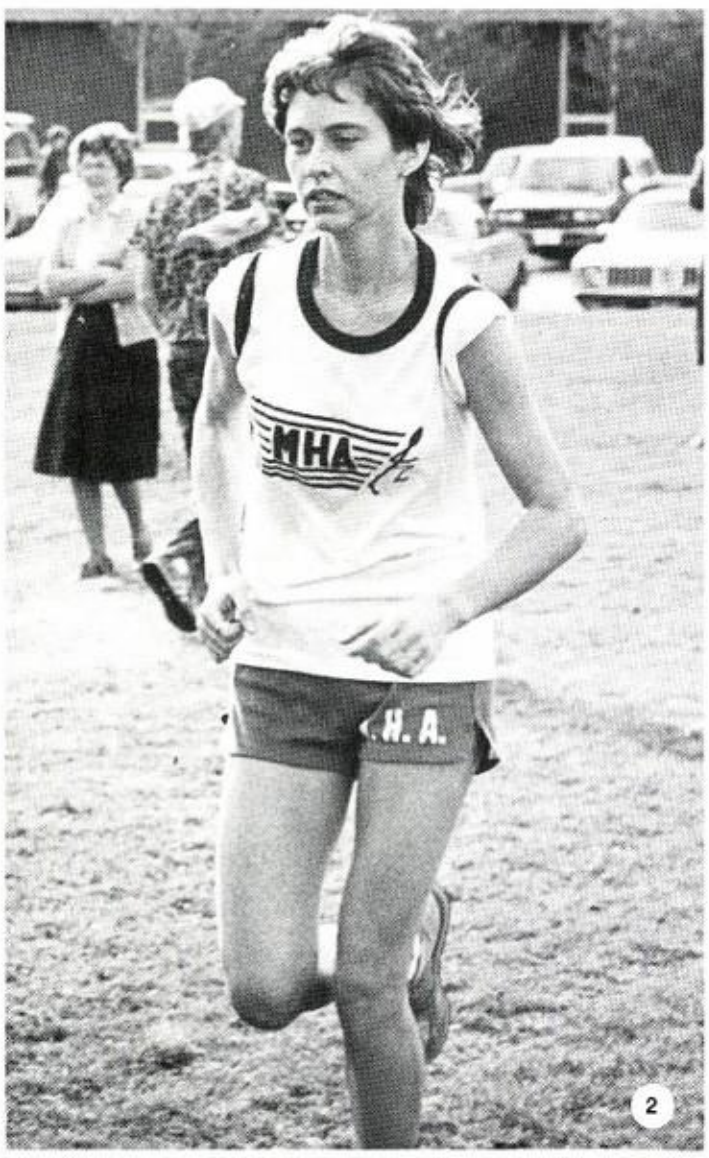
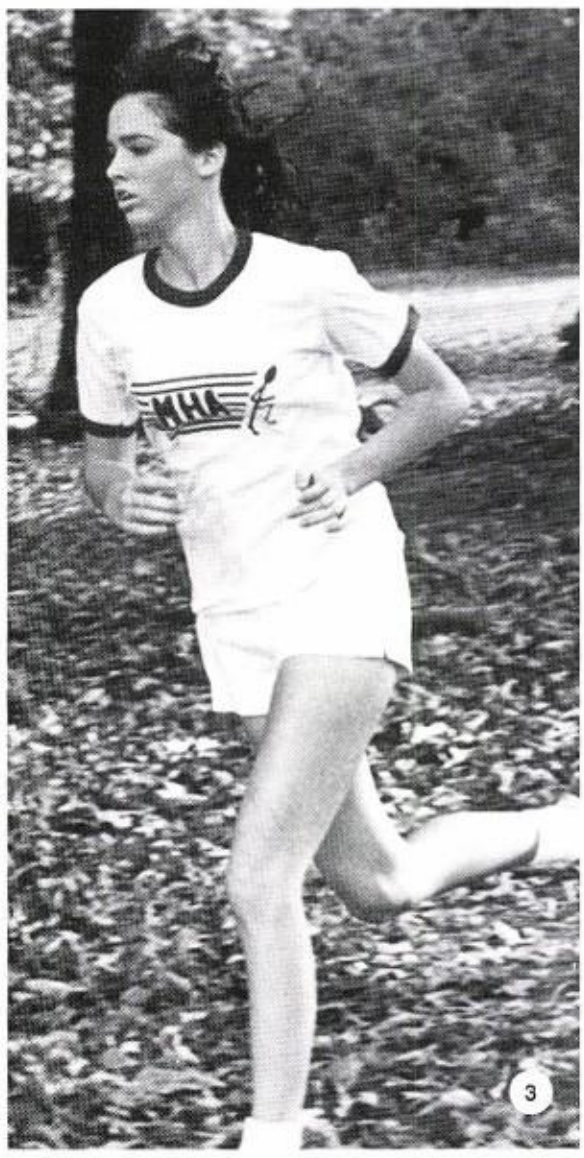
CROSS COUNTRY





Great Potential

Cross country is probably one of the most demanding sports for girls, both physically and mentally. Anyone who has the guts to endeavor in a two mile journey has every right to be honored, but that's not enough. Add a battle against the toughest elements Mother Nature can conjure up, and you have someone who deserves some admiration and respect. But cross country is not one of the more glamorous sports around.

However, at the beginning of the season, things did not look to bright. The girls were one of the most inexperienced team in years. But determined not to let the odds beat them, the Lady Harriers displayed more potential than was ever imagined. The girls displayed their potential by doing well in dual meets, and they marched on to a winning season. Coach Peggy Matthews was very impressed with the girls and their determination to work. She was also pleased with their season.

VOLLEYBALL

District Runner-Up

The Varsity Volleyball team started off the 1982-83 season with a new coach, Miss Nancy Kenley. The team worked very hard and in most of their matches, their self discipline paid off with victory.

On October 19 and 21 the team competed in the highly competitive District Tournament. They beat number one seed Memphis Prep, but were defeated in the end by Bishop Byrne. The girls received District Runner-Up and advanced to the Regionals. On October 25, the girls lost in an exciting game to Catholic. All of the girls contributed to what made the 1982-83 season a successful one for both themselves and Coach Kenley.

VOLLEYBALL

Future Looks Promising

Volleyball is a very popular sport among young girls, and at Harding it is no exception. Harding has a very extensive program which begins in the seventh grade and continues through the twelfth. All of the young teams did well this past season. Harding's volleyball future relies on these girls and if they keep up the hard work, it looks very promising.

Harding Brings Warmth to Winter

During a usually long, gray and drearing time of year we find unusual warmth at our school. This season is usually a time of short yet slow, cold days and vacationless months which seem to be eternal at times. Harding does a lot to keep boredom out of these months.

Winter is, of course, basketball season everywhere and Harding is certainly known for its sports fans. Evenings will find Harding's bright gym filled with excited fans. Wrestling is another winter sport that kept the players in shape and the fans interested. The Drama department has again saved its crowd drawing musical for the winter. This year "The Sound of Music", an all time favorite kept its cast members busy while they had fun at the many rehearsals. Theatre patrons were of course delighted with a winter evening of theatre entertainment. The Fine Arts week held the first week of February certainly kept the blahs out for everyone concerned. The list is endless, for teachers, students and the administration have all done little things throughout the winter to make it a very warm and happy time.

Fashion

Fashion is a very important element of everyday life for people. Most people love to shop for clothes. Getting a new piece of clothing always makes one feel better. Fashions are ever changing. Something might be "in" today and "out" tomorrow. The different "in" styles can range from the cowboy to the tuxedo look. Some people stick to one look and others have wardrobes containing a mixture of all styles. Whatever one chooses to do, clothes and fashion are a major part of life.

FUN. Fun clothes were really a fad this year. Mini skirts and ankle pants were in. New wave tops with stripes and puffed sleeves were a must for someone wanting the wild and outrageous look. Bright and odd colors were brought out in clothes of all types.

AUTHENTIC. Designer clothing, a strong trend for some time, was still going strong. The basic look of designer jeans with a name brand shirt went over well. Designer sweaters, shoes, belts and keyrings, ect. were also available, with Polo, Agner, and Jordache topping the list of names seen everywhere.

SOPHISTICATED. One of the newest looks in fashion for last year was the tuxedo look. Basic black and white were the main colors for this look. Tuxedo shirts came in a variety of styles and tuxedo pants were seen with or without pinstripes or cumberbuns. Bow ties were a popular addition to this look.

HEELS. Low heels were back in again last year, especially low-heeled pumps. One of the year's favorites, black pumps with a bow on the front, was seen everywhere. Open toes and patent leather were seen in many different combinations.

IZOD. Prep, having been in for quite a while, was still in this year. Izods were the essential part of this look along with topsiders, penny loafers, and button downs.

ORIGINALITY. Even if someone tries to go along with the trends in fashion, one still needs to add his own touch. Originality is something everyone should strive for. One can stay in style and still be original.

NOVELTIES. Novelties were very "in" last year. Shoe laces decorated with everything from rulers and balloons to Garfield and E.T. were seen on almost every tennis shoe. Other popular novelties were rock buttons and friendship pins.

The night finally arrived when the Juniors were to gather together to receive their class rings. All attending must admit they had a fun filled evening. Among the distinguished speakers were Mr. Sanderson and Dr. Bowie. Dr. Bowie mentioned that a ring means a seal or committment to something. That night the Juniors made a seal with their school - Harding. The evening wasn't all serious, entertainment was provided by Kerry Riggs, Kevin Holliman, Chris Cook, Darrell Sharp, and Angie Baker. The climax of the evening was the distribution of the class rings. All those who received their rings were delighted.

King and Queen of Hearts

In the middle of winter, when school seems to get a little tiresome, Harding gets a week of fun and excitement. This special week is Valentines Week and it helps to bring on Spring with its spell of spring fever. This year Memphis even had the spring weather to go with it.

Every year special students are honored by their classmates during this week. Each class nominates two favorite classmates to represent them as a part of the Valentine Royalty. The basketball teams nominate senior class members as King and Queen nominees.

February 17, 1983 Brad Bowers and Connie Reasons were selected as King and Queen. The other nominees were Brad Johnston and Lisa Morton; Tim Harrison and Lynn Wooton; Steve McElhaney and Angy Tobias.

The representatives from the other classes were Scott Ralston and Beth Brock, juniors; Micheal Curtis and Helen Hampton, sophomores; Murray Sanderson and Laurie Miller, freshmen; Monte Daniels and Lynn Harris, eighth; and Princess and Prince were Joellyn Adair and David Morgan, seventh.

The Sound Of Music

The Hills Are Alive . . .

The setting is Austria in 1939. The country is being taken over by Nazi forces from Germany. Caught in the middle are a nun, Maria, and a naval captain, Georg von Trapp. Add to this the captain's seven children and irresponsible Uncle Max. You end up with the wonderful creation of Rodgers and Hammerstein, **THE SOUND OF MUSIC.**

This musical was presented on February 24, 25, and 26 at Harding. But the two months before this were what made the production a success. Cast and crew alike worked long hours perfecting lines and set pieces. Weather intervened at least one or two times, making rehearsal impossible. This meant the cast had to work twice as hard. But, all-in-all, the musical, directed by Mrs. Deb Holloway, was a complete success.

Close, But No Cigar

Perhaps the 1982-83 season will be best remembered for the many close calls that occurred throughout the year. Many of the boys' games would be lost by a three point or less margin. Others would be forced into overtime, but the end result would be the same: close, but no cigar. Probably one of the biggest disappointments came when our boys lost to top-notch Briarcrest by one point in overtime.!

But the many close calls was not the only negative factor that hampered the team this year. Numerous injuries occurring to various key players did nothing but make matters worse. Finally, the varsity basketball team was able to pull itself together again, and really let their Lion pride show.

Coming On Strong

After last year's team made it all the way to the sub-state game, this year's girls knew they would not have an easy road to follow, especially after they lost many key players. But through a lot of hard work and dedication this year's team has represented Harding well. Some highlights of the year's records show the Lady Lions defeating the Lady Saints twice, along with numerous victims who have fallen prey to the Lady Lions. The girls all agreed that Coach Kenley has really helped them make it through this year.

WRESTLING

Those Amazing Animals

Wrestling is one of those sports you don't hear much about, and what little you do hear you don't understand. But despite its unpopularity with the fans, wrestling is a coveted sport by its' participants. Under the coaching of Tim Perry and Fred Phillips, these grapplers practiced up to three hours a day. All of these hours of practice are needed so they will do well in their minute matches. Six minutes may not seem very long, but considering a wrestler uses all of his strength and quickness, if he relaxes for one second he may lose the match. Despite its small size this year's wrestling team has done well against its larger competitors.

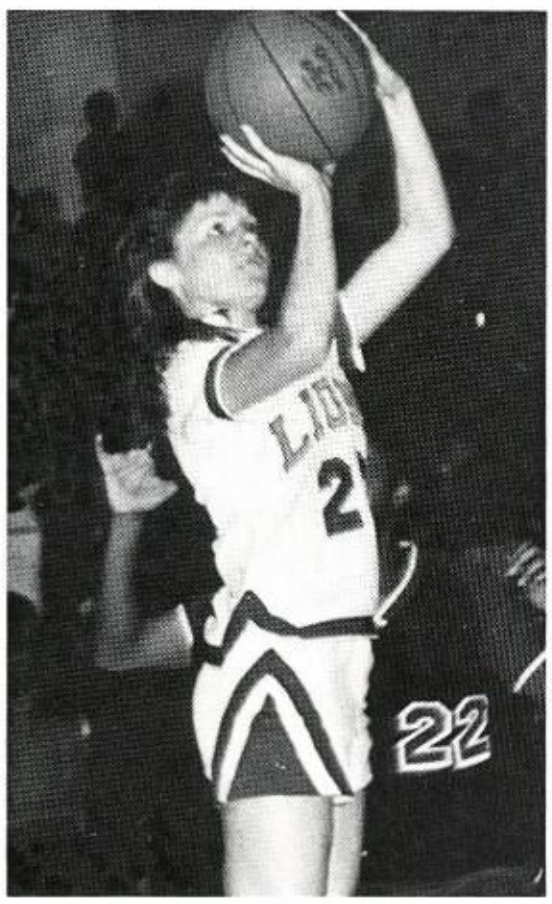
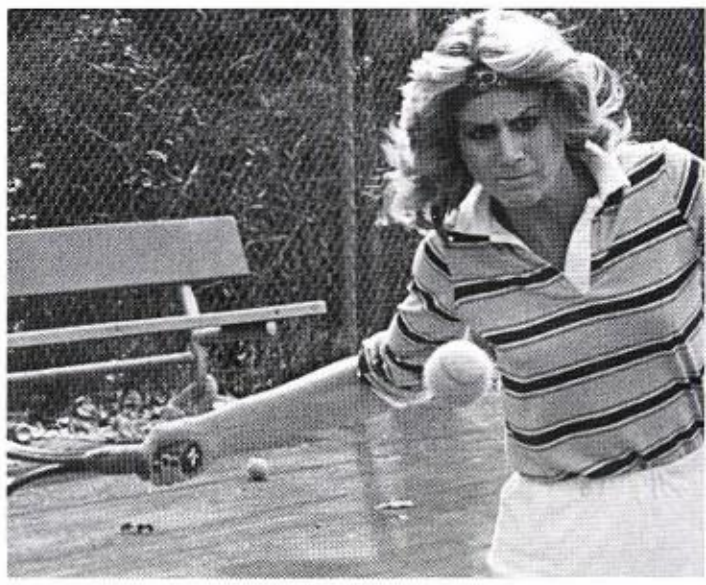
SPRING . . .

As last year's spring season was coming to a close, emotions were high in the area of sports. The baseball team had finished an outstanding regular season, and advanced on to the state series. At the end of the series the Lions had lost, but still remained as State Runner Up. Keeping up the winning tradition the tennis teams, both the girls and the boys did well in the regular season and District play. Performing well each of the Varsity track teams compiled a 4-1 record. Also the boys sent Danny Austin to the State meet. Although many sports were not affected by the weather, the golf and softball teams were plagued with rain, but when they played they did well. But the climax came when the Commercial Appeal announced the Best of the Preps award, and Harding won the AA division. Congratulations go to everyone who helped make it an outstanding year in sports.

FALL . . .

The beginning of school brought about the beginning of another year in sports. Many of the athletes had worked all summer long in conditioning themselves for their respective sports. The volleyball team had a season of new beginnings: they not only had a new coach, but many of the players were new to the game, too. They managed to put their handicaps aside and became the District Runner-Up. Rebuilding was the name of the game for the soccer





team, due to the inexperience of many team members. However, they were able to pull together and kept up the tradition of winning the last game of the season. The football team also had a problem with inexperience but they still managed to achieve a 5-5 record. Coach Matthews had a big surprise when her young cross country team "far surpassed their goals and expectations." Excellence could best describe the boys cross country team as they managed to have an undefeated dual season, something few teams across the state could do. All their hard work paid off when they placed second in the Regional meet and in the state meet. At the state meet the cross country team finished a highly respectable eighth. There is a chill in the air now, but it is still warm in the hearts of the athletes who worked so hard in establishing their team's victories and helped in giving Harding that great winning spirit.

WINTER . . .

As fall froze into winter, athletes retreated from the frigid temperatures and headed inside to the gyms. Basketball seems to dominate the winter sports circle. At Harding there are numerous teams from the seventh grade all the way to the twelfth. The Varsity Boys have had several wins and many of their losses were by three points or less. Unity seemed to be a key factor for the girls, and it helped them to win many games. Another winter sport is wrestling, and this year's wrestling team though small in number was tough in competition.

All though the weather outside was frightful, the competition inside was delightful.

Student Council

The Senior High Student Council got off to a good start this year with the theme "Everybody is Somebody". This theme was originated with unity in mind. One of their many projects was the Student - Teacher highlights. This commends students and teachers for going the extra mile in helping their fellow man. The Council sponsored the Powder Puff football game, Christmas baskets for the needy, and Homecoming corsages.

Junior High Student Council

The Junior High Student Council represents students in grades seven through nine. It includes four executive officers, class representatives, class presidents and presidents of major clubs.

The major activities for this year were collecting food for Thanksgiving baskets, sponsoring the Easter Seal Shoot Out, and the Easter Seals Million Pennies campaign. Members worked hard to make their school an even better one. The Junior High Student Council is certainly an asset to Harding's program.

Servanettes

The Servanettes is a service group. They serve the school and the community. They repainted the rails on the football field bleachers. The club also works at the Junior High concession stands during the basketball season. Each year they help the Kidney Foundation by selling Tootsie Rolls. At Christmas they pick a family and provide clothes and gifts for them.

Key Club

With the exception of their Key Club Sweethearts, the Key Club is the only all male club at Harding.

The Key Club concentrates on servicing organizations around Memphis and Harding.

They collected money for the Le Boneur Childrens Research Hospital, they managed basketball concessions during the season and in early spring they hosted a talent show.

The Key Club is a group of fine students, willing to help an organization in any way.

NHS

The National Honor Society, an organization which many students strive to become a part of, is composed of students who have maintained high grades during high school. To qualify for membership in the National Honor Society, sophomores must have an A average, juniors must have an A-, and seniors must have B+. Newly eligible students are inducted in a special ceremony held in March.

Some activities for the year included sponsoring pony rides at the Booster's Carnival, a Christmas and spring banquet, and a field trip during the spring. The money raised by the club was spent on chairs for the reading room of the library.

Jr. Beta Club

One of the many clubs for junior high students is the Junior Beta Club. This club is for outstanding students who have an overall B+ academic average and who have been at Harding for at least one complete year. The club is sponsored by Miss Kay Pedigo, who has been with the club since it began in 1978. Some of the club projects are a tutorial service offered through the Guidance Office and financial help for groups like Agape. The club takes two trips a year to different places in the city. For the outstanding student, membership in the Beta Club represents satisfying recognition of his achievements, as well as a chance to serve others.

Biology Club

The Biology Club is one of Harding's largest clubs numbering close to fifty members. The club is academically centered with a goal of acquainting members with life activities and enhancing members with a knowledge of life science.

The club is a non-money making club, however, dues are paid by members and spent on supplies, fees, gifts and refreshments. One day each year Mrs. Saunders takes members on an all day field trip of scientific interest.

Aesthetics

The Aesthetics club was organized last year and is sponsored by Mr. Reed Oliver. This year the club has doubled in size with a much greater interest and involvement. The Aesthetics club consists of people who are interested in art or have taken a year of art. The purpose of the Aesthetics club is to increase the aesthetics awareness of the club members, student body, and community.

Spanish Club

The Spanish Club is one of the two foreign language clubs at Harding and is sponsored by Mr. Ted Parks. To be in the club one must currently be enrolled in a Spanish class or interested in the Spanish World. The Spanish club does many things over the course of the year. The club provides a booth at the Boosters club carnival each year and this year they sold nachos and dip and had a dart throwing board. A Christmas dinner and a spring banquet are always on the agenda for club members. The club also participates in the foreign language festival. Some of the members hope

German Club

The sponsor for the German Club for the second year is Mr. Mark Bixler. Members of the club have either taken German or are presently taking German. The major project for the club was a haunted house in the Booster's Carnival. The members worked hard and it was a success. In December, they went on a retreat. The trip everyone in the club looks forward to is the Fruhlings Festival. The German Club was a very active club, and the efforts put forth made the activities successful.

Thespians

One of the most active clubs at Harding is the Thespians. To get in Thespians one must work over 100 hours in Harding theatre and pass a two week initiation. The active Thespians strive to bring the audience Christian theatre with their four productions. This year's productions include: *Catch Me if You Can, Ernest in Love, The Sound of Music,* and *The Habbit.*

The International Thespian Society has honored Harding's troupe and sponsor, Mrs. Deb Holloway, by recognizing them as one of the top thirty troupes in the nation. Harding students can be proud to be associated with this fine theatre club.

Jr. Drama

The Junior High Drama Club is for students interested in the theatre. It is open to grades 7-9. The students have the opportunity to work both onstage and offstage. Many of the members participated in plays such as "Earnest In Love" and "The Sound of Music". Many of the members go on to be Thespians and outstanding additions to Harding's drama department. This year the club is sponsored by Mr. Michael Semore.

Friends Club

Progress is the word that best describes the Friends Club this year. The club's Big Brother and Big Sister program got off to a roaring but friendly start. Members helped the seventh graders become adjusted to the school and the seventh grade. As each quarter rolled by, a new little brother or sister was added. The members as well as the seventh graders enjoyed parties, outings, and get togethers.

The club is sponsored by the Guidance office. Future plans for the program are for it to be extended into the Jr. High. This should take place next year. The Friends Club is a friendly organization, and just one of the clubs that helps make Harding unique.

FBLA

Future Business Leaders of America is composed of students who have taken a business course. The club participated in many activities throughout the year. For Thanksgiving, food baskets were made for needy families, and for Christmas, toys were collected and delivered to children at a local children's home. Members sold "I Love the Lions" bumper stickers and had bake sales to raise money for the state tournament held each spring in Murfreesboro, Tennessee. Club members who had earned enough points to qualify for the tournament participated in contests covering all business subjects. The final event of the year was the banquet where the most active members were recognized.

DAC

The DAC (Dactylology) club is a very special organization at Harding. It was set up at Harding last year by Anjeanette Jones. DAC is short for Deaf Awareness Club as well as Dactylology. The club strives to get more students to realize the importance of knowing sign language and being able to communicate with deaf. Harding University has had a Dactylology club for several years and it has done a tremendous amount of good. This year the club is made up of junior high students but next year they hope to include high school students also. The future holds a lot of growth and goodness for this club.

Jr. Pep Club

The Junior High Pep club is the school's largest club. It is made up of a fine group of spirited girls. These girls work hard to make Junior High fun and exciting. The club manages parties and helps with athletic events. During junior high, when girls are just getting used to high school life, this club is especially rewarding and important. The younger girls get a chance to work hard to be their best in high school. The Pep club serves an important purpose and helps many.

FSIC

FSIC, which stands for Friends and Sisters in Christ, is a Christian organization formed by the school. The idea of the club is to set forth an atmosphere of unity while attaining a more Christian attitude by doing service projects. One of their projects was giving toys to the needy children. They also provided a hayride for the Boosters Carnival. The president for FSIC this year is Patti Childers. The sponsors this year are Pat Roller and Donna Pinkerton.

CIC

The CIC, Current Issues Club, is now divided into two different groups, the Local CIC, and the U. N. CIC.

The Local CIC is involved with the local government around the Memphis area. They have been involved with the mayoral elections and have taken polls in government issues. They are concerned and want to help governmental issues in anyway they can. Local CIC had bake sales throughout the year in order to raise money to help a little boy get a Boy Scout uniform. They also sang Christmas carols at Duraham Memorial Home for the retired citizens.

The U. N. CIC is mainly concerned with government in the United Nations as a whole.

In January they participated in a model U. N. meeting at Southwestern. They were divided into teams with their own countries which they represented at the meeting.

WAC

The Woman's Athletic club is designed to promote girls' athletic programs. This year the girls worked on a 30 point system where they received a point when they came to the meetings and worked in the concession stand. When the girls met their total 30 points they received a t-shirt. The club gave Dr. Bowie a picture of his cabin in Arkansas for his birthday. The beautiful picture was an original by Betty Malone. The frame for the picture was generously given by Mr. Robert Austin. The girls worked hard to raise money selling notecards, saving newspapers, candy wrappers, and aluminum cans. With the money saved, the club bought a crushed ice machine. Overall the WAC club had a great year and a lot of fun.

SHIELD

The Shield Staff members carry very important and demanding duties. This year's staff took on these duties with great gusto and ambition. There were only three returning staff members but the new members were eager to learn and most learned very quickly.

Last June the staff had a four day workshop during which they made the annual's major decisions such as the theme, the cover, and the book's basic layout. This workshop helped to make the year run smoothly and to give the members a chance to get acquainted with one another. Throughout the year the staff worked hard and creatively to make the 1983 Shield a great book.

FOOTPRINT

The FOOTPRINT staff is responsible for putting together the elementary yearbook. The FOOTPRINT is the yearbook for pre-first through sixth grade at all locations. Each staff member is assigned a location and is responsible for the material on that school's students and administration. The staff members group together to do the elementary sports. Working on the annual requires a lot of hard work, time, and creativity, and these members put in all three of these in great amounts. They always produce a quality annual, one the students will cherish for a long time to come.

Forensics

Beginning its season by winning a fifth place national title in San Francisco, Harding's forensic team continued its tradition of excellence. Under the direction of Mr. Billy Pullen, the team captured over seventy individual trophies and certificates in dramatic, humorous, poetry, and prose interpretation, duet acting, public speaking, and readers theatre.

Besides winning sweepstakes trophies at White Station High School and Memphis Catholic, the team received state honors at Austin Peay St. Univ., East TN St. Univ., and Lambuth College. In addition to state-wide acclaim, Harding's forensic team achieved prestigious honors at the University of St. Louis, Henderson St. Univ., Harding University, and the University of San Francisco.

A CAPPELLA

The 1982-83 school year was full of concerts and activities for the A Cappella. The chorus began its year with a short trip to Arkansas. During this trip the chorus sang at Harding Academy in Searcy and at Central Arkansas Christian Academy in Little Rock. During the busy holiday season the chorus sang downtown at Mud Island and City Hall. They also performed a holiday concert for family members and friends at the school auditorium. The chorus kept busy during the second semester singing weekly at various church of Christ congregations. The year's highlight came in April when the chorus had its annual spring tour. This tour returned the singers to Searcy for a chapel performance at the University. The chorus also visited Houston, Texas, for a chorus festival, and Jackson, Mississippi. The chorus finished off its successful year with its Spring concert. Through the year the chorus was led skillfully by its hard-working director, Mr. Jim Chester.

Three Groups of Special Singers

Harding's Junior High is full of special people with budding talents. Mr. Chester helps to develop their talents in singing with his three Junior High choruses. The three groups are kept busy through the year learning songs for their several concerts, including the holiday concert in December and the concerts at Harding's elementary schools in the spring. All three groups boast of talented and special people.

MHA Marching Band

The Beat Goes On And On

The beat does go on and on at Harding Academy. That beat is provided by the band. Pep rallies, parades, and football games are enlivened with some of today's top hits. The members of this organization practice long hours weekly to entertain and to learn. Harding is represented at many competitions around the Mid-South. Their field show this year won top honors at Jackson, Milan, and Memphis State competitions. Much of the credit goes to the band's director, Mr. Barry Lumpkin. Mr. Lumpkin has been with Harding for several years.

One of the highlights of the year was a special invitation to play at the World's Fair in Knoxville. While there, our band played for the crowds attending the fair in its last month. In the planning is trip to Disney World over the spring holiday. A Christmas program was presented in December, as was the spring concert in May. Several of the outstanding players were chosen to be in the All-West Tennessee Band. Another special honor was awarded to Carla Andreas. She was nominated to be a member of the McDonald's All-American Marching Band. This is a great honor, as she was one of the two nominations from this area. Congratulations to Carla and the whole band!

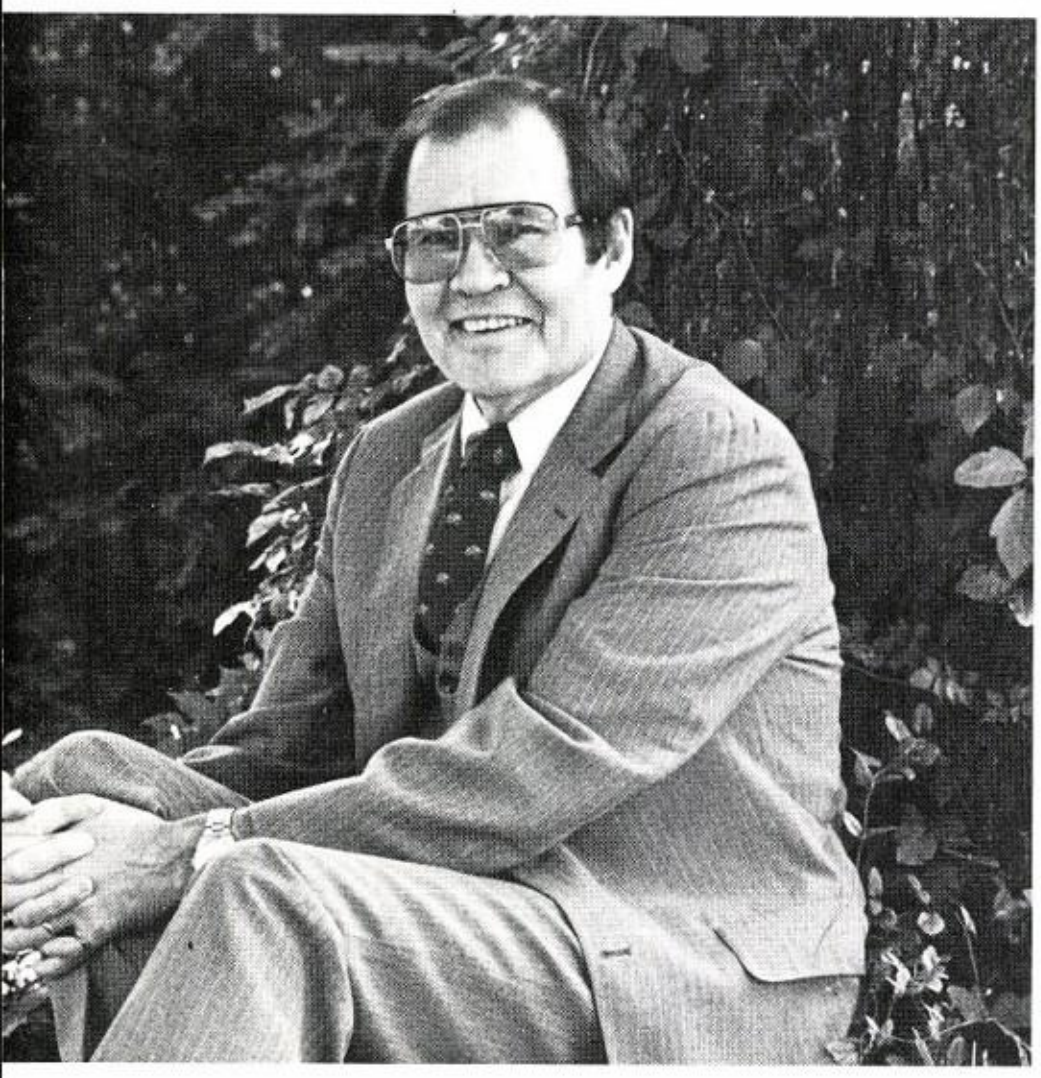
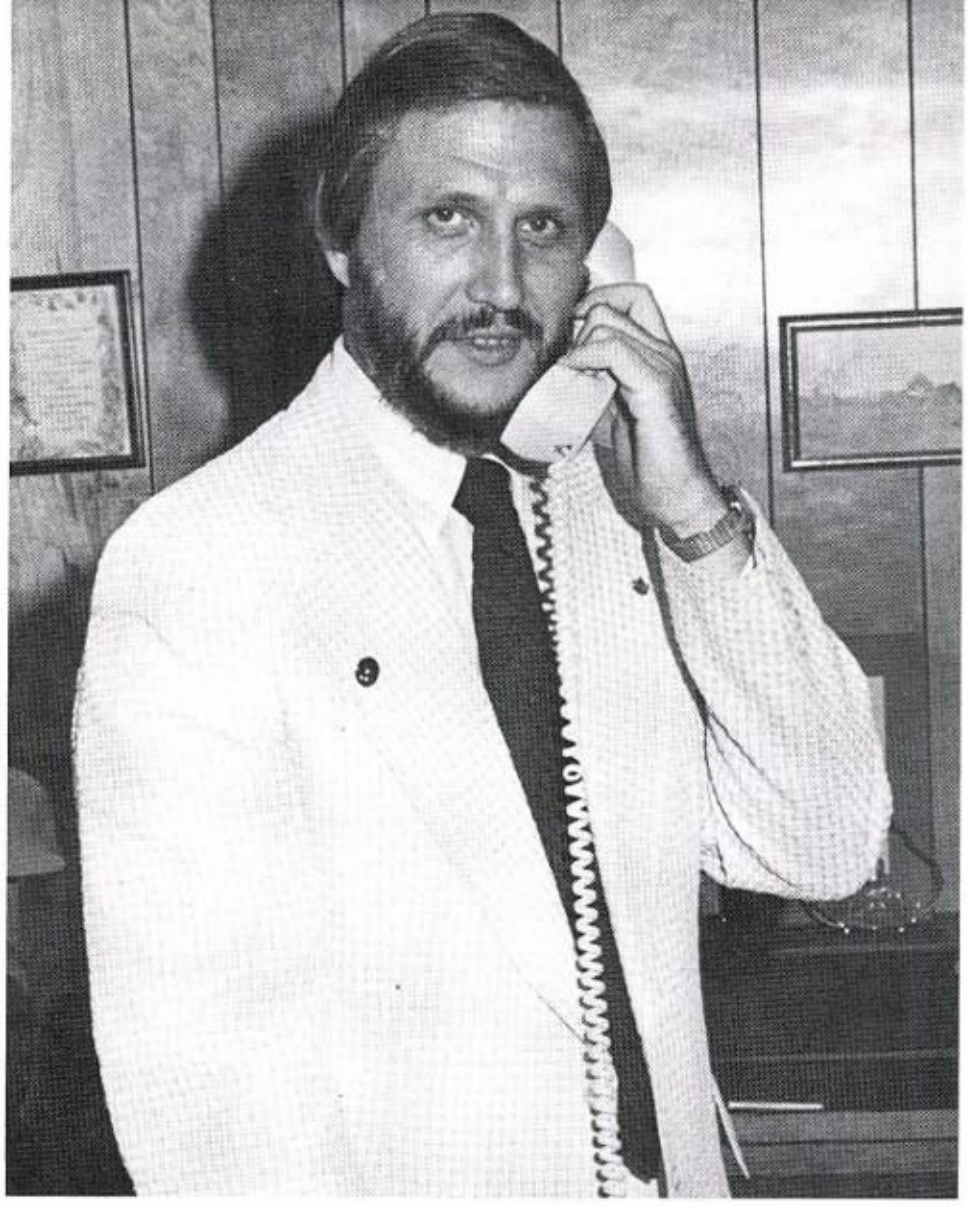
ADMINISTRATION

"**HARDING IS . . . a way of life. It is great to be in a work that cannot be separated from your family life, church life, or recreation but where they are all so integrated that it just becomes a way of life.**" Dr. Bowie has been with Harding for twenty five years. Three of those years he served at Harding Academy in Searcy and he has been superintendent for Memphis Harding Academy for twenty-two years. Dr. Bowie has seen much change in the school during his years here. He is a very busy man and his job carries a great deal of responsibility. Dr. Bowie says that his most important job is to select capable supervisors and coordinate their work for balance in the total program. Specifically, his job includes setting general school policies and controlling the financial responsibilities such as the budget, tuition, and other funds. Dr. Bowie is involved in many student activities. He attends athletic events, band events, drama presentations, and other activities at Harding.



DR. HAROLD BOWIE



MR. FRED PHILLIPS

"**HARDING IS . . . young people. They make life worthwhile.**" Mr. Fred Phillips shows his interest in young people each day at Harding. Mr. Phillips' job demands a great deal of contact with students of all grades, seven through twelve. As the dean of students, his duties and responsibilities are varied. He works with discipline and student conduct. Mr. Phillips handles activities outside the academic realm and he is involved with public relations. The absentees are also kept through the office of the dean of students. Mr. Phillips attends sporting events along with many other activities at Harding. Mr. Phillips says that his job overlaps with jobs of other administrators and all the administrators work together to help each other. Mr. Phillips is also a senior class sponsor and he says that this is one of his most enjoyable jobs because he has the chance to work closely with every member of that class. Education and teaching have been a very large part in Mr. Phillips' life. He taught elementary school for seven years in New York and he taught at Getwell Harding Academy for two years and he also served as principal there. Mr. Phillips has served Harding for six years as dean of students.

MR. KEN COX

"HARDING IS . . . a way of life. It is more than a job. It affects all areas of my life." Mr. Cox says that there is nothing he would rather do than to be at Harding because there is a special environment at Harding that involves the students, parents, teachers, and administrators. "Harding is a place with a lot of freedom inside a structure and the basic framework is made up of Christianity." Mr. Cox feels that many changes have taken place at Harding because of this freedom and flexibility. Harding has been allowed to grow. To Mr. Cox, Harding puts Christ in everything, not just the church, and Harding is people trying to behave in a Christian manner and teach others to do the same. Mr. Ken Cox has been at Harding for eight years; for six of these years he has been business manager. As business manager, Mr. Cox has many duties. He is in charge of purchasing and he works with Dr. Bowie on developing the budget. Mr. Cox is also in charge of the building, grounds, maintenance, school vehicles, bus routes, insurance policies, office equipment, building security, the bookstore, and the cafeteria. Mr. Cox also serves as a senior class sponsor.

ADMINISTRATION

"HARDING IS . . . a way of life. Harding Academy has been a part of my life since I was sixteen years old." Mrs. Betty Bates has served at Harding in every capacity. She has served as a student by attending Harding Academy in Searcy during high school and by attending Harding College. Mrs. Bates has also served Harding as a teacher, parent, administrator, a member of the alumni association, and a member of the Mother's Club. She has spent most of her life in Christian education. Mrs. Bates has spent twenty years on the staff at Memphis Harding Academy. Ten of these years have been in some form of supervision and during the past four years she has served as academic dean. Mrs. Bates is responsible for the curriculum of grades seven through twelve. She works very closely with the faculty in all aspects of academic work. Mrs. Bates plans the schedules, classes, and she sets the diploma requirements. She works closely with the seventh graders so they get off to a good start and she also works closely with the seniors in preparing them for college. Mrs. Bates' work is surely a "labor of love."

MRS. BETTY BATES

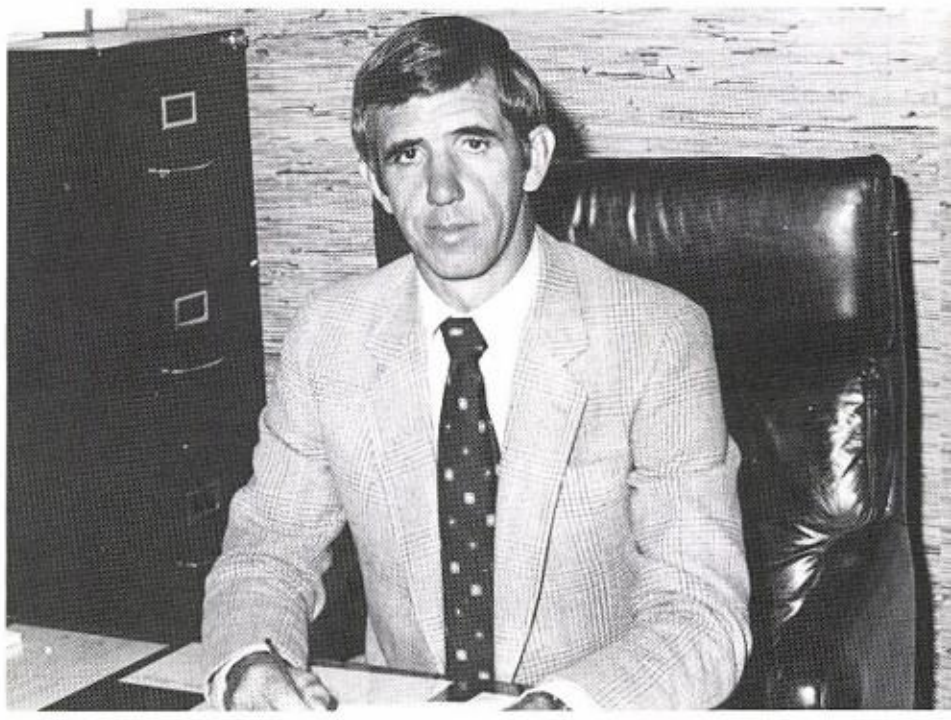
ADMINISTRATION

MISS PEGGY MATTHEWS

"**HARDING IS . . . a school, but not just any school. It is a place where blessings come from. It is not just a job but it is people. Harding is a place of investment because people are an investment.**" Miss Peggy Matthews has a sincere love for people and this shows everyday in her work as she serves Harding Academy as activity director. Miss Matthews has been at Harding for seven years and during this time she has been an excellent coach, teacher, administrator, and friend. This is the third year for Miss Matthews to serve as activity director. She is a link between class sponsors, club sponsors, and the administration. She was also involved in activities such as homecoming and the magazine drive.

"**HARDING IS . . . a great place to work where the students and teachers are really concerned about each other.**" Coach Escue has been with Harding for five years. He has served as director of development for two years. Coach Jerry Escue is also head coach for the Harding Academy varsity football team and this job allows him to oversee the football program for grades seven through twelve. As director of development, there are four major areas in which Coach Escue works. These are: organizing and directing the alumni association, student recruitment, annual gifts campaign, and estate planning. Coach Escue also deals in public relations for the school.

MR. JERRY ESCUE



MR. RONN RUBIO

HARDING IS . . . a community of believers: in God as our source of life and in our school as the place we are learning how to live." Coach Rubio contributes to his "community" by his service to the school. Coach Ronn Rubio serves Harding as athletic director. He has held this position for six years. The duties of the athletic director involve awards, game scheduling, eligibility, and budgets for the elementary, junior high, and senior high schools. Coach Rubio has taught at Harding for fourteen years and he currently teaches geometry. He is also the cross country coach and varsity track coach.

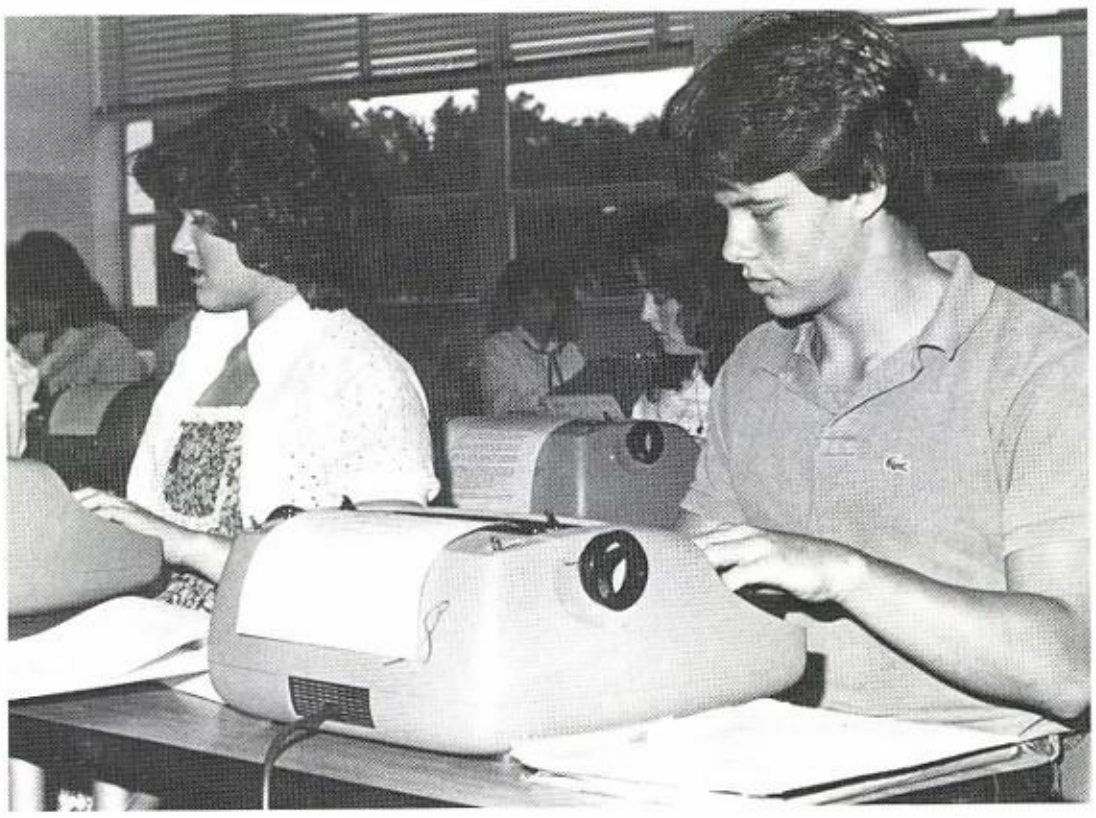
Constructive Courses Offered

Harding Academy's Business Department offered several constructive courses to help its students find their way into business fields.

The courses offered were Typing, Accounting, and General Business, which were taught by Anne Brewer, chairman of the department, and Leslie Irwin. Mrs. Irwin also sponsored the FBLA club, which encouraged business students further in their business interests.

The students had an opportunity to use electric machines and were taught many phases of office work this year.

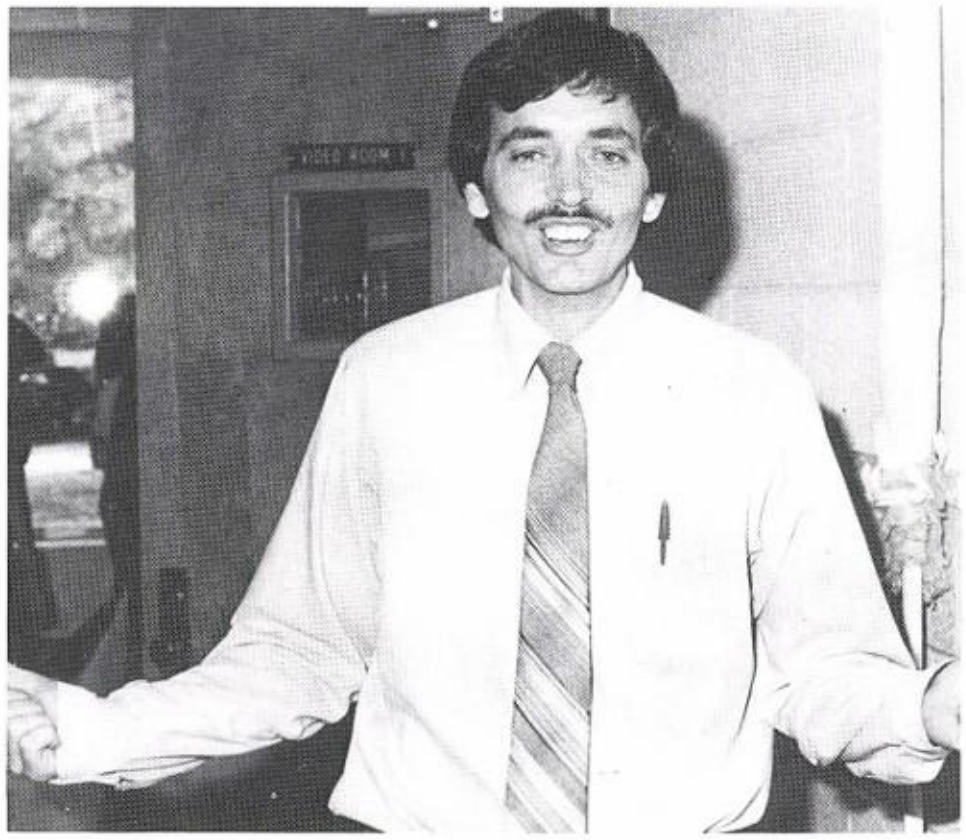


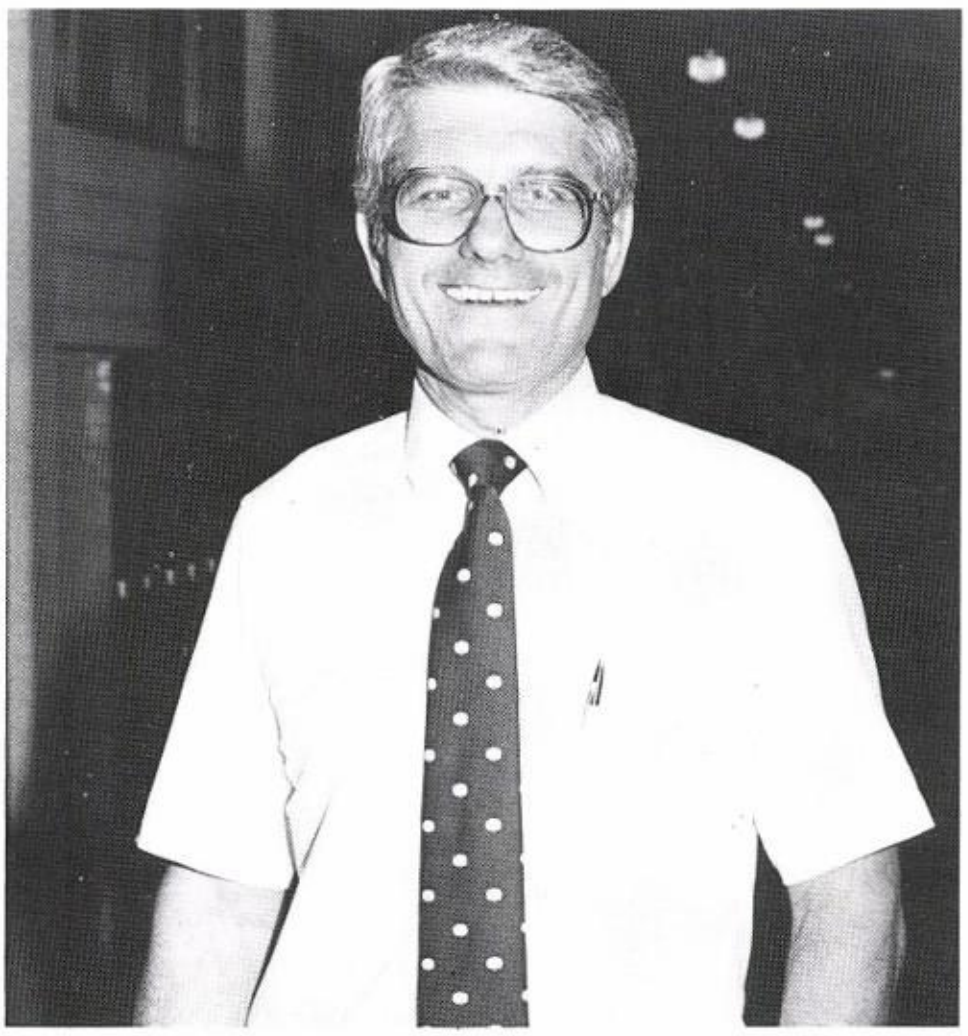
BIBLE

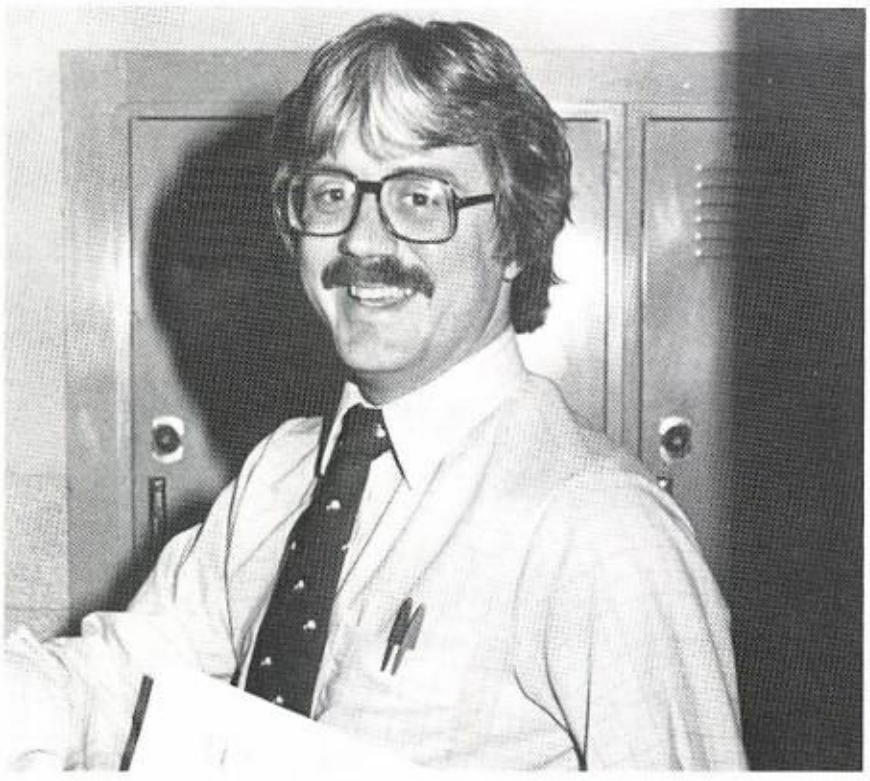
Genesis Project Enhances Bible Instruction

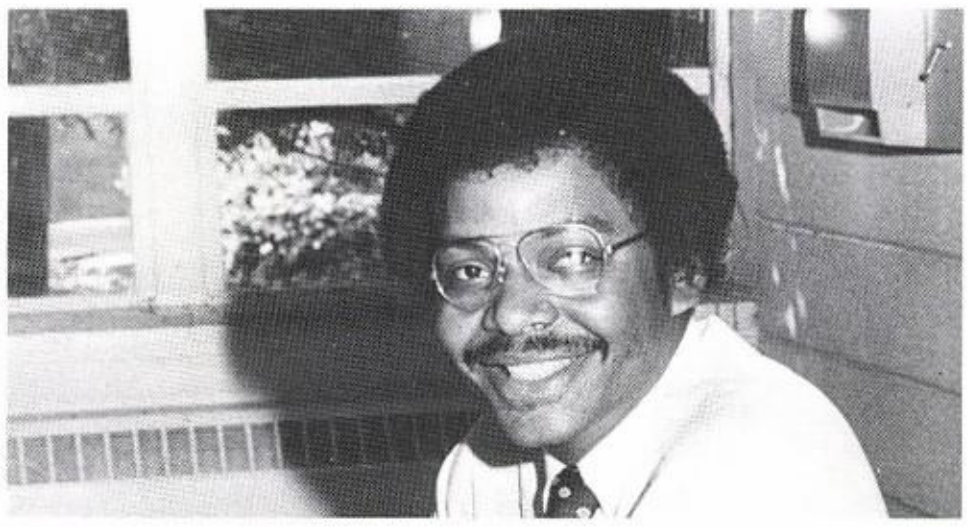
A series of video taped presentations of the books of Genesis and Luke have been purchased by the school. The Genesis project is a group of scholars, educators, theologians, artists and film makers who have set out to translate the Bible using the visual media available today. Bible department chairman Gary Holloway sees these films as filling a void that Bible teachers have felt in the area of visual aids.

One new teacher, Mr. Doug Pinkerton, and one returned teacher, Mrs. Betty Copeland, were warmly welcomed as an addition to the Bible Department.









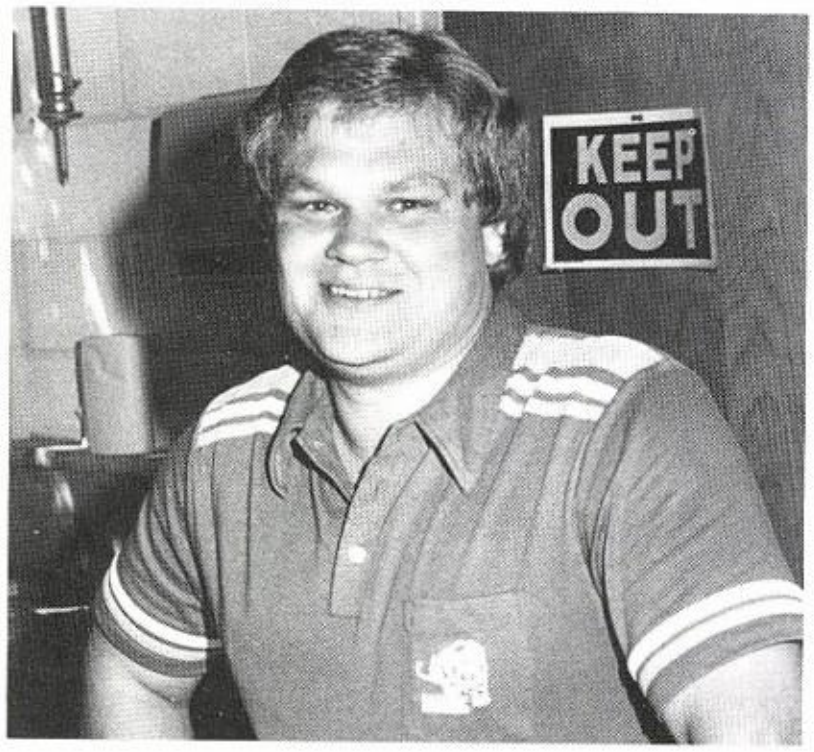
GOALS OF ENGLISH

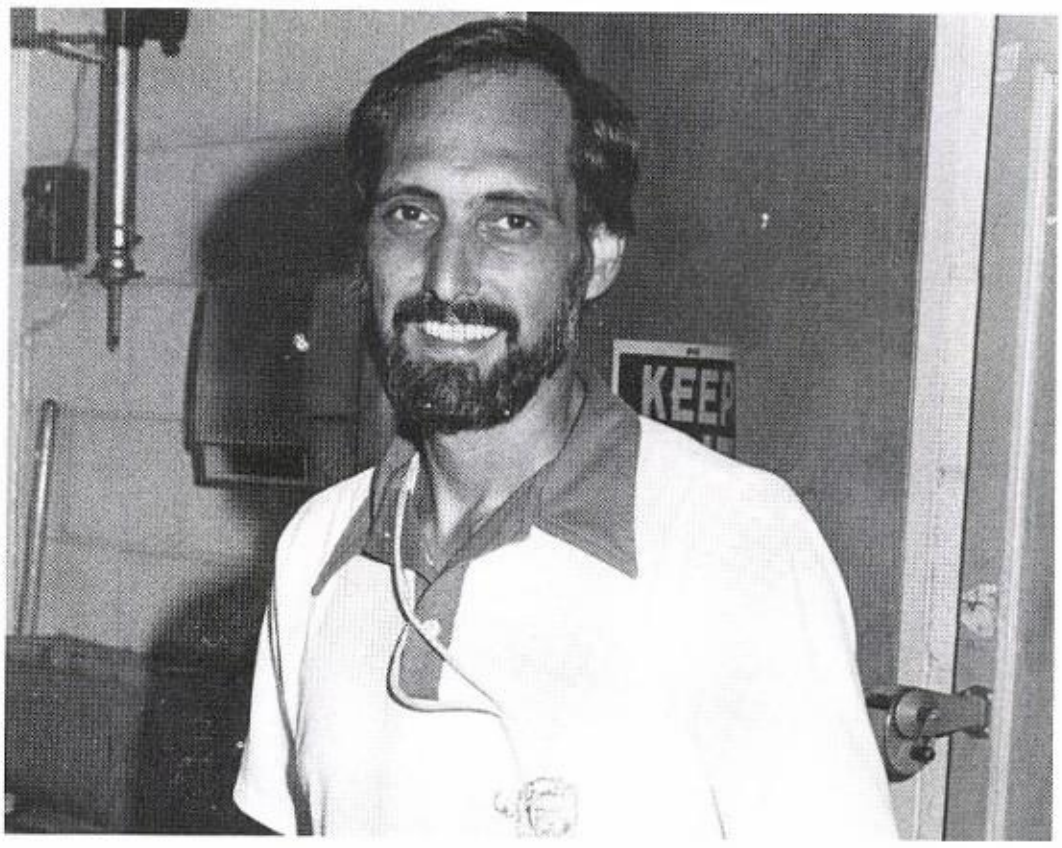
In an effort to meet the needs of all students, English is offered for each grade level. To think clearly, to read intelligently, to communicate effectively, to listen critically, and to develop independence in finding, using, and evaluating language materials are the goals of the English program. Mrs. Cathy Donaldson, Mrs. Carole Williams, and Mrs. Joyce McCartt were added to the department this year. Harding Academy English teachers are in the classroom because they want to be there, because they like young people, because they're excited about teaching English, and because they care to bring their very best every day. Their job is to bring students together with literature and language. Using his talents and allowing and encouraging students to expand theirs is the often frustrating and frequently happy task of the English teacher.

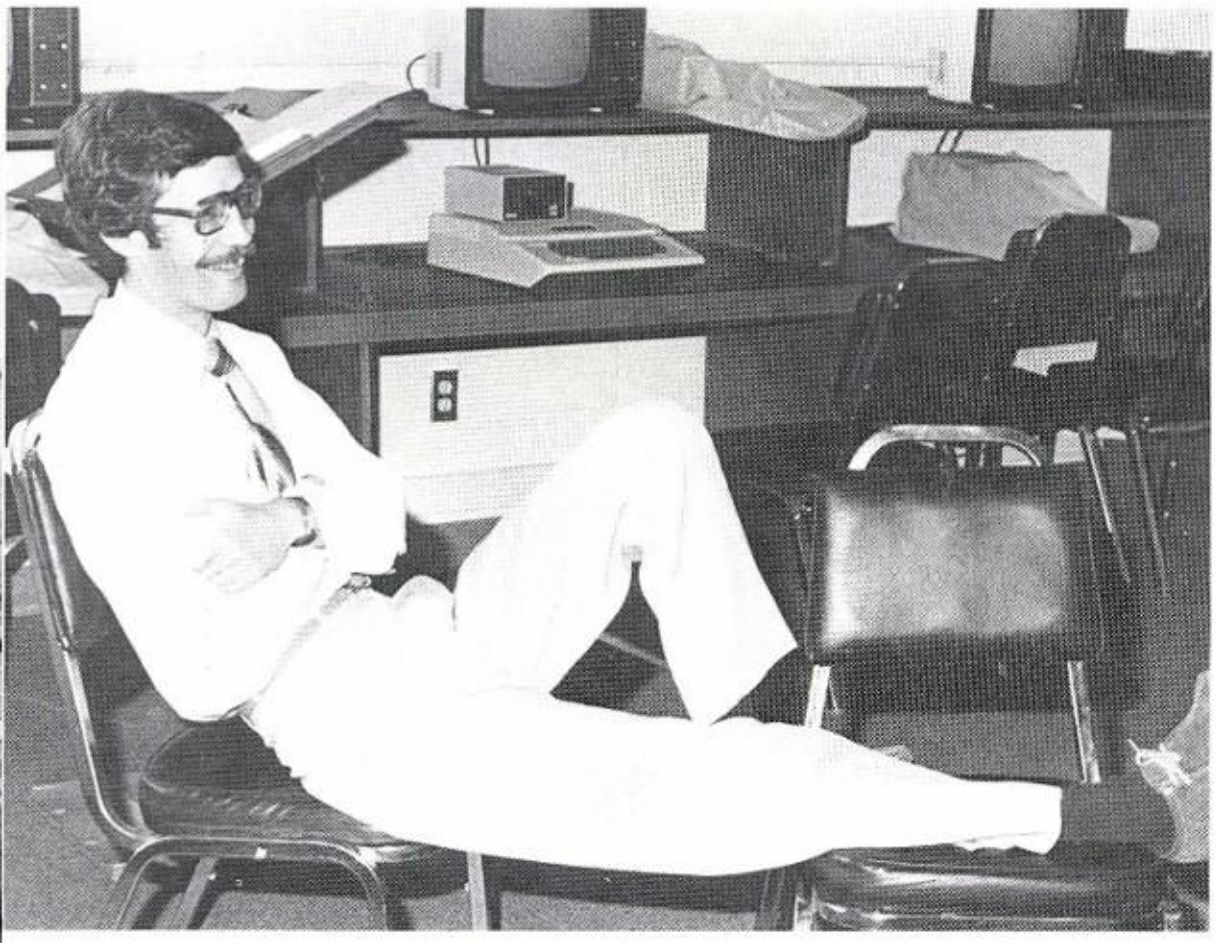
SCIENCE

Varied Courses Offered

Varied courses are offered to Harding students through the science department, from earth science to advanced biology. Mrs. Nancy Seratt is the chairman of this department. Seventh graders begin with life science and the eighth graders follow with earth science. Freshmen take physical science. In the tenth grade, students study biology. Juniors and seniors are offered many opportunities in the science field. Classes such as chemistry, bio-chemistry, advanced biology, and physics are taught to senior high students. Each of the above classes have many projects that add interest to the class. During the spring of the year, a Science Fair is sponsored by the science department. Winners go on to compete in the Memphis-Shelby County Science Fair. There have been several ribbon-winners in Harding's past. The science department attempts to widen a student's horizon in the ever-changing field of science and in turn prepare them for college courses later in life.





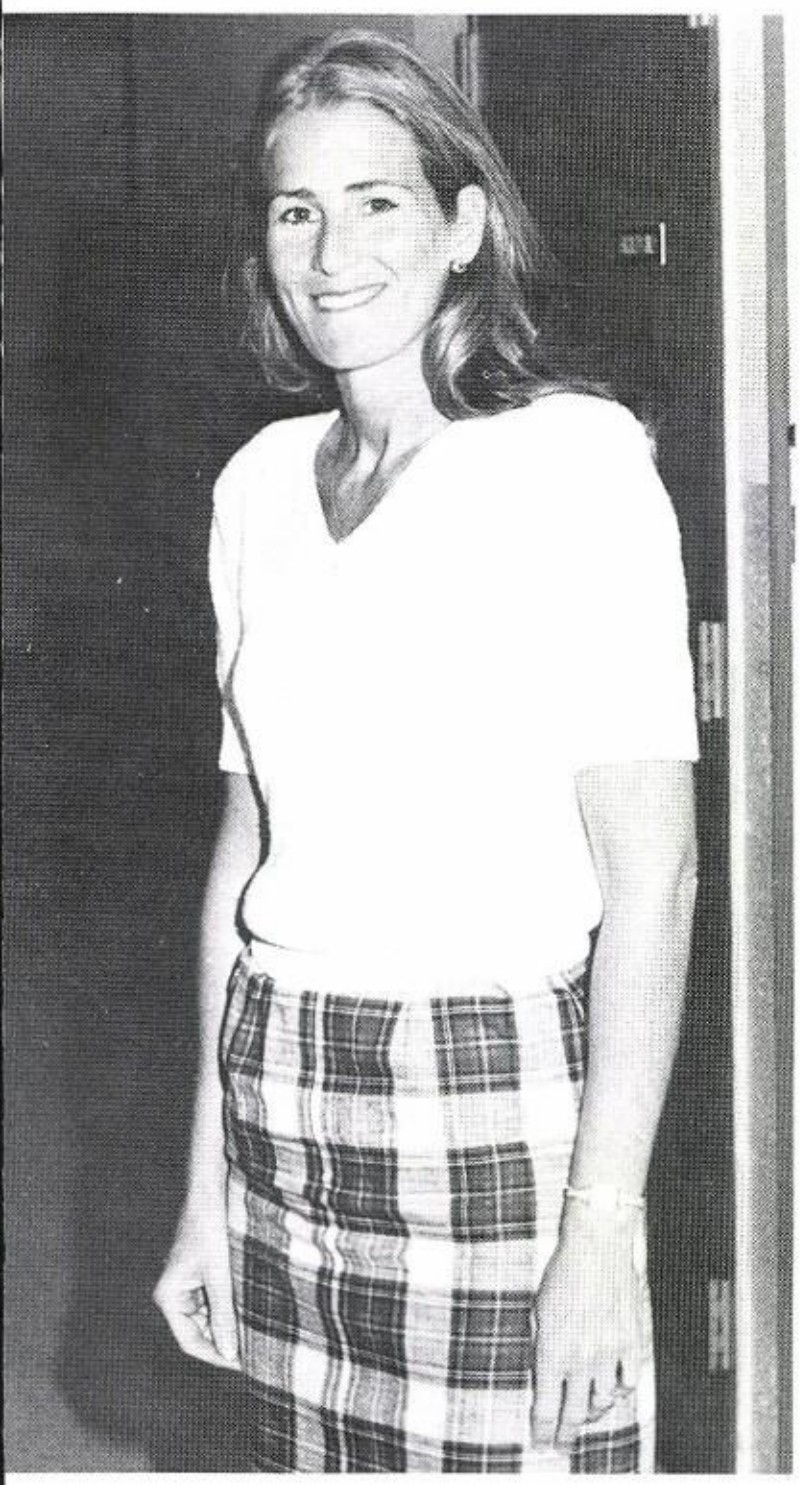


Students Love Computer Math

The math department consists of many different classes but one of the newest ones is computer math. Computer math has only been at Harding for three years and is taught by Mr. Chris Dahlberg. He also is the department chairman.

The computer math class has seven computers which give each student ample opportunity to use them. Students learn how to program, to write programs, and to do many other functions.

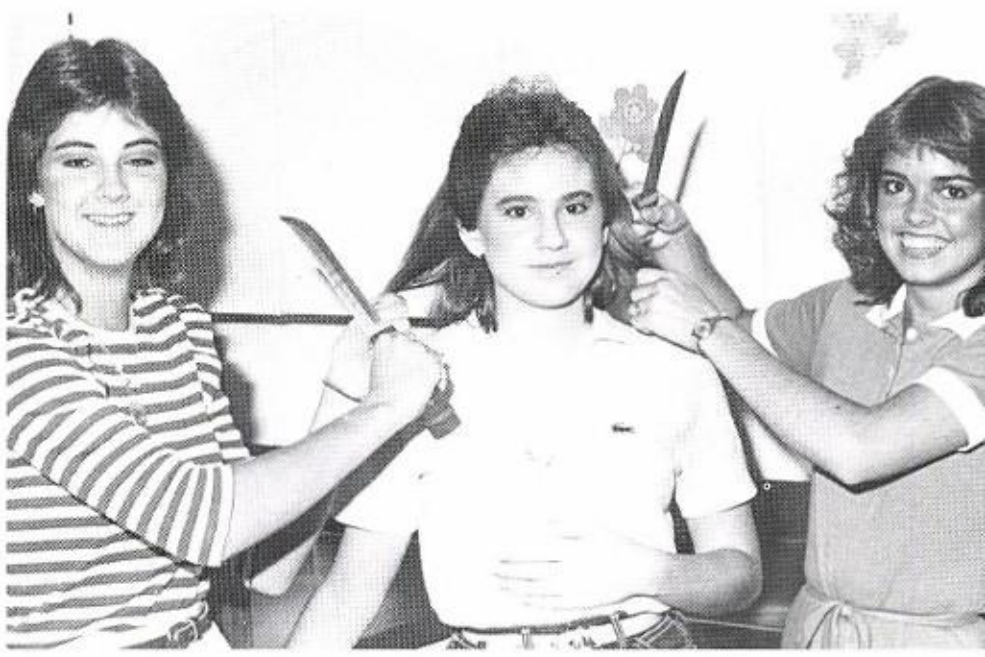
Since computers play such a major part in today's society this course is very useful. The students seem to be very interested in and excited about computer math. It has become a very popular class.



HOME ECONOMICS

Preparing Future Homemakers

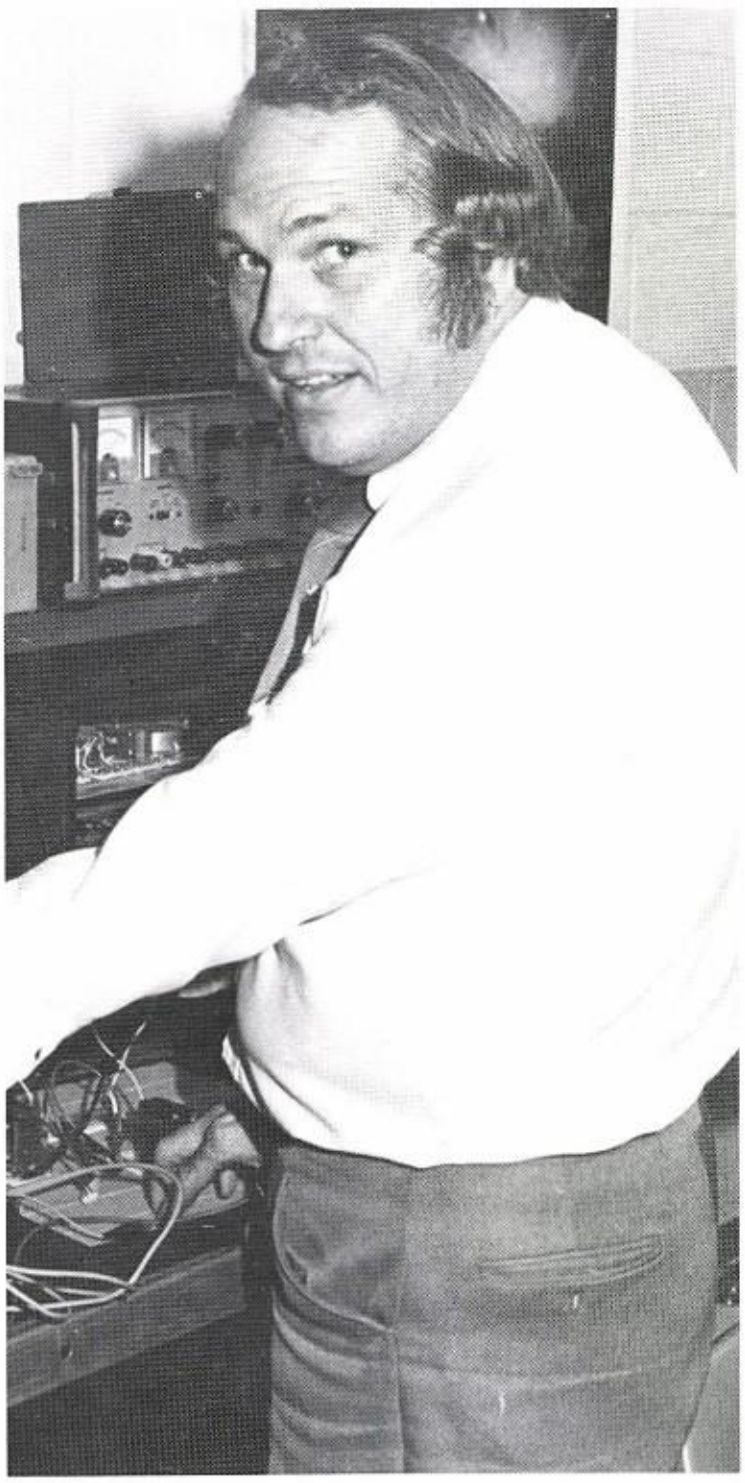
The Home Economics department has two courses which help students to prepare for their future. No matter what field a person might be going into he can and will need the skills taught in the PAFL classes and the Home Ec class. Students taking the courses always appreciate them. PAFL is one of the most loved courses to be taken. Home Ec is enjoyed by many girls.



Good Health is Easy at Harding

Harding is very proud of its Health and P.E. Department. Our school is blessed with three great gymnasiums. The Harding facilities are of top quality. We are fortunate to have not only fine facilities, but also a great faculty of Health and P.E. teachers.

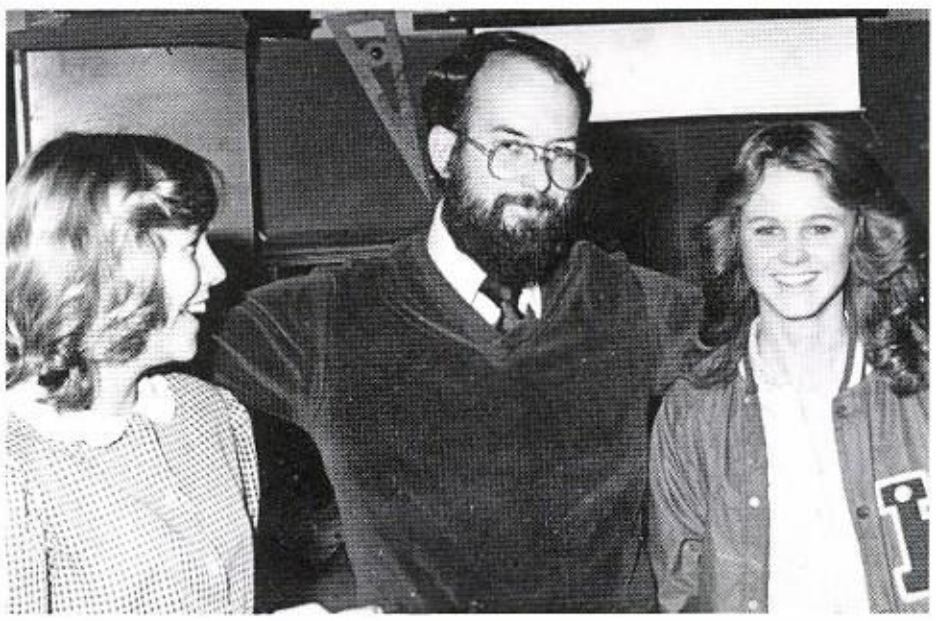
Health classes teach the importance of establishing good health habits. The P.E. classes promotes physical fitness. The students taking P.E. have the opportunity to play soccer, tennis, volleyball, and other such sports.

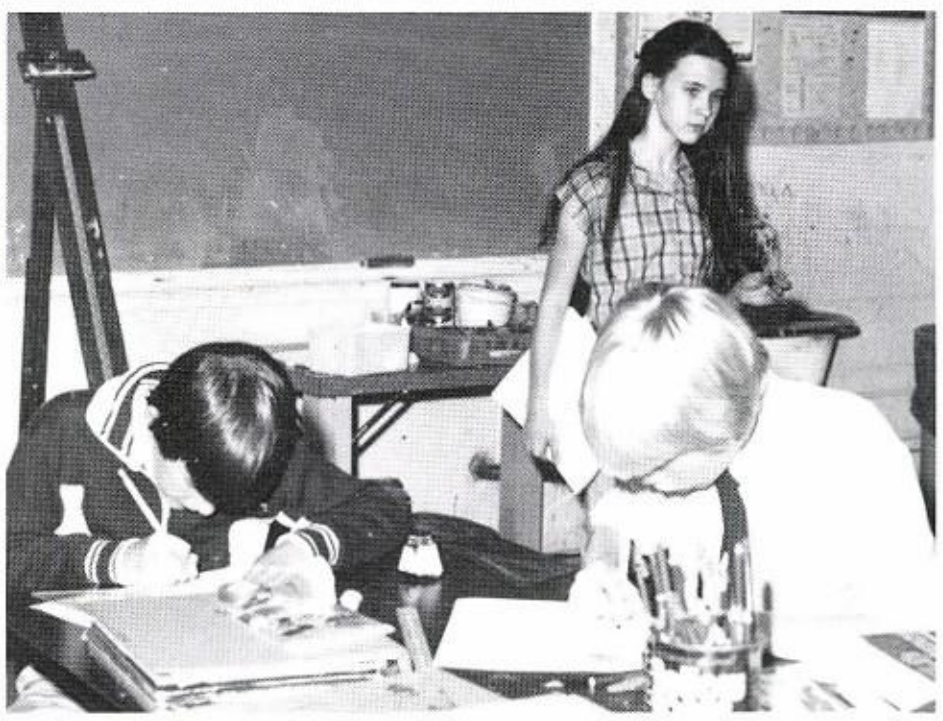


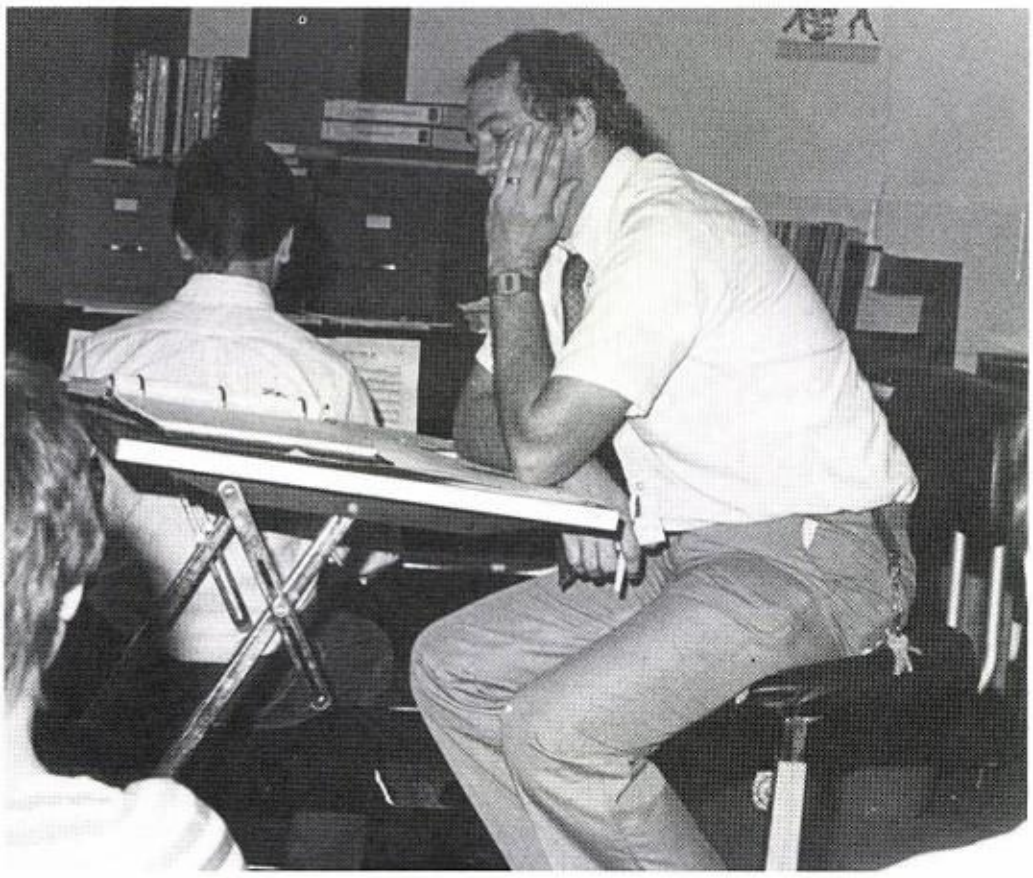
HEALTH AND P.E.

Students Grow in the Arts

Harding Academy students, both junior high and senior high, get the chance to develop their artistic abilities in the art department here at school. Under the direction of Reed Oliver and Carole Williams, students learn to appreciate the arts and recognize what is good art and what is not. The art done by these students is put on display in the glass cases in the main hall. Several works were put on display at the 1982 Mid-South Fair last fall, including a sculpture by Mr. Oliver. Several of these won ribbons. In class, students learn many types of art. A new area this year was air brush painting. Oil painting, collages, and water color painting were also taught this year. Harding Academy is always growing, and the art department grows with it.





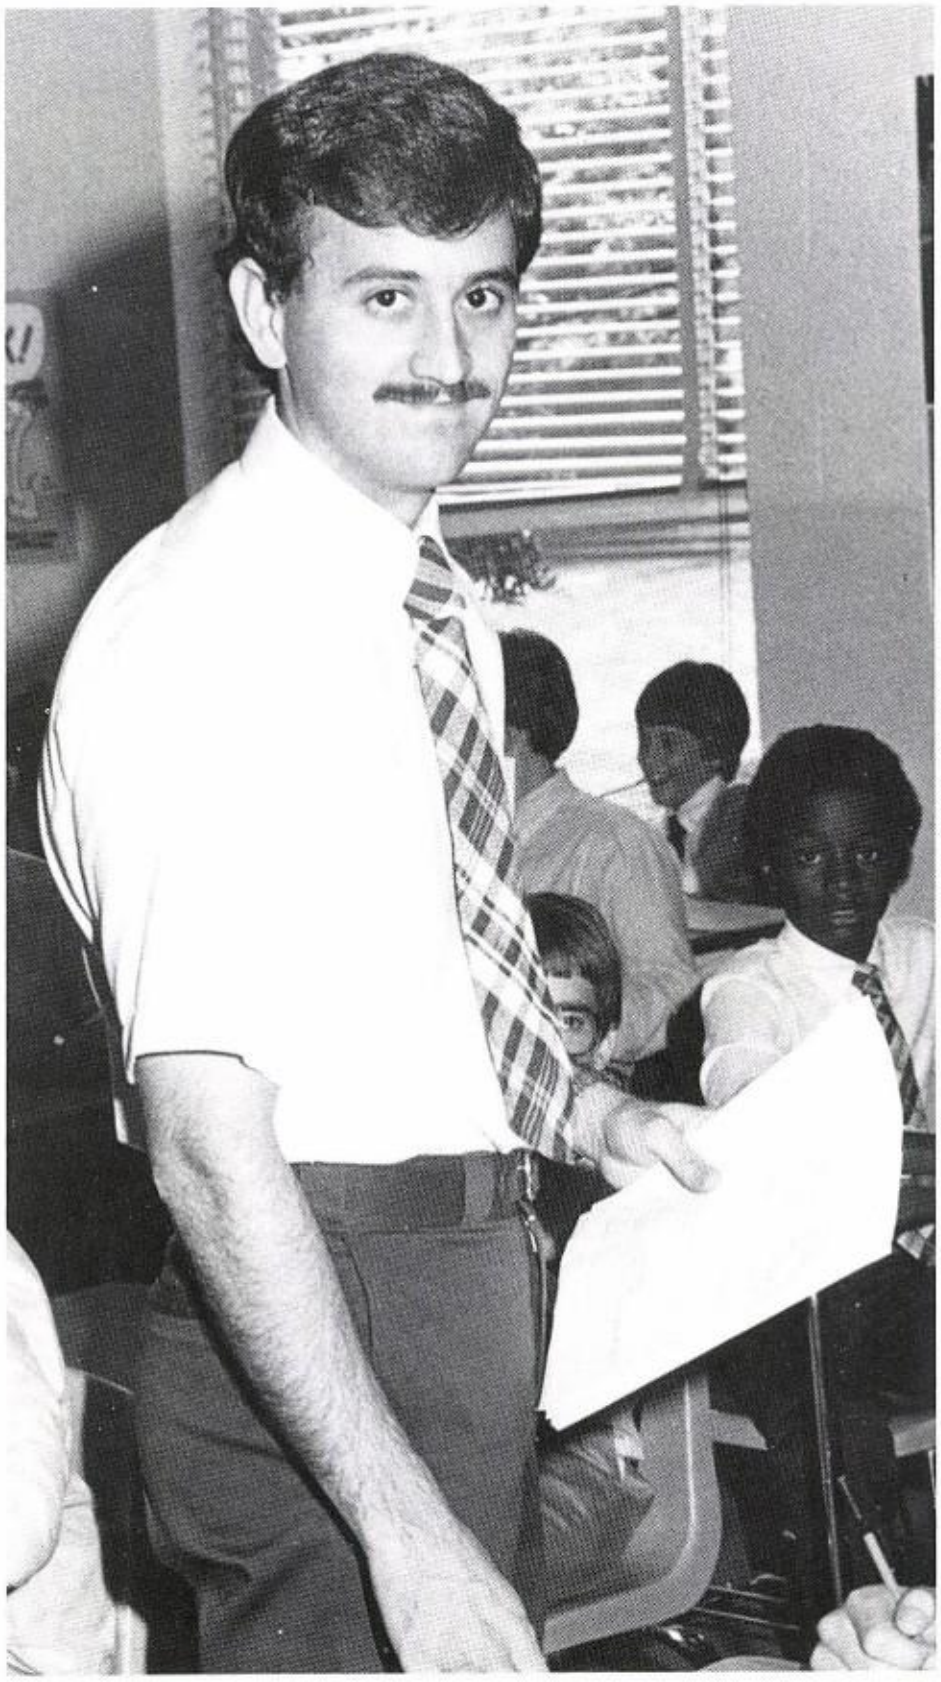


Music Department Adds Variety

Harding Academy has developed an excellent music department over the years. Our band is one of the best in the area and they have many trophies to show for their excellence. They have represented the school at many competitions thorughout the Mid-South. The A cappella participated in the All-West Tennessee competition for the first time in many years. Several of the members were chosen to be in the chorus. Junior high students participate in music class in seventh and eighth grade.

Activities Promote Culture in Language

This year the Language Department has been headed by Mr. Ted Parks, who teaches Spanish, and Mr. Mark Bixler, who teaches German. The Spanish classes benefited a great deal by learning about Spanish speaking countries. The Spanish students enjoyed eating out at a Spanish restaurant and stayed busy in the holiday season singing Christmas carols. The German classes were anxious this year because it was the first year that a partial scholarship was offered for hard-working students to go to Germany. The German classes went to the Tenn. State German festival in Murphreesboro and out to eat to Erika's, downtown. Mr. Parks and Mr. Bixler worked very hard this year teaching the students to understand the culture and the language behind Spanish and German.

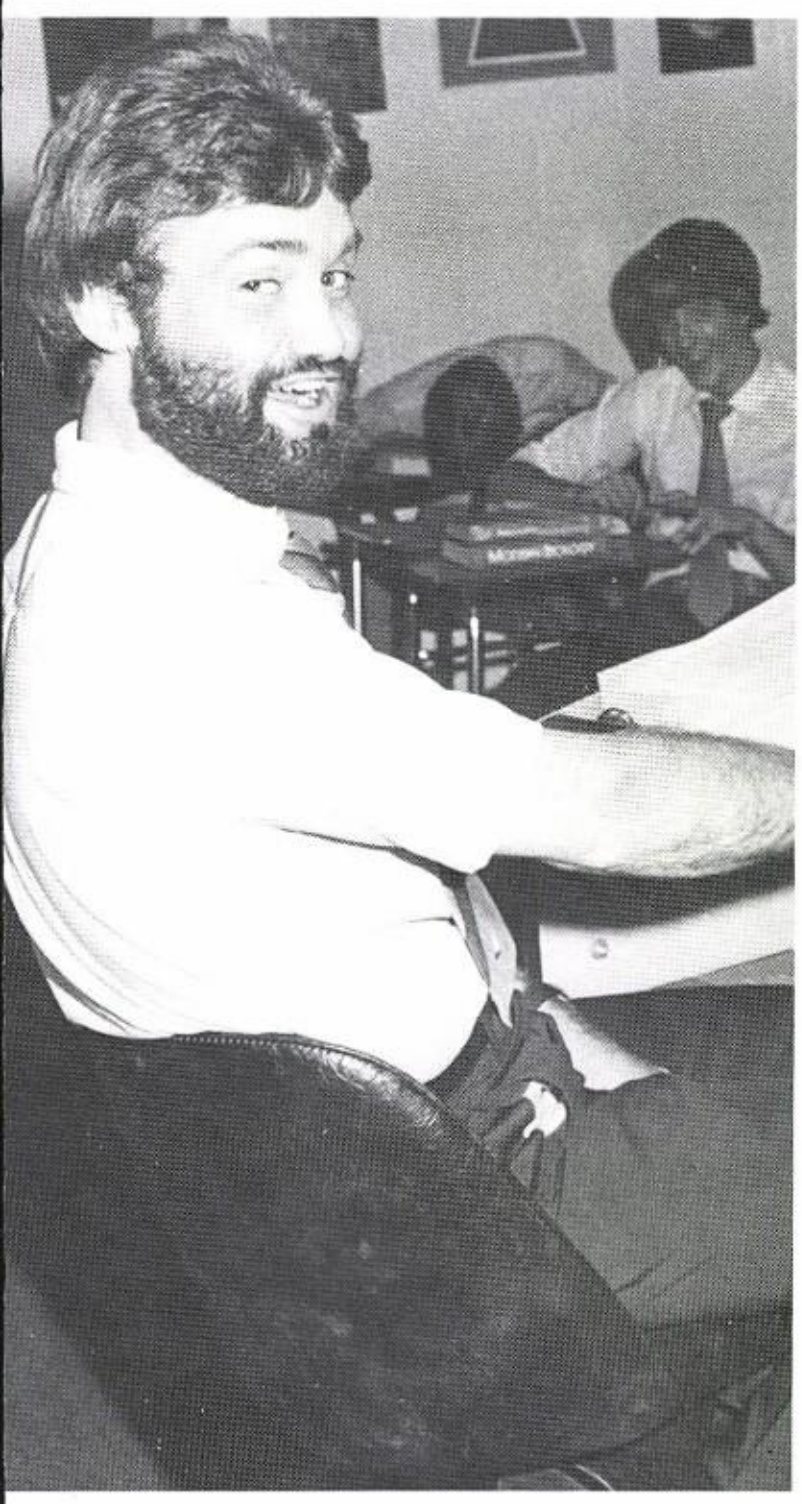


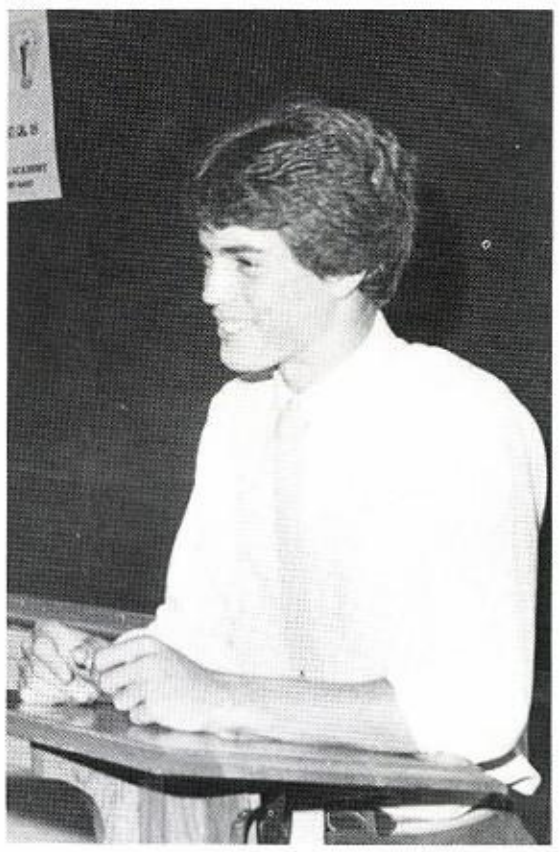
SPEECH AND DRAMA

Popular New Course Added

"New" was a key word for the speech department this year. Mrs. Deb Holloway and Mrs. Glenda Cox began a different approach to the study of communication, examining the ways in which it affects our daily lives. Students explored their feelings about themselves and about speaking in front of large groups.

Mr. Billy Pullen, no newcomer to the school or the areas of speech and drama, achieved the cherished goal of having a class in forensics. Students learn the arts of interpretation, as well as the many "ins and outs" of performing at speech tournaments.





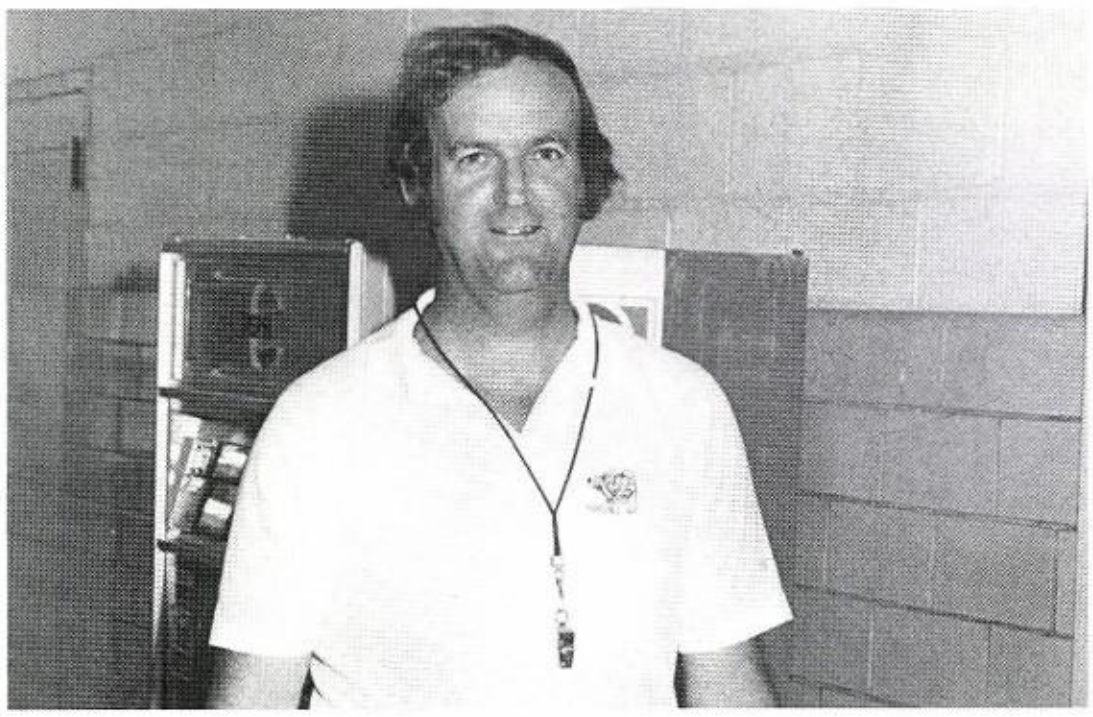
SOCIAL STUDIES

Department Maintains a High Standard of Study

The social studies department is one of the most stable departments at school. Mrs. Ruth French is the chairperson and has been for fifteen years. All the teachers maintain a high standard of study and are concerned about their students.

Social Studies courses are essential to our learning process. We need Civics to understand how our government works. American History is very important because it teaches us how our country came to be and about our ancestry. Geography teaches us about countries and their imports and exports.

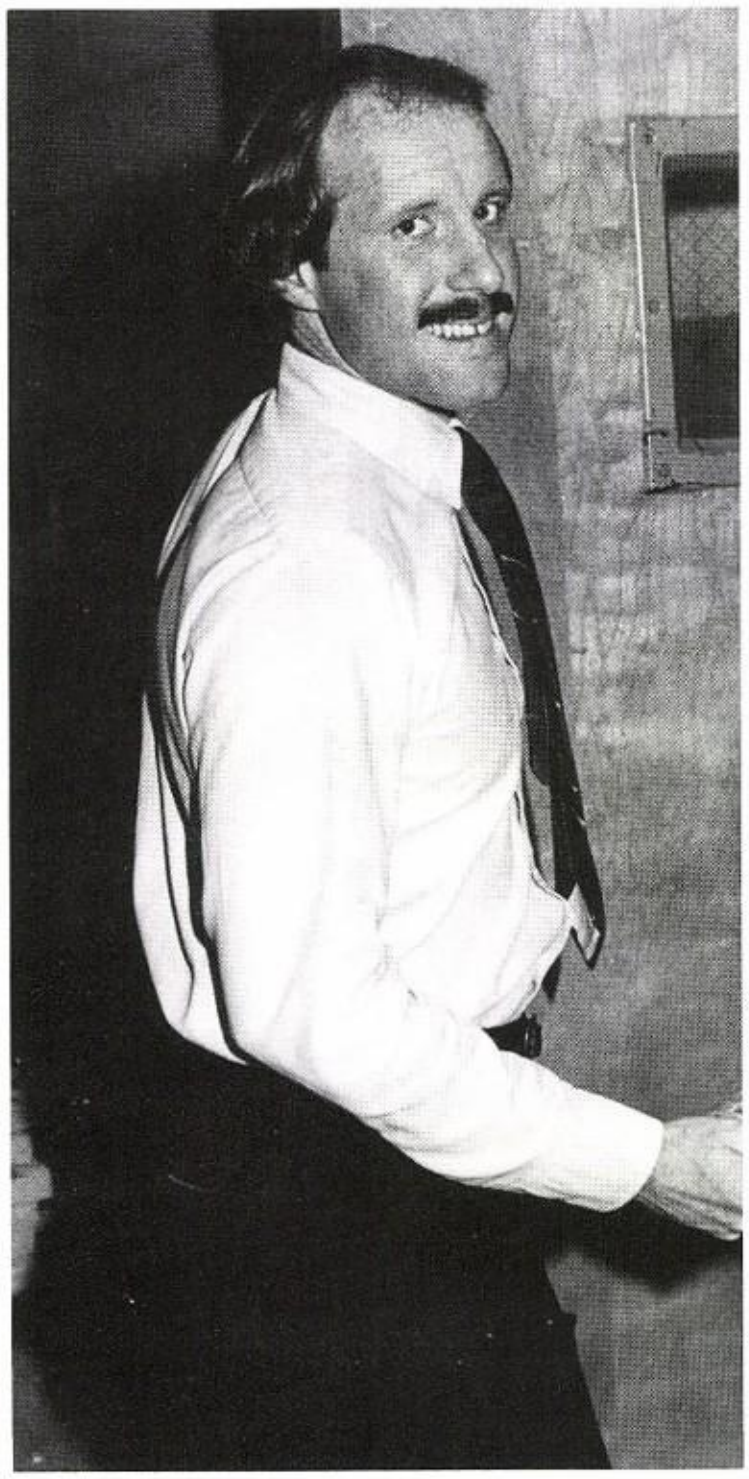
We should all be thankful to these great teachers and the service they provide.

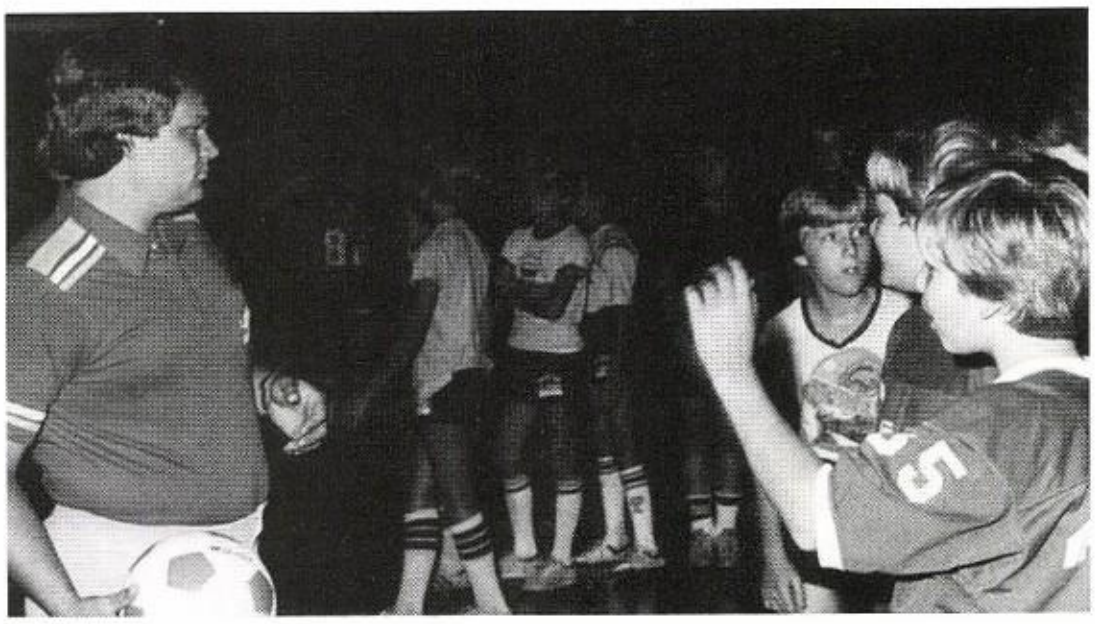


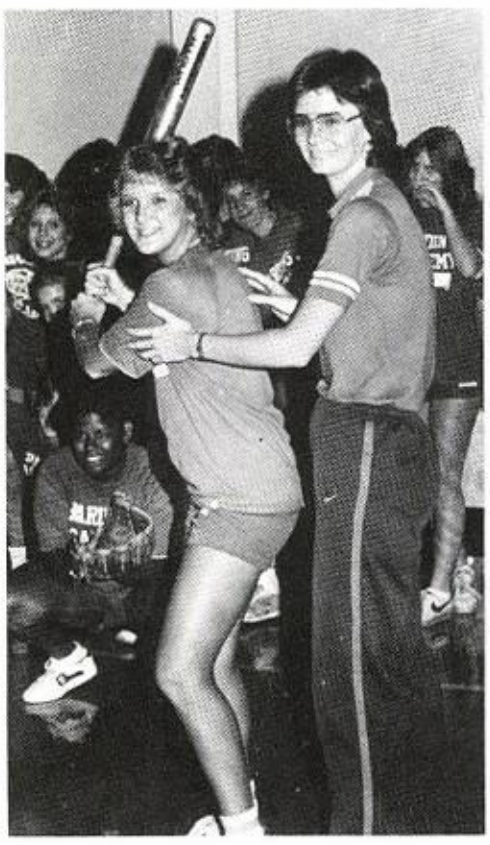
Industrial Arts Provides Students with Important Knowledge

This year the Industrial Arts Department was headed by Leroy Miller. In the absence of Drafting, taught the previous years, Electronics was the only class offered under the department this year.

Electronics is the study of principles which govern the movement and effect of electricity through various electronic devices under different circumstances.







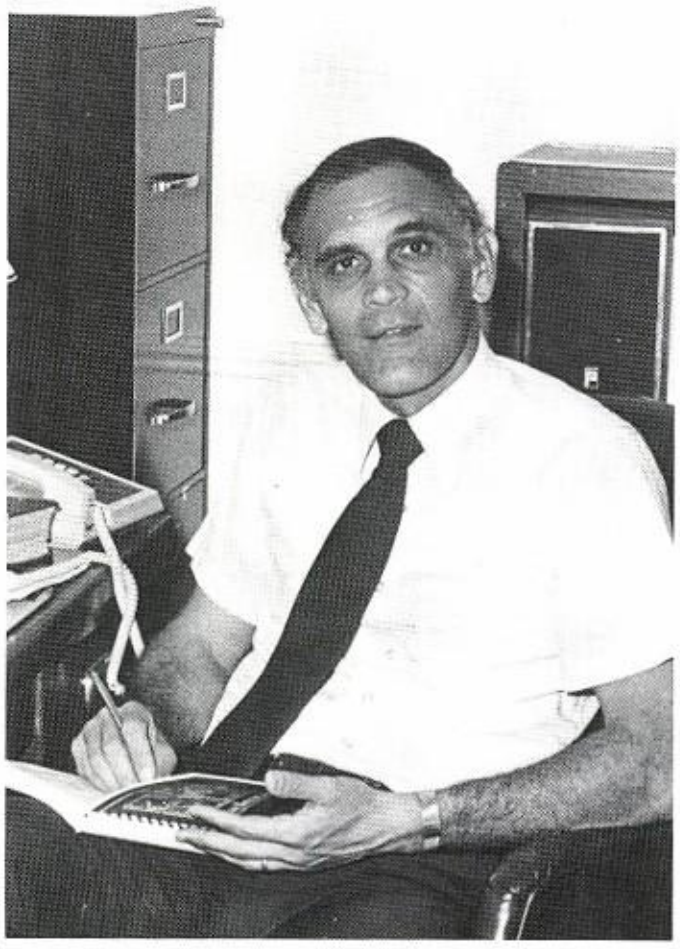
GUIDANCE AND LIBRARY

Guidance Department Ranks High

Among the students one of the most needed and loved departments in school is the Guidance department. This department ranks high because of the great people behind it. Evelyn Osborn, Claire Pirtle and Bill Srygley have the kindness and the love to help people in many ways.

The library is another department that we could not do without. Students can always rely on librarians Donna Shepherd, Faye Chambliss and Julie Chester.

The library acquired a new look this year. It has been enlarged with a study area in the back. The office has been made much more servicable. Harding is fortunate to have such a nice library.

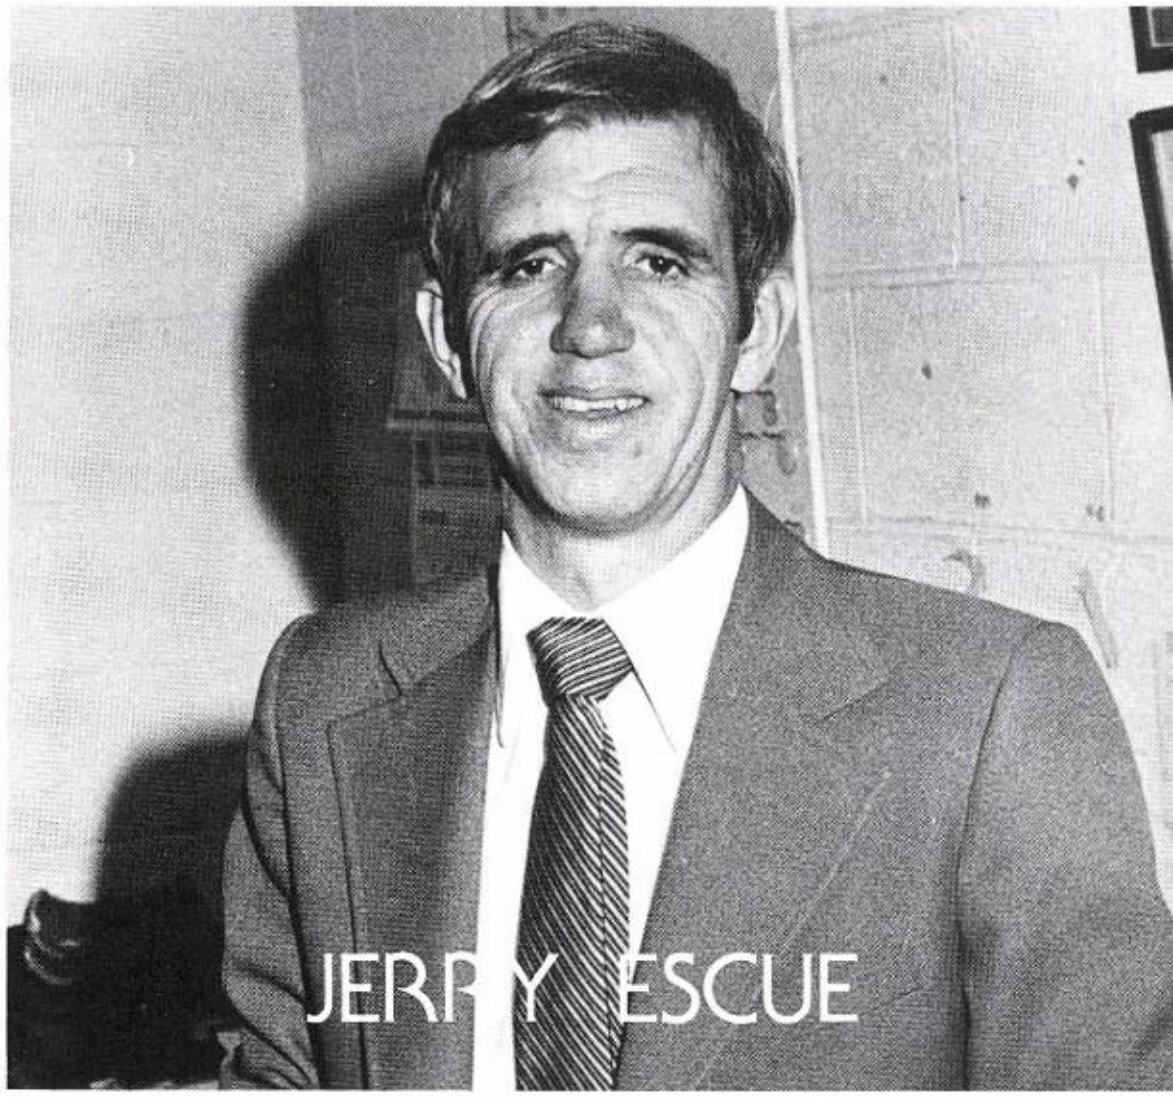


An Important Part of the School

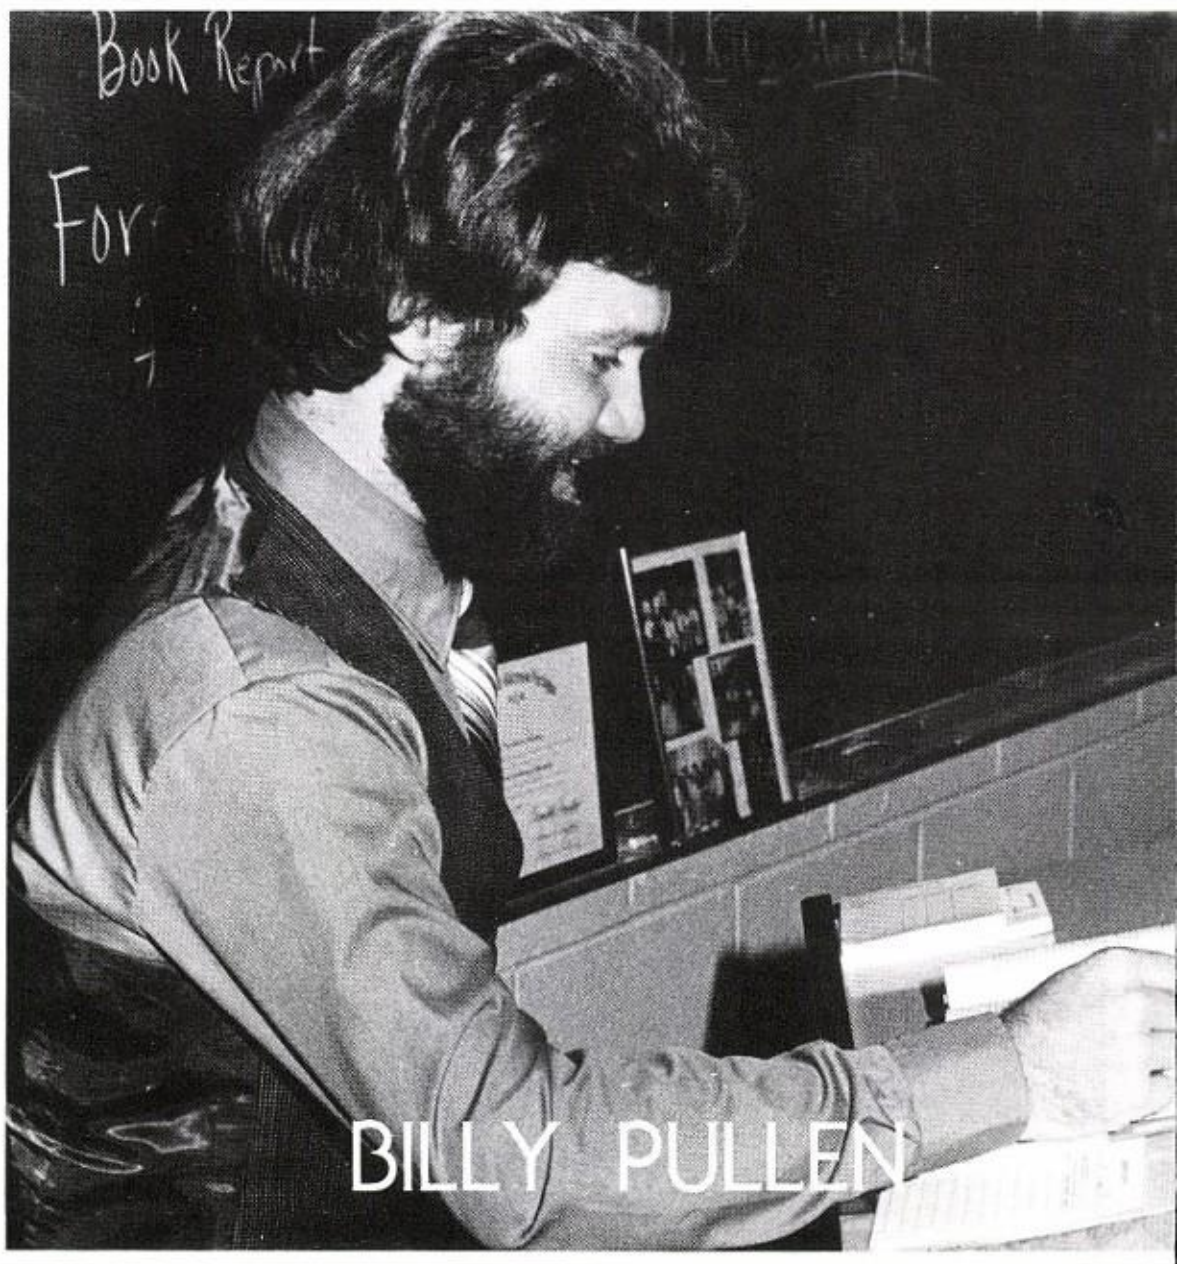
The staff is made up of the maintenance, business and administrative offices, bookstore and cafeteria. Its responsibility is to keep everything in our school orderly. The maintenance men keep everything repaired and in top condition. The bookstore sells supplies that might be needed by teachers or students. The cafeteria staff prepares and sells food. The bookkeepers keep our financial records in order. Every member of our staff is important.

STAFF

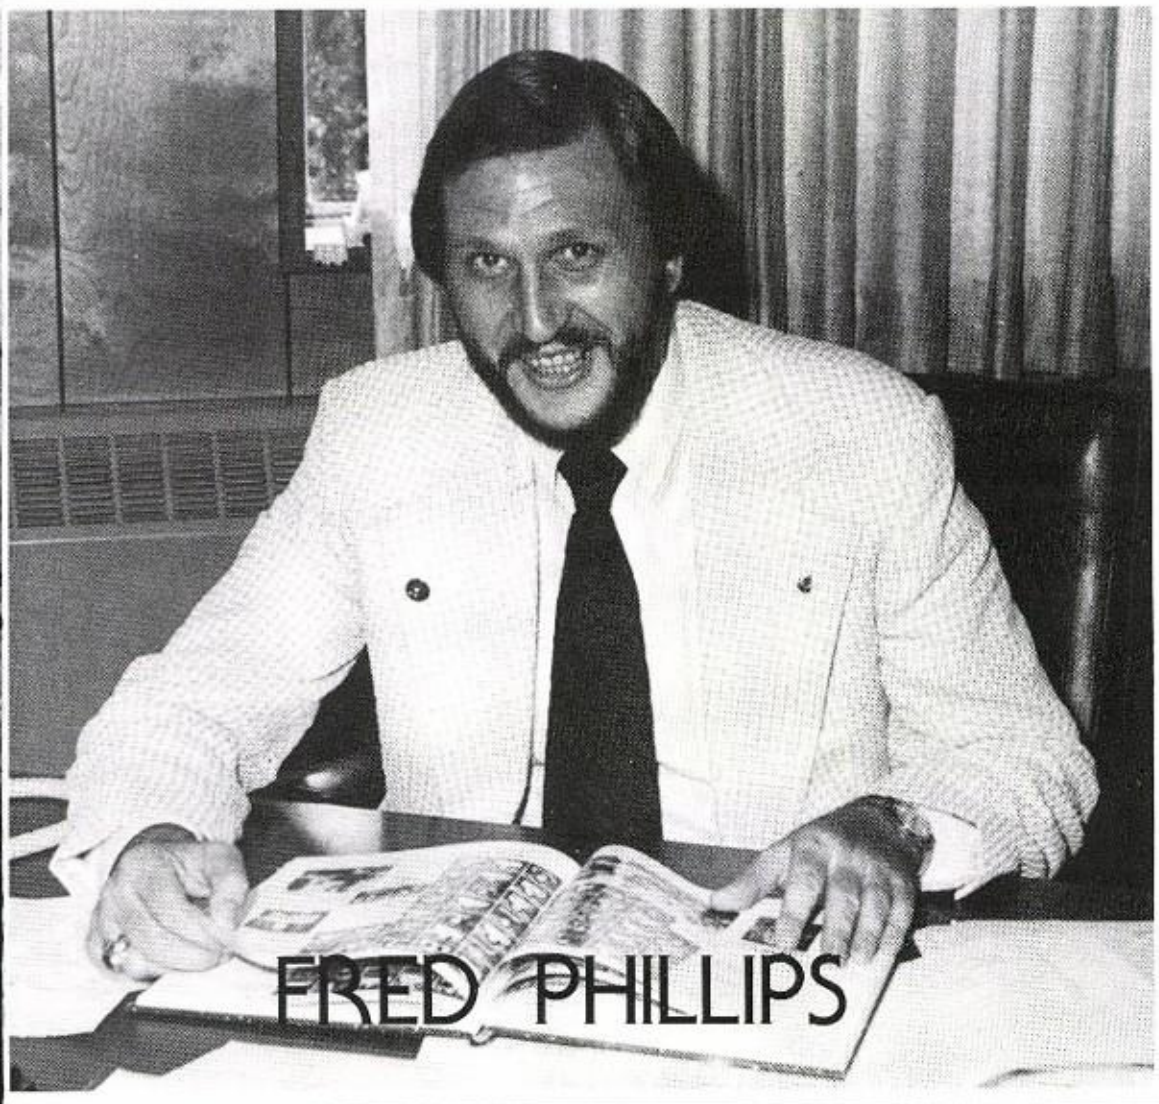
Words can not express the way Harding has flourished due to one man - Jerry Escue. This is his second year as the Development Director. Among his responsibilities are student recruiting, the Alumni Association, and public relations. Although he is in the administration field, he still has time to coach the varsity football team. Coach Escue has also been instrumental in the magazine drive in which the school raised $35,792. Jerry Escue is not only an administrator and football coach, but is a loving husband and a devoted father. Congratulations! Harding appreciates you.



Harding has always been noted for its talent and a credit to this talent is Mr. Billy Pullen. Mr. Pullen is well known for his theatrical experience and is a moving force in Harding's theater productions. He has directed "The Little Foxes" and even more recently "Ernest In Love". Mr. Pullen teaches advanced sophomore English. He also teaches the infamous forensics team is known for its fine performances at the tournaments in the Mid-South area. Mr. Pullen is known for his sense of humor and its radiating charm. Thank you for your contributions to Harding.

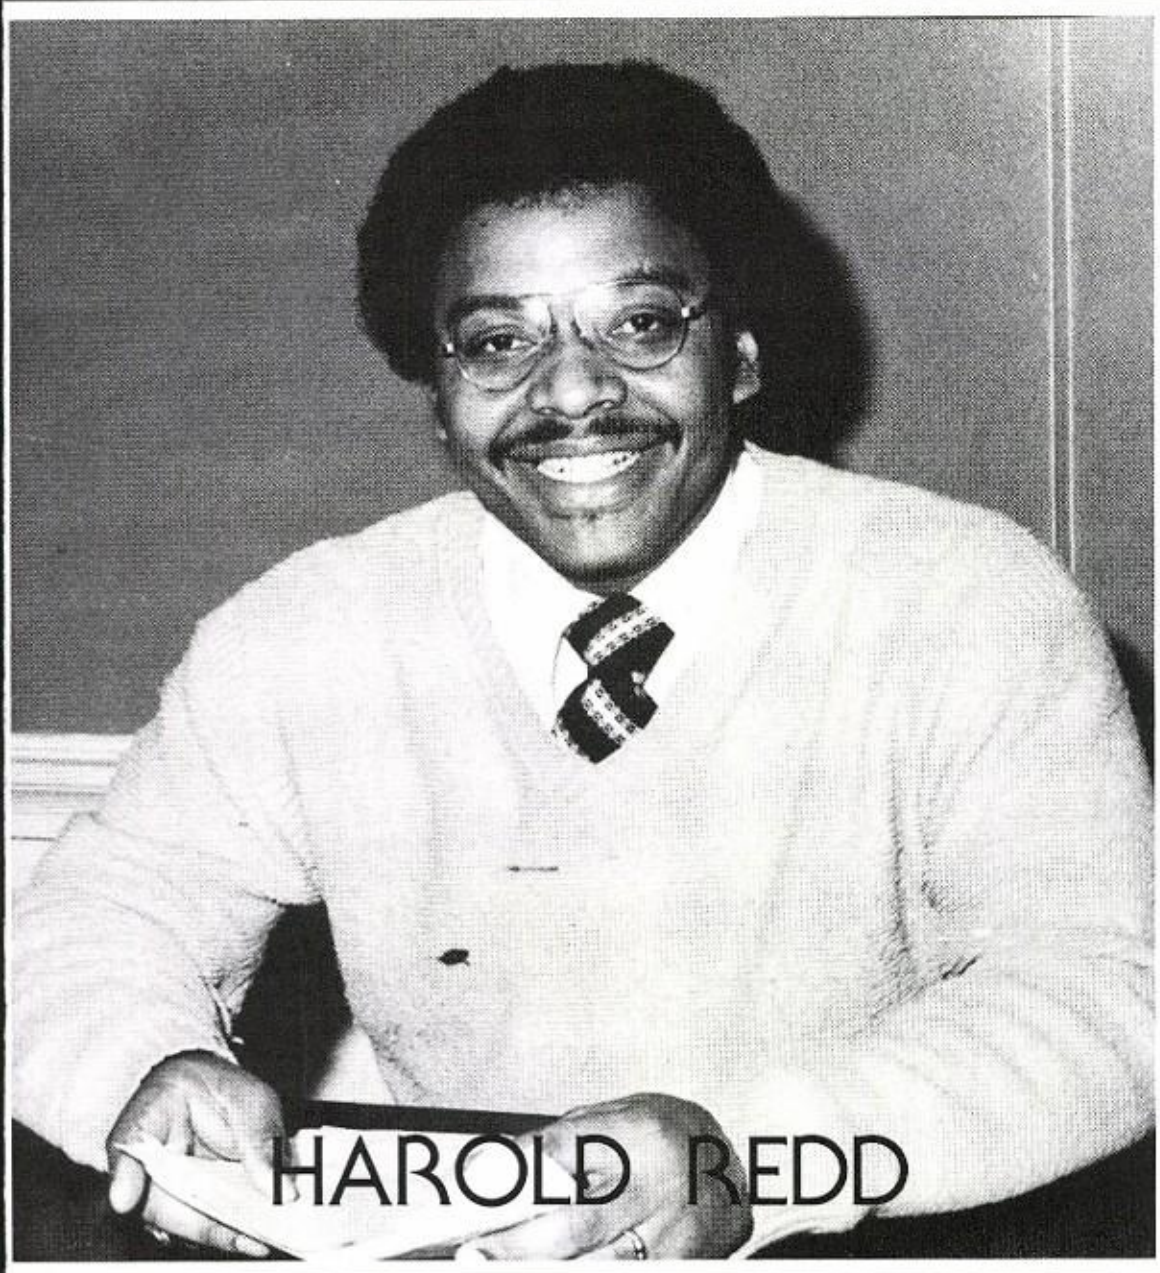


SHIELD SALUTES



FRED PHILLIPS

Being Dean of Students is not the easiest job in the world. Fred Phillips has various responsibilities, some which are the disciplining of students behavior, pep rallies, riding buses for field trips, etc. This year Mr. Phillips has been commending students for going the extra mile for their fellow peers and the community. He has set forth a more positive attitude toward everyone which coincides with the theme "Everybody is Somebody." This honor, though long overdue, was worth the wait. Congratulations for a job well done!



HAROLD REDD

After completing a year with Mr. Redd in freshman Bible, one would say they will never forget that experience. Mr. Redd has taught Bible at Harding for about seven years. He has grown into one of Harding's most respected teachers. To know Mr. Redd is to love him. He preaches at West Memphis Church of Christ and is a devoted Christian. He teaches the Bible in a way that is easy for one to relate to, and he is one of Harding's more thorough teachers. Mr. Redd requires a positive attitude and a will to learn more about God. He is also one of the few who lives the life he preaches and teaches to us. Thanks for all the dedication.

PEOPLE IN REVIEW

1982-83: The Best Year Ever?

Was 1982-83 really the "best year ever?" Dr. Bowie coined that term several years ago and it has lurked around the halls of Harding Academy ever since. But there is a great chance this year might really deserve the honored title. But we, the annual staff, decided to ask you, the students, how you felt. Several answers were not printable, but there were some good responses. What follows on these pages is a mixture of your reasons for this being the best year ever, along with some pictures to help you remember the good times.

CLASS unity is found in every grade at Harding. Many of the students have grown up with each other since kindergarten and an even greater number have gone through the perils and joys of junior high and high school. Although class unity is important school unity is even more important. This year there was a great increase in school unity and this increase promises to grow in years to come.

Graduation.

You thought it would never come and now that it's almost here, you find yourself thinking about leaving all your friends to go to college.

Those friends are the very reason you should go to college—at David Lipscomb College. Many students like Lipscomb because of its warm, friendly atmosphere, and because of the many activities to be involved in.

David Lipscomb College is also a good place to be because of its strong academic programs in 17 departments and for its emphasis on Bible study. Lipscomb helps its students establish a solid foundation for successful living in this life—and eternity.

Call one of the toll-free numbers below now for full information on the unique, Christian education at David Lipscomb College—and happy graduation!

Looking Good...You and Harding

There's a certain chemistry about feeling comfortable in a college home. We think **Harding University** has the basic ingredients you're looking for.

Our student body of more than 3,000 (from 48 states and 26 foreign countries) thinks so too. In it you'll find a cultural blend of personalities that is both an opportunity and a challenge, and it is solidified by the spiritual emphasis of the University.

Are you looking for a school where you can become involved ... just the right place to develop your interests and talents? Then take a good close look at **Harding University.** We think you'll like what you see.

The paso gait is unique to the peruvian paso. The peruvian paso was developed over 400 yrs. to provide stamina, speed and vitality or spirit for travel over rugged mountains, through desert land and steaming jungles. He has incredibly strong bones and hooves and uniquely constructed legs. They do not have to be shod. The paso was imported to the U. S. by ranchers in Texas to breed with their cow ponies. The paso won a number of cross country endurance races. The paso was imported to the U. S. as a showhorse in 1965 and has grown in popularity since that time.

Way of Salvation (Acts 16:17)

1 Corinthians 15:1, 2 & 3

Moreover, brethren, I declare unto you the gospel which I preached unto you, which also ye have received, and wherein ye stand; by which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain. For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the Scriptures:

Romans 3: 23

For all have sinned, and come short of the glory of God:

Romans 6: 23

For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.

Romans 6: 3 & 4;17 & 18

Know ye not, that so many of us as were baptized into Jesus Christ were baptized into his death? Therefore we are buried with him by baptism into death: that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life.

But God be thanked, that ye were the servants of sin but ye have obeyed from the heart that form of doctrine which was delivered you. Being then made free from sin, ye became the servants of righteousness.

Mark 16: 15 & 16

And he said unto them, Go ye into all the world and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned.

Acts 2: 37, 38 & 39

Now when they heard this, they were pricked in their heart, and said unto Peter and to the rest of the apostles, Men and brethren, what shall we do? Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost. For the promise is unto you, and to your children, and to all that are afar off, even as many as the Lord our God shall call.

2 Thessalonians 1: 7, 8 & 9

And to you who are troubled rest with us, when the Lord Jesus shall be revealed from heaven with his mighty angels, in flaming fire taking vengeance on them that know not God, and that obey not the gospel of our Lord Jesus Christ: who shall be punished with everlasting destruction from the presence of the Lord, and from the glory of his power;

James 2: 24

Ye see then how that by works a man is justified, and not by faith only.

Revelation 22: 14

Blessed are they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city.

. . . From Laura

This year at Harding has been another year full of development. Every year seems to get better and I can truthfully say that this has been the best year yet. The 1983 Shield reflects the development in many ways. Its theme this year has been "Harding adds life" and most people associated with Harding will agree that Harding does add a lot to our lives.

Throughout the year, we on the Shield staff have tried to add life to our Harding memories by putting together a special and hopefully a cherished annual. We have changed the old format a bit by using seasonal divisions. We hoped to add color to the annual with our full color opening section, our colored division pages, and our bright yet distinguished cover. We have also tried to become more artistic with our layouts, making them fun and clever.

This annual has had a great amount of work put into it and credit goes to many. First I would like to thank our terrific staff. They all worked long and hard to put together this book. Sherry Hewitt, our business manager, helped in a big way with her hard work on the ads, Steve Staggs put a lot of hard work into the sport's section and Dana Word, the assistant editor added a lot with her experience and help. An annual without pictures would be nothing and we are very grateful to Jay Shappley and the Holland Studio's staff, Barry Lumpkin, Don Burks, Kip Hatch and Ben Barton for their time and efforts. A very big thank you goes to Mrs. Patti Sanders, our sponser, and Lisa Crocker, my co-editor. They have both been invaluable. Mrs. Sanders has helped me a great deal and without her encouragement we'd have had a tough year. Lisa Crocker has certainly added life to Harding and the Shield with her dedication and work. Thank you to my wonderful parents who gave me the strength to take on this responsibility. Most importantly I thank the Lord, for without him I know I could not have handled this task and I hope his name is glorified in it.

I hope this book will be a treasured one for all who own it. That has been our aim and desire. It is our way of adding a little something to other's lives and this is especially important when the others are our peers, friends, and teachers.

Editors - '83 Shield

. . . From Lisa

The theme of the annual this year was "Harding Adds Life." Yet it is not really the school, but the students that add life. Each one of us is different in so many ways. These different ways combine to make our school what it is.

I, along with my co-editor, hope the '83 SHIELD will add life to the past year at Harding. The staff, under Laura's direction and mine, have attempted to make the yearbook something a little different. Long hours were spent designing and drawing to come up with this year's new look. There are several people who I would like to congratulate on a job well done. First, Steve Staggs, our sports editor, did an excellent job with little experience to help him. Sherry Hewitt outsold all previous business managers with her sales. Special thanks are in order for our seniors, Robin Gordon, Doug Lewis, Mac Sisco, and Stephanie Worden. They leave behind a well-trained staff for next year, headed by Dana Word, this year's assistant editor. The core of next year's staff will consist of Katrina Arnold, Haley Goetzmann, and Angela Yarbough, our juniors on the staff.

Our photographs came from various places this year. Professional photographs were taken by Holland Studios. The candids were taken by Mr. Don Burks, who spent hours around the halls taking pictures of you and your friends. Our staff photographers were Ben Barton and Kip Hatch. Also, thanks to Mr. Parks for his pictures of the school.

There's a special lady behind all of our work: Mrs. Patti Sanders. As always, she was there when we needed her. Above all, thanks to Laura Word. She has been the stabilizing influence on the staff, always patient and kind.

Laura and I hope you enjoy this book. If you have any comments, please direct them to the staff, Laura or me. This is your book, and we need your suggestions for the future yearbooks. Again, it is you who add the life to Harding.

SENIOR REVIEW

Talent Shines Through . . .

Seniors are usually known for their wild and adventurous spirits that take over close to that big day, graduation. To raise money for the banquet at the Peabody, the Silver Seniors of '83 captured that wild spirit and turned it into a senior review. Any senior who had some sort of talent could enter.

Marty Moore was MC for the evening of fun on March 31 at 7:30 p.m. His grand entrance on a mini-bike to Billy Squier's "Everybody Wants You" started the show. Some of the acts included Butch Tines' band, Melanie Ward, and Delayne Marcum and Co.

Mark Lee and Chuck Lindley were some of the more humorous acts, along with Julie Wage, Lisa Gillispie, and Rick Wilson, as Eunice, Momma, and Ed, respectively.

The show was stopped early, partly because of unruly crowds. But, the seniors managed to make some money for the class and to entertain while making the money.

1. **THE CROWDS** really got into some of the acts. 2. **CHUCK'S RENDITION** of Chaucer's "Canterbury Tales" was very meaningful and served as one of the more serious acts of the night. 3. **DANNY'S IMPERSONATION** of a guitar player was really authentic! 4. **MARK LEE,** the greatest comic of them all, tells some of his Helen Keller jokes. 5. **MOMMA, ED, AND EUNICE** discover where the surf's up.

FOUNTAIN DAY

Splish, Splash . . .

What's that you say, Juniors? Seniors are all wet? Well as a matter of fact, they were - for one day, that is. Fountain Day is a tradition at Harding Academy and this year it was finally made legal. There was even a lifeguard - Mr. Phillips. All members of the senior class and even some of the underlings were doused in the waters of the sacred fountain. The highlight of the day was the soaking of the only faculty member. Mr. Phillips was only too happy to give everyone something to laugh at. The last day of school truly followed the theme of the day (terminology provided by Mr. Michael Semore) - "carpe diem."

1. **DONNA OLIVER,** Melissa Scott, and Robin Gordon just enjoyed a morning dip in the fountain. 2. **THE FOUNTAIN,** being prepared for future fun. 3. **PAUL DeHART** and Allan Wagner take a break after chasing down sophomores. 4. **HOLLY AND DARLENE** look a little wet. 5. **BRAD PHILLIPS** says, "I do not enjoy being wet."

SENIOR BANQUET

Peabody Skyway . . .

The nineteen hundred and eighty-three class of Harding Academy met on the evening of May 5 at the Peabody Skyway for their annual Senior banquet. The evening started with warm greetings, expressing the splendor of the night to come. The Seniors' special and honored guests of the night, the will and prophecy, baby pictures, and the candlelight ceremony as a whole added life to the banquet. Many tears and feelings were obvious as the night drew to a close. The night was filled with fond memories of soon-departed friends. Harding Academy and Mrs. Ruth French will be long remembered in the hearts of many.

1. **NOT** interested? 2. **WE** LOVE YOU! 3. **BRAVO!** Bravo! 4. **THE WAY** we were. 5. **WELL.** O.K. 6. **WHO** are you looking at, guys?

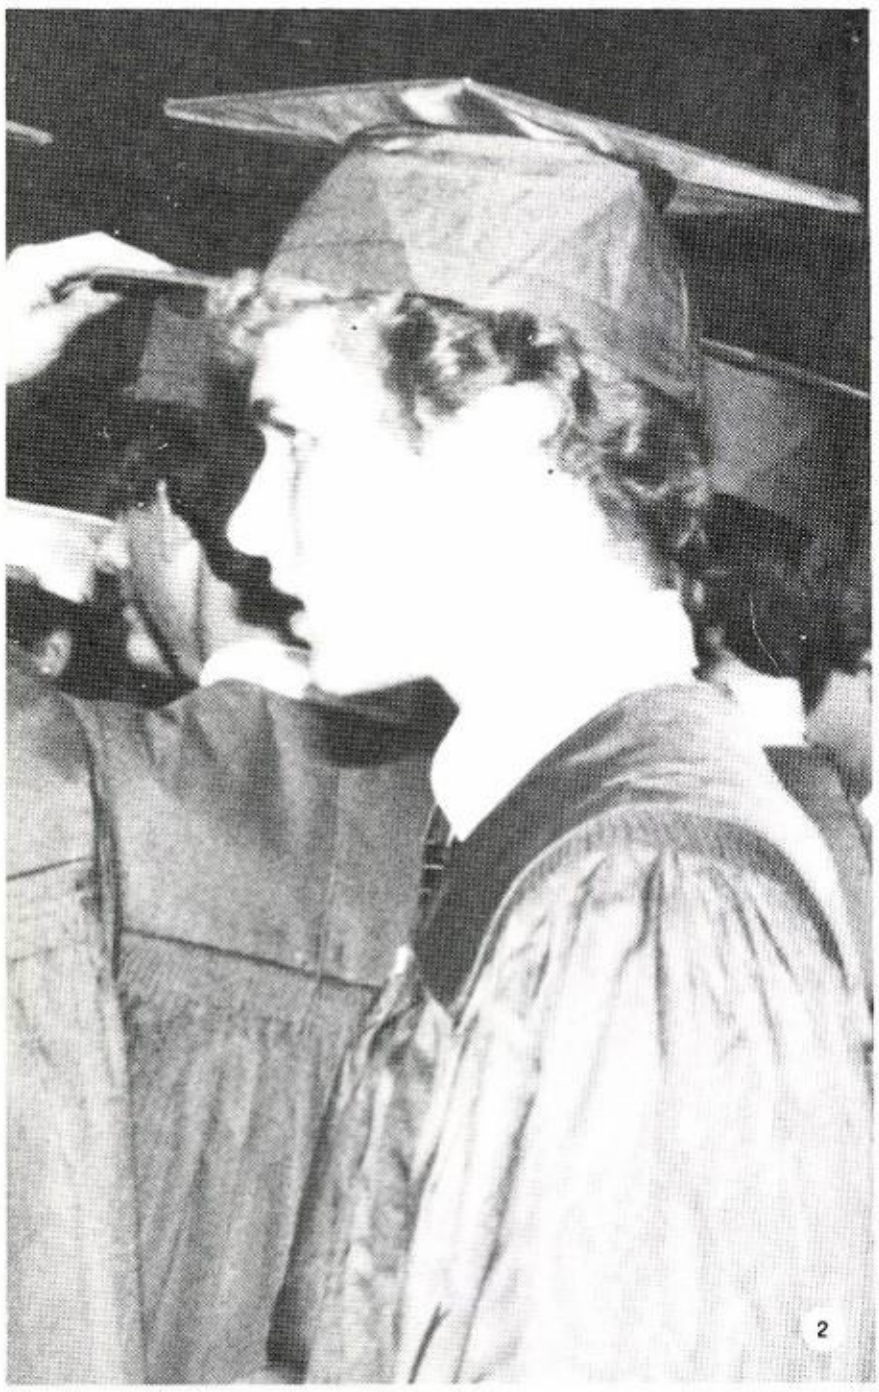
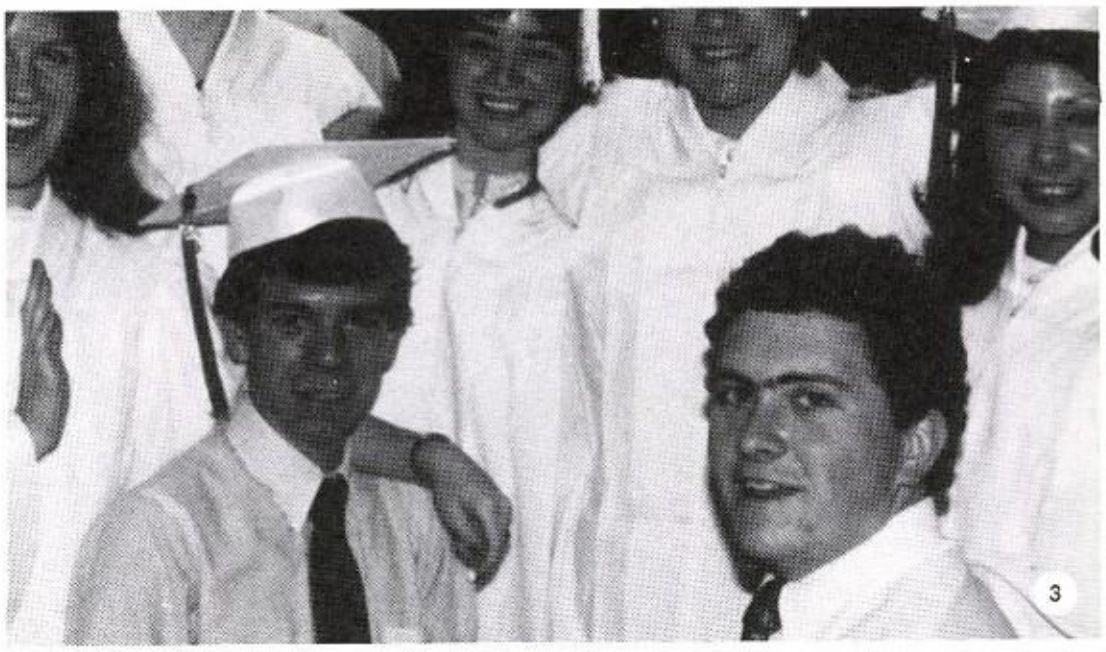
BACCALAUREATE

Silver Seniors Unite

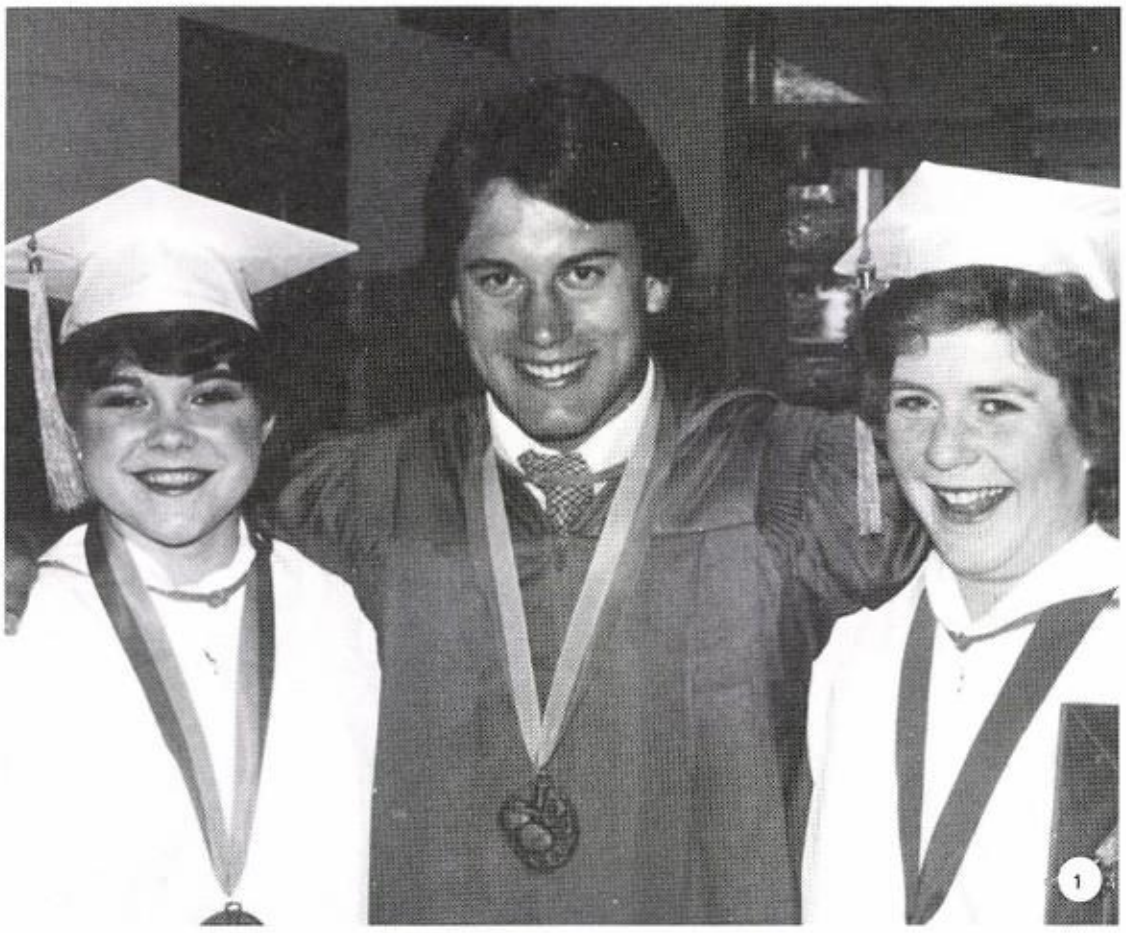
Sunday afternoon, May 15, was the setting for baccalaureate. Filing in in two rows, the seniors looked very impressive in their white and blue robes and mortarboards (those inventions of the devil himself). They marched to the tune of Beethoven's Ninth Symphony, "Joyful, Joyful." Marty Moore, class treasurer, led the opening prayer. Then the senior chorus members joined the rest of the A cappella on stage to sing "Lord, Make Me An Instrument." The class had elected Mr. Leon Sanderson to be the speaker at the service. Mr. Sanderson spoke on the subject of Silver Seniors and their worth. Russ Caughron led the congregation in "My God and I." The closing prayer was led by Brett Curtis.

There were tears as the seniors left. Not only were the graduates crying, but several emotional mothers and grandmothers showed signs of a little leakage around the eyes. This solemn occasion more than prepared us for the following night.





GRADUATION



Look's Like We Made It!

The moment everyone has been waiting for since he or she got his first black sheep in kindergarten, finally arrived May 16. Graduation is approached with feelings of gladness and sadness: feelings of gladness because one is finally getting out, feelings of sadness because he is losing his friends and a way of life.

Despite all the sad emotions, the glad emotions seemed to shine through. After the presentations of honor graduates, Tina Bounds and Paul DeHart delivered their valedictorian addresses. The presentation of diplomas followed. This was a very trying process. One must make it up the steps and across the stage without tripping. At the same time he must remember to smile, hold his head up, and shake Dr. Bowie's hand, praying that the flash on the camera would work. If not, one is left standing there, grinning at the audience and holding Dr. Bowie's hand. Then he must move his tassel and walk behind the cameraman without disconnecting all the electrical cords. Finally, he goes back up the aisle and breathes a sigh of relief. That was really an obstacle course.

As Jeff Blancett received his diploma, the air was tense. He turned to face the audience and sailed his mortarboard into the air. Everything cut loose then. Hats were sailing up and out and even into the fans. Mrs. Bates finally calmed everyone down and the class was seated.

After the closing remarks, the ex-seniors filed out. As soon as they got out of the auditorium, screams and shouts could be heard. The big night had finally arrived and it was time to P-A-R-T-Y!

OPPOSITE PAGE: 1. **PAL DUKE** wonders what Phyllis is smiling about. 2. **DAVID CRAVEN** listens intently to Mrs. Bates' instructions. 3. **STEVE STAGGS AND ALLAN WAGNER** model the latest in graduation fashions. 4. **HEY, TINA,** your hat is not flat. Do you want to graduate? THIS PAGE: 1. **LISA GILLISPIE,** Brett Curtis, and Tina Bounds are all decked out in their honor graduate duds. 2. **WHAT CAN** we say? 3. **BILL HACKNEY** got carried away at graduation. 4. **ROBIN, SHERRY, AND HOLLY** prepare for line-up at graduation.
